

My Northwest

Jason Richards

My Northwest:

What's Killing America Jason Rantz, 2023-09-26 A stunning book about how America's biggest cities are being destroyed by progressive policies and woke Democrats. Many Americans have no idea how badly our largest Democrat-run cities have deteriorated. We've been complacent for far too long, assuming that the craziest elements of the radical Left would stay confined to the East and West coasts. But crime, drug addiction, homelessness, left-wing school indoctrination, so-called inclusive housing policies, and outrageous taxes don't stay within the big city limits of places like Los Angeles, Chicago, Portland, New York, Seattle, and San Francisco. The effects of ideologically driven left-wing policies always spread, which should alarm Americans regardless of their political leanings. Jason Rantz is a prominent radio host, a trusted journalist, and a frequent Fox News guest, unafraid to go directly into the action. He's grown a national following by breaking news the mainstream media won't cover, the consequences of destructive leftist policies wherever they occur. He was right there for the chaos in his hometown of Seattle when liberal anarchists declared an autonomous police-free CHOP Zone. He infiltrates the Antifa marches and knows firsthand how those radicals operate. This is the shocking story of what he's learned. Employing on-the-ground reporting and fact-based analysis, Rantz zooms out to conduct a fascinating, detailed, data-driven study of how these liberal policies result in chaos, misery, and too often bloodshed. He skillfully recounts the tragic events with a narrative reporter's eye for detail to tell the true story of what's happening in America's cities.

Unmasked Andy Ngo, 2021-02-02 In this 1 national bestseller, a journalist who's been attacked by Antifa writes a deeply researched and reported account of the group's history and tactics. When Andy Ngo was attacked in the streets by Antifa in the summer of 2019, most people assumed it was an isolated incident. But those who'd been following Ngo's reporting in outlets like the New York Post and Quillette knew that the attack was only the latest in a long line of crimes perpetrated by Antifa. In *Unmasked*, Andy Ngo tells the story of this violent extremist movement from the very beginning. He includes interviews with former followers of the group, people who've been attacked by them, and incorporates stories from his own life. This book contains a trove of documents obtained by the author, published for the first time ever.

Way Home Josephine Ensign, 2024-11-19 This is a work of narrative nonfiction set in Seattle, King County, Washington, that explores the contemporary landscape of homelessness with an emphasis on innovative local solutions.

Antisocial Media Mark A. Wood, 2017-11-26 This book provides a cutting-edge introduction to Internet-facilitated crime watching and examines how social media have shifted the landscape for producing, distributing, and consuming footage of crime. In this thought-provoking work, Mark Wood examines the phenomenon of antisocial media, participatory online domains where footage of crime is aggregated, sympathetically curated, and consumed as entertainment. Focusing on Facebook pages dedicated to hosting footage of street fights, brawls, and other forms of bare-knuckle violence, Wood demonstrates that to properly grapple with antisocial media, we must address not only their content but also their software. In doing so, this study goes a long way to addressing the fundamental question: how have

social media changed the way we consume crime Synthesizing criminology media theory software studies and digital sociology Antisocial Media is media criminology for the Facebook age It is essential reading for students and scholars interested in social media cultural criminology and the crime media interface **Madness** T.I. Riddle,2022-11-03 Madness is an intimate journey through the life of the author as he wrestled to overcome personal challenges that kept him in a cycle of homelessness and addiction It is captivating sometimes gritty look at the complicated and confusing struggle for people suffering with mental illness It offers a real glimpse into the torment many people wrestle with from the invisible devastation of abuse and chaos and the behavior effects that result that are frequently overlooked or misunderstood both by the people who need help and those trying to help Through the author s reveals of the heartbreaking process he went through and the amazing amount of support that was needed to break free from homelessness addiction and mental illness it gives a firsthand look at the complexities of healthcare the deficiencies of the mental health system the stigma associated with mental illness and the lack of general understanding about the issues that created both the opioid and homelessness crisis plaguing the most prosperous cities in the United States Madness combines the author s unique perspective as an educated business owner a highly trained insurance professional a father and a sincere man of faith with brutally honest descriptions of the issues and mistakes he needed to face to overcome his circumstances It sheds a unique and relevant light on the urgent struggle society faces to find solutions for the rampant issue of homelessness addiction and mental illness problems that have gotten worse despite billions of dollars that have been raised to address them Madness is sure to inspire challenge and cause you to question many assumptions you may have about what is at the root of these problems and what must be done to help

