## **My Life With Dreiser:**

*MY LIFE WITH DREISER. BY HELEN DREISER.* Helen Dreiser, 1951      **My Life as Author and Editor** H.L.

Mencken, 2011-12-21 H L Mencken stipulated that this memoir remain sealed in a vault for thirty five years after his death For good reason *My Life as Author and Editor* is so telling and uproariously opinionated that it might have provoked a storm of libel suits As he recounts his career as a critic essayist and editor of the ground breaking magazine *Smart Set* Mencken brings us face to face with the literary aristocracy of his day from the dour womanizer Theodore Dreiser to F Scott Fitzgerald drowning his gifts in alcohol Here too are the hacks poseurs and bohemian crackpots who flocked around them Most of all here is Mencken himself defying censors and Prohibition agents with equal aplomb in an age when literature was a contact sport      *My Life with Dreiser* Helen Patges Dreiser, 1951      **My Life** Claude Gernade Bowers, 1962      *Murder, in Fact*

Lana A. Whited, 2020-11-09 With the 1965 publication of *In Cold Blood* Truman Capote declared he broke new literary ground But Capote's nonfiction novel belongs to a long Naturalist tradition originating in the work of 19th century French novelist Emile Zola Naturalism offers a particular response to the increasing problem of violence in American life and its sociological implications This book traces the origins of the fact based homicide novel that emerged in the mainstream of American literature with works such as Frank Norris's *McTeague* and flourished in the twentieth century with works such as Theodore Dreiser's *An American Tragedy* and Richard Wright's *Native Son* At their heart is a young man isolated from community who acts out in desperate circumstances against someone who reflects his isolation A tension develops between how society views this killer and the way he is viewed by the novelist The crimes central to these narratives epitomize the vast gap between those who can aspire to the so called American dream and those with no realistic chance of achieving it      *Cross-cultural Visions in African American Modernism* Yoshinobu Hakutani, 2006 Yoshinobu Hakutani traces the development of African American modernism which initially gathered momentum with Richard Wright's literary manifesto *Blueprint for Negro Writing* in 1937 Hakutani dissects and discusses the cross cultural influences on the then burgeoning discipline in three stages American dialogues European and African cultural visions and Asian and African American cross cultural visions In writing *Black Boy* the centerpiece of the Chicago Renaissance Wright was inspired by Theodore Dreiser Because the European and African cultural visions that Wright Ralph Ellison Alice Walker and Toni Morrison acquired were buttressed by the universal humanism that is common to all cultures this ideology is shown to transcend the problems of society Fascinated by Eastern thought and art Wright Walker Sonia Sanchez and James Emanuel wrote highly accomplished poetry and prose Like Ezra Pound Wright was drawn to classic haiku as reflected in the 4 000 haiku he wrote at the end of his life As W B Yeats's symbolism was influenced by his cross cultural visions of noh theatre and Irish folklore so is James Emanuel's jazz haiku energized by his cross cultural rhythms of Japanese poetry and African American music The book demonstrates some of the most visible cultural exchanges in modern and postmodern African American literature Such a study can be extended

to other contemporary African American writers whose works also thrive on their cross cultural visions such as Amiri Baraka Ishmael Reed Charles Johnson and haiku poet Lenard Moore Think to New Worlds Joshua Blu Buhs, 2024-06-24 How a writer who investigated scientific anomalies inspired a factious movement and made a lasting impact on American culture Flying saucers Bigfoot Frogs raining from the sky Such phenomena fascinated Charles Fort the maverick writer who scanned newspapers journals and magazines for reports of bizarre occurrences dogs that talked vampires strange visions in the sky and paranormal activity His books of anomalies advanced a philosophy that saw science as a small part of a larger system in which truth and falsehood continually transformed into one another His work found a ragged following of skeptics who questioned not only science but the press medicine and politics Though their worldviews varied they shared compelling questions about genius reality and authority At the center of this community was adman writer and enfant terrible Tiffany Thayer who founded the Fortean Society and ran it for almost three decades collecting and reporting on every manner of oddity and conspiracy In Think to New Worlds Joshua Blu Buhs argues that the Fortean effect on modern culture is deeper than you think Fort's descendants provided tools to expand the imagination explore the social order and demonstrate how power is exercised Science fiction writers put these ideas to work as they sought to uncover the hidden structures undergirding reality Avant garde modernists including the authors William Gaddis Henry Miller and Ezra Pound as well as Surrealist visual artists were inspired by Fort's writing about metaphysical and historical forces And in the years following World War II flying saucer enthusiasts convinced of alien life raised questions about who controlled the universe Buhs's meticulous and entertaining book takes a respectful look at a cast of oddballs and eccentrics plucking them from history's margins and spotlighting their mark on American modernism Think to New Worlds is a timely consideration of a group united not only by conspiracies and mistrust of science but by their place in an ever expanding universe rich with unexplained occurrences and visionary possibilities

**Kenneth Burke in Greenwich Village** Jack Selzer, 1996-12-01 Capturing the lively modernist milieu of Kenneth Burke's early career in Greenwich Village where Burke arrived in 1915 fresh from high school in Pittsburgh this book discovers him as an intellectual apprentice conversing with the moderns Burke found himself in the midst of an avant garde peopled by Malcolm Cowley Marianne Moore Jean Toomer Katherine Anne Porter William Carlos Williams Allen Tate Hart Crane Alfred Stieglitz and a host of other fascinating figures Burke himself who died in 1993 at the age of 96 has been hailed as America's most brilliant and suggestive critic and the most significant theorist of rhetoric since Cicero Many schools of thought have claimed him as their own but Burke has defied classification and indeed has often been considered a solitary eccentric genius immune to intellectual fashions But Burke's formative work of the 1920s when he first defined himself and his work in the context of the modernist conversation has gone relatively unexamined Here we see Burke living and working with the crowd of poets painters and dramatists affiliated with *Others* magazine Stieglitz's 291 gallery and Eugene O'Neill's Provincetown Players the leftists associated with the magazines *The Masses* and *Seven Arts* the

Dadaists and the modernist writers working on literary journals like *The Dial* where Burke in his capacity as an associate editor saw T S Eliot's *The Wasteland* into print for the first time and provided other editorial services for Thomas Mann and e e cummings Ezra Pound and many other writers of note Burke also met the iconoclasts of the older generation represented by Theodore Dreiser and H L Mencken the New Humanists and the literary nationalists who founded *Contact* and *The New Republic* Jack Selzer shows how Burke's own early poems fiction and essays emerged from and contributed to the modernist conversation in Greenwich Village He draws on a wonderfully rich array of letters between Burke and his modernist friends and on the memoirs of his associates to create a vibrant portrait of the young Burke's transformation from aesthete to social critic

**Literary Feuds** Anthony Arthur, 2002-12-13 The result reads like a collection of short stories with the featured authors as their own best characters and having the best lines BOOK JACKET
