

The background of the book cover is a detailed illustration of an industrial landscape. In the foreground, a steam locomotive is pulling a train of freight cars. Behind the train, a large industrial building with a complex roof structure is visible. In the background, several tall smokestacks rise into the air, emitting thick plumes of smoke that fill the sky. The overall color palette is dominated by warm, earthy tones like browns, oranges, and greys, giving it a vintage, historical feel.

My Iron Journey:

My Iron Journey - an Autobiography of a Life with Steam and Steel Otto Kuhler, 1978 My Iron Journey Otto Kuhler, 1967-01-01 **Parenting: a Journey of Faith While Navigating the Detours** Lucy Watani-Simiyu, 2021-07-30

Lucy Watani Simiyu walks you through the raw and ugly moments in parenting that come when tragedy first strikes. She wrote this book after a season when nothing made sense and it felt like she'd been abandoned by God. It was a time filled with anxiety and heartbreak and with many questions unanswered. As she shares her story, she gives you permission to not be a hero or be an unobtainable version of someone's faithful Christian highlight reel. You can be right where you are moving toward freedom. As you read, in her parental journey and counselling sessions, the experiential learning from thousands of parents raised many questions and gives answers to questions such as: How can parents connect themselves to the very heart of God? What message does God have for you as a parent? Can children question their faith in God in a nerve-racking way to parents and yet continue to function sanely? How can parents equip themselves with the truth of God's Word to keep sane and fulfill their ambassadorial calling? What does it mean for a parent to have a well-planned journey for a child? You ask, what do I do when my child makes the wrong choices? How do I deal with contrary or counterculture? What about parenting guilt? Where is God in all this? Filled with verses from Scripture, examples from the Bible, and practical insights from the author's own life experiences, this book will help you combine grace, truth, and God's Word to find strength and help children overcome obstacles. This book points you to the source of joy in your journey by pointing you to God's Word, the truth that sets you free when the journey gets weary. The blueprint still works: not to make you guilty but to liberate you. Maybe you are a parent who is paralyzed by fear of your child's choices. You may be anxious, hopeless, and helpless about your child's future. Perhaps you are weighed down by guilt and shame, caught in a slump, overwhelmed with regret, trapped in a dead-end parenting and numb from a child's choice. You may be drowning in disappointment, anger, shame, and unfilled spiritually so that God and his promises do not make sense. Instead of tying our hope to specific outcomes, let us connect ourselves to the very heart of God. With compelling storytelling and sound scriptural backup, this book gives you the biblical pathway to help you as a parent move beyond the pain of the present to a hope-filled future.

The Iron Spirit GoGo Sof, 2016-06-28. In this book, The Iron Spirit, the author shares her challenges in life from physical to career and family lives to self-worth and faith. She shares her personal account of her simple solutions to these problems or issues which often had held her back or weighed her down in life. For several years where the author struggles to overcome her confusion, repressed anger, and frustration at the choices she made, and despite all challenges, the world of sports from running to swimming to cycling and triathlon seems at last to offer her the gift she longs for: a story that moves her forward as it reveals the truth about human life. In the years since then, the author has ventured to many places around the world, some on regular visits to places where she could seek a new goal and some where she rediscovers new people and lessons. And with all the travels, the story ends with the author who now

decides what to do with life's haunting legacy of love loss and acceptance while she moves forward and make a positive difference to the world