The Great Reset Glenn Beck,Justin Trask Haskins,2022-01-11 Glenn Beck argues that the American way of life will not survive the Great Reset and warns us to stop it before it s too late to reverse course **The Beatles In America 1964** Jason Richards, A Fun and Fascinating Look at When The Beatles Came to America Yeah Yeah Yeah I think one of the cheekiest things we ever did was to say to Brian Epstein We re not going to America until we ve got a Number One record Paul McCartney On February 7 1964 Pan Am Yankee Clipper flight 101 from London landed at John F Kennedy International Airport in New York City and The Beatles had arrived in America Just six days earlier I Want To Hold Your Hand had become the Number 1 song in the country having already sold more than a million copies nationwide Two days later a record breaking 73 million Americans tuned in to watch The Beatles perform on The Ed Sullivan Show The Fab Four would follow that up by electrifying a crowd in Washington DC with their first concert in the United States Beatlemania truly had arrived and it would only get bigger In August 1964 The Beatles would make a triumphant return for their first North American concert tour In just 33 days The Beatles would sell an unprecedented number of tickets earn more than any musical performers had before them and establish their place in music history THE BEATLES In America 1964 is a magical mystery tour filled with fascinating stories first hand accounts and in depth coverage of John Paul George and Ringo throughout their

1964 visits to America Take a step back through the mists of time and experience The Beatles in America like you never have before **Called to Suffer** Frans-Johan Pienaar,2022-10-11 If you walk down the aisle in the Christian growth section of your local bookstore you will be spoiled for choice However what you will struggle to find is a book on how suffering plays a part in one s Christian growth This book seeks to bring a helpful corrective to the current trend in Christianity that views suffering as something to be avoided entirely It dives into the letter of First Peter to explicate how Peter envisioned suffering as not only helpful but necessary for true Christian formation **Crime and No Punishment** Marie Gottschalk,2025-11-18 How a focus on street crime has allowed corporate malfeasance to grow and why understanding both together is key to a true picture of violence in America Provided by publisher *Desenmascarados* Andy Ngo,2021-11-12 Cuando Andy Ngo fue atacado en las calles de Portland por grupos antifa en el verano de 2019 la mayor a de la gente asumi que se trataba de un incidente aislado Pero aquellos que hab an estado siguiendo los informes de Ngo en medios como el New York Post y Quillette sab an que el ataque era solo el ltimo de una larga lista de cr menes perpetrados por dichos grupos En *Desenmascarados* Andy Ngo cuenta la historia de este violento movimiento extremista desde su inicio Incluye entrevistas con ex miembros y con sus v ctimas e incorpora historias de su propia vida Este libro contiene una gran cantidad de documentaci n recopilada por el autor que ve la luz por vez primera Pocos periodistas entienden un tema de forma m s intima como Andy Ngo entiende a los antifa Fue amenazado hostigado y por ltimo apaleado con sa a por cubrir sus actividades Ahora ha escrito la historia que otros medios deber an haber cubierto hace a os pero no lo hicieron Si quieres descubrir como un movimiento violento y extremista opera con casi absoluta impunidad en este pa s lee este libro Tucker Carlson Fox News La obra de Andy Ngo demuestra claramente que el movimiento antifa en Estados Unidos es mucho m s que una simple ideolog a es un movimiento insurreccional de considerable alcance e influencia que se opone abiertamente a la democracia liberal al capitalismo democr tico y al imperio de la ley Ayaan Hirsi Ali escritora y activista neerlandesa **Insiders' Guide® to Seattle** Shelley Seale,2010-12-07 A first edition Insiders Guide to Seattle is the essential source for in depth travel and relocation information to this thriving city in the Pacific Northwest Written by a local and true insider this guide offers a personal and practical perspective of Seattle and its surrounding environs **University President's Crisis Handbook** Scott Green, Temple Kinyon,2023-12-07 Discover the non traditional leadership techniques that took the University of Idaho from insolvency to international renown In *University President's Crisis Handbook* the President of the University of Idaho C Scott Green and author Temple Kinyon deliver a one of a kind perspective on managing universities through periods of intense turmoil and difficulty The book offers in depth managerial insights into the three strategic pillars and industry expert guidance that helped Green shepherd the University of Idaho through years of deep deficits and the COVID 19 pandemic You ll find comprehensive discussions of how the university achieved financial solvency soaring enrollments record research awards and record fundraising amid extraordinary challenges You ll also discover Explorations of the strategic touchstones

leading to U of I's transformation student success pursuit of R1 Carnegie research classification leading to soaring grant awards and narrative control How the university and its community supported itself in the face of a tragic and outrageous crime against 4 of its students The strategies used by the university and its faculty to safely reopen the school after lengthy closures in the middle of the COVID 19 pandemic Perfect for university administrators University President's Crisis Handbook will also prove invaluable to academics with leadership responsibilities and managers executives board members and other leaders in the public and private sectors *Reforming Social Services in New York City* Thomas J.

