wanted to do something daring and exciting and at the same time provide them with a rare opportunity to become fabulously rich In a determined effort to keep their activities a total secret from everyone a thick layer of intrigue caused them many unnecessary hardships and almost turned each of them against the others Unfortunately some of their earlier important decisions were totally misguided and they eventually learned that doing the right thing is always the best way to go This story is about the day to day experiences of those men and how they were able to overcome each of the obstacles they encountered to finally reach a fair and successful conclusion **American Travellers in Spain** Carrie Evangeline Farnham,1921 **Four Months Afoot in Spain** Harry Alverson Franck,1911 -*The Sketch Book, Legends of the*
