My Music My Life:

My Music, My Life Ravi Shankar, 2023-07-04 With stunning new photographs and a new final chapter detailing Ravi Shankar's hope for the preservation of Indian classical music this updated edition of *My Music My Life* profiles an extraordinary man In his own words Shankar describes his transformation from a young traveling dancer to a Grammy Award winning internationally known musician An autobiography a history of Indian classical music and a manual on how to play the sitar this book is about music as a both a lifestyle and an art It embodies Ravi Shankar's unique approach to his craft *My Life and Music* Artur Schnabel, 1988-01-01 A clear picture of a musician of rare integrity The Musical Times Highly readable reminiscences musical philosophy of great pianist his experiences as a child prodigy in turn of the century Vienna concert career thoughts on great conductors and composers of the day preferences in the repertoire much more Also includes Reflections on Music address delivered at University of Manchester 1933 Introduction by Edward Crankshaw 20 illustrations Index **No Regrets (Music Saved My Life)** Alec Music, 2025-03-17 This isn't just a story about a hip hop artist's rise from the ashes it's a raw unflinching look into the heart of darkness and the arduous climb back to the light It's a Cape Town story steeped in the vibrant energy of the city but also haunted by the shadows of poverty violence and addiction that cling to its edges It's a story of loss a story of grief a story of betrayal and a story of redemption It's a testament to the destructive power of unchecked pain and the restorative power of music family and unwavering love I have poured my soul onto these pages laying bare the deepest wounds and most painful truths It hasn't been easy reliving these experiences confronting the demons that nearly consumed me But in sharing this story I hope to reach out to those who are struggling reminding them that they are not alone There is hope No Regrets 3 There is healing There is a way out This is more than a memoir it's a lifeline a confession a testament to resilience and a celebration of the life I fought to reclaim The music the pain the love the struggle the triumph this is all woven into the fabric of this narrative presented in a way that is authentic to my experience and true to my voice I hope you feel the rhythm in the words the beat in the pain the melody of hope in the final crescendo Let the music begin My mother's death was a cataclysm It ripped a hole in my world leaving behind a void so profound that I instinctively sought solace in the most destructive ways possible The streets became my refuge or rather my prison Alcohol numbed the pain drugs offered a fleeting escape and crime well it was a twisted form of rebellion a desperate attempt to exert control over a life that felt utterly out of control My father's tireless efforts to save me from myself were met with resistance with anger with a self-destructive defiance born from grief and a profound sense of loss The affair with my brother's wife Hulane was a further act of self-sabotage a cruel twist of the knife in an already bleeding heart This downward spiral continued a relentless descent into darkness a terrifying exploration of the abyss I reached a point where suicide seemed the only option the only release from the crushing weight of my pain and guilt But then something shifted Music the very thing that had always been my refuge once again offered a lifeline The collaboration with Arsenic Beats on *No Regrets* wasn't just

about creating an E P it was about confronting my demons laying bare my struggles and processing my grief through rhythm and rhyme The songs became a cathartic release a conduit for my pain a powerful expression of my struggle for redemption This memoir delves into the depths of that struggle tracing my journey from the depths of despair to a place of unexpected peace and profound love It is a story of pain and resilience of darkness and light of loss and love ultimately a song of hope in the face of unimaginable adversity My story is not unique It s a reflection of the struggles faced by so many in communities grappling with poverty violence and addiction It is my hope that by sharing my journey others will find strength inspiration and perhaps even a glimmer of hope amidst their own struggles This is my truth my confession and my testament to the enduring power of the human spirit