Main, 2025-09-15 *Reforming Social Services in New York City* examines efforts across six decades to respond to poverty joblessness and homelessness through the establishment and periodic restructuring of the city's Human Resources Administration HRA and related social welfare agencies As Thomas J Main shows through archival research and interviews with key figures the HRA has been the focus of several mayoralties The John Lindsay administration's creation of the HRA in 1966 was a classic liberal effort to fight poverty Rudy Giuliani brought dramatic change by implementing work oriented welfare reform and the Bill de Blasio administration attempted to install a progressive social welfare agenda within the city's social service agencies to reduce inequality *Reforming Social Services in New York City* tells the story of these efforts assessing the strategies employed and the success of their outcomes concluding that major nonincremental change in urban welfare policy is not only possible but has been effective *Pornography and Genocide* Thomas Trzyna, 2019-06-14 One out of every thirty five women born is killed for cultural or sexual reasons In the twentieth century more women were killed for those reasons than all the people who died in wars Women everywhere live in the higher stages of Gregory Stanton's eight stage genocide scale Pornography contributes to the peril whether in the form of battlefield rape films the rape chants of frat boys or the massive distribution of violent images on the web and through other media The United Nations definition of genocide must be changed to recognize women as a targeted group *Pornography and Genocide* pulls together the evidence from legal scholars and a myriad of contemporary studies and news accounts from around the world It is time to face the war against women **Sports Superstars from Black History** Sophia Murphy, 2024-10 Discover how 12 Black athletes

overcame seemingly impossible odds and insurmountable challenges to achieve their dreams and make a name for themselves in the fields of football baseball basketball tennis track and field and gymnastics a perfect gift for young sports fans and young athletes Kids will immerse themselves in the world of sports as they follow iconic figures from stars of the past to celebrities of today through the highs and lows of their careers Young readers will discover the inspirational stories of 12 people some that they might know and love and some that they may have never heard of before all winners in their own right But this book goes beyond touchdowns and home runs Each of these figures has overcome many struggles and kids will learn valuable life lessons from this book's deeper themes of leadership perseverance tenacity and triumphing over adversity Featuring stories about Serena Williams and Althea Gibson Aaron Judge and Jackie Robinson LeBron James and Earl Francis

Lloyd Russell Wilson and Fritz Pollard Simone Biles and Dominique Dawes Allyson Felix and Alice Coachman *Dopers in Uniform* John Hoberman, 2017-11-21 The recorded use of deadly force against unarmed suspects and sustained protest from the Black Lives Matter movement among others have ignited a national debate about excessive violence in American policing Missing from the debate however is any discussion of a factor that is almost certainly contributing to the violence the use of anabolic steroids by police officers Mounting evidence from a wide range of credible sources suggests that many cops are abusing testosterone and its synthetic derivatives This drug use is illegal and encourages a steroidal policing style based on aggressive behaviors and hulking physiques that diminishes public trust in law enforcement *Dopers in Uniform* offers the first assessment of the dimensions and consequences of the felony use of anabolic steroids in major urban police departments Marshalling an array of evidence John Hoberman refutes the frequent claim that police steroid use is limited to a few bad apples explains how the Blue Wall of Silence stymies the collection of data and introduces readers to the broader marketplace for androgenic drugs He then turns his attention to the people and organizations at the heart of police culture the police chiefs who often see scandals involving steroid use as a distraction from dealing with more dramatic forms of misconduct and the police unions that fight against steroid testing by claiming an officer's right to privacy is of greater importance Hoberman's findings clearly demonstrate the crucial need to analyze and expose the police steroid culture for the purpose of formulating a public policy to deal with its dysfunctional effects *Finding Runaways and Missing Adults* Robert L. Snow, 2012-03-29 Every year in the United States almost two million children run away from home In addition on the average the police in our country have at any one time over 100 000 active missing adult cases This book will show readers how with just a little advance preparation and insight they can greatly increase their chances of finding a missing loved one even after police have stopped actively looking With sensationalized child disappearances teenagers vanishing and adults faking their own deaths the challenge of finding missing persons often falls most directly on those who love them And though in past years this involved a considerable amount of footwork that is no longer the case With the advent of the Internet and the many new search engines available much of the searching and canvassing can now be done from computers Family members and friends looking for missing loved ones need to know what programs and databases to access though to get the search under way Snow reveals to readers the process the police use when trying to locate missing people of interest information that readers can then use to locate their own missing loved ones Using real stories and first hand accounts the author offers hope and guidance to those who may have given up the search for a child a spouse a parent or a friend *The CQ Press Guide to Urban Politics and Policy in the United States* Christine Kelleher Palus, Richardson Dilworth, 2016-02-11 The CQ Press Guide to Urban Politics and Policy in the United States will bring the CQ Press reference guide approach to topics in urban politics and policy in the United States If the old adage that all politics is local is even partially true then cities are important centers for political activity and for the delivery of public goods and services U S cities are diverse in

terms of their political and economic development demographic makeup governance structures and public policies Yet there are some durable patterns across American cities too Despite differences in governance and or geographic size most cities face similar challenges in the management of public finances the administration of public safety and education And all U S cities have a similar legal status within the federal system This reference guide will help students understand how American cities from old to new have developed over time Part I how the various city governance structures allocate power across city officials and agencies Part II how civic and social forces interact with the organs of city government and organize to win control over these organs and or their policy outputs Part III and what patterns of public goods and services cities produce for their residents Part IV The thematic and narrative structure allows students to dip into a topic in urban politics for deeper historical and comparative context than would be possible in either an A to Z encyclopedia entry or in an urban studies course text FEATURES Approximately 40 chapters organized in major thematic parts in one volume available in both print and electronic formats Front matter includes an Introduction by the Editors along with biographical backgrounds about the Editors and the Contributing Authors Back matter includes a compilation of relevant topical data or tabular presentation of major historical developments population growth size of city budgets etc or historical figures e g mayors a bibliographic essay and a detailed index Sidebars are provided throughout and chapters conclude with References Further Readings and Cross References to related chapters as links in the e version This Guide is a valuable reference on the topics in urban politics and policy in the United States The thematic and narrative structure allows researchers to dip into a topic in urban politics for a deeper historical and comparative context than would be possible in either an A to Z encyclopedia entry or in an urban studies course text

Undoctrinate Bonnie Kerrigan Snyder, 2021-09-14 Are your kids being indoctrinated in school Unfortunately it s increasingly likely From social justice to critical race theory and from advocacy and activism campaigns to planned action weeks teachers and schools nationwide are abandoning neutrality in the classroom embracing political agendas and partisan aims and expecting students to get on board Meanwhile students with doubts or misgivings decline to voice objections due to fears of lowered grades impacted college recommendation letters social ostracism cancellation public shaming ridicule and other formal and informal means of correcting them and making them toe the ideological line Is this what we want for our kids Will this kind of education produce able citizens or independent thinkers capable of self government The range of opinion has been narrowing in higher education for some time now heavy handed thought constriction and chilled speech are choking our secondary middle and even elementary schools The situation is dire and America urgently needs a response This book provides the tools we need to confront and remove hidden agendas to uproot and reject educational biases and to restore balance and integrity to America s classrooms It s time to undoctrinate our schools

From Character to Color Ernest J. Zarra III, 2022-05-06 From Character to Color was written to explore Critical Race Theory from logical moral and educational standpoints as these relate to history people and racial groups This book is

also written to explain reasons why it is a bad choice to allow the Critical Race Theory to grow unabated and continue to infect the nation

Whispering the Strategies of Language: An Mental Journey through **My Northwest**

In a digitally-driven earth where displays reign supreme and instant transmission drowns out the subtleties of language, the profound techniques and emotional nuances hidden within phrases usually get unheard. Yet, situated within the pages of **My Northwest** a fascinating literary treasure sporting with raw emotions, lies an extraordinary quest waiting to be undertaken. Written by a talented wordsmith, that charming opus encourages viewers on an introspective journey, softly unraveling the veiled truths and profound impact resonating within the very fabric of every word. Within the psychological depths of the emotional evaluation, we can embark upon a heartfelt exploration of the book is core subjects, dissect its charming writing fashion, and yield to the effective resonance it evokes serious within the recesses of readers hearts.
