## **My Patriarchal Memoirs:**

**My Patriarchal Memoirs** Zawēn (Armenian Patriarch of Constantinople), 2002      **The Armenians in Modern Turkey** Talin Suciyan, 2015-10-28 After the Armenian genocide of 1915 in which over a million Armenians died thousands of Armenian Turks lived and worked in the Turkish state alongside those who had persecuted their communities Living under heavy censorship and in an atmosphere of official denial that the deaths were a genocide how did Turkish Armenians record their own history Here Talin Suciyan explores the life experienced by Turkey's Armenian communities as Turkey's great modernisation project of the 20th century gathered pace Suciyan achieves this through analysis of remarkable new primary material Turkish state archives minutes of the Armenian National Assembly a kaleidoscopic series of personal diaries memoirs and oral histories various Armenian periodicals such as newspapers yearbooks and magazines as well as statutes and laws which led to the continuing persecution of Armenians The first history of its kind **The Armenians in Modern Turkey** is a fresh contribution to the history of modern Turkey and the Armenian experience there      **Rewriting American Identity in the Fiction and Memoirs of Isabel Allende** B. Craig, 2013-08-20 Moving away from territorially bound narratives toward a more kinetic conceptualization of identity this book represents the first analysis of the politics of American identity within the fiction and memoirs of Isabel Allende Craig offers a radical transformation of societal frameworks through revised notions of place temporality and space      **Memoirs of the Rev. John Townsend, Founder of the Asylum for the Deaf and Dumb, and of the Congregational School** John Townsend, 1831      **Genocide and Gender in the Twentieth Century** Amy E. Randall, 2021-12-16 Focusing on events in Rwanda Armenia and the former Yugoslavia as well as the Holocaust **Genocide and Gender in the Twentieth Century** investigates how historically and culturally specific ideas led to genocidal sexual violence Expert contributors also consider how these ideas in conjunction with issues relating to femininity masculinity and understandings of gendered identities contributed to perpetrators tools and strategies for ethnic cleansing and genocide The 2nd edition features Five brand new chapters which explore imperialism race gender and genocide the Cambodian genocide memory and intergenerational transmission of Holocaust trauma and genocide gender and memory in the Armenian case An extended and enhanced introduction which makes use of recent scholarship on gender and violence Historiographical and bibliographical updates throughout Key primary document excerpt from the 1948 UN Convention on the Prevention and Punishment of Genocide Updated and revised in its second edition **Genocide and Gender in the Twentieth Century** is the authoritative study on the complex gender dimensions of ethnic cleansing and genocide in the 20th century      **"They Can Live in the Desert but Nowhere Else"** Ronald Grigor Suny, 2017-05-09 A definitive history of the 20th century's first major genocide on its 100th anniversary Starting in early 1915 the Ottoman Turks began deporting and killing hundreds of thousands of Armenians in the first major genocide of the twentieth century By the end of the First World War the number of Armenians in what would become Turkey had been

reduced by 90 percent more than a million people A century later the Armenian Genocide remains controversial but relatively unknown overshadowed by later slaughters and the chasm separating Turkish and Armenian interpretations of events In this definitive narrative history Ronald Suny cuts through nationalist myths propaganda and denial to provide an unmatched account of when how and why the atrocities of 1915-16 were committed Drawing on archival documents and eyewitness accounts this is an unforgettable chronicle of a cataclysm that set a tragic pattern for a century of genocide and crimes against humanity

*The Tsar's Armenians* Onur Önel, 2017-05-30 In 1903 Tsar Nicholas II issued a decree allowing the confiscation of Armenian Church property marking the low point in relations between imperial Russia and its Armenian subjects Yet just over a decade later Russian Armenians were fully supportive of the Russian war effort Drawing on previously untouched archival material and a range of secondary sources published in English French Russian and Turkish this is the first English language study of this drastic change in relations in the Caucasus Onur Önel explains how and why the shift took place by looking in detail at the imperial Russian authorities and their relationship with the three pillars of the Russian Armenian community the Armenian Church the Armenian bourgeoisie and the Armenian Revolutionary Federation Dashnaktsutiun Önel places the evolution within a context of wider political questions such as the Russian revolutionary movement Russia's nationalities question Tsarist fears of pan-Islamism the path to World War I and the influence of key characters in Russian policy making from Pyotr Stolypin to Illarion Vorontsov Dashkov This book fills a conspicuous void in the extant historiography and will be of interest to scholars working on Russian Armenian and Ottoman history

**Ottoman Children and Youth during World War I** Nazan Maksudyan, 2019-04-25 Described by historians as a total war World War I was the first conflict that required a comprehensive mobilization of all members of society regardless of profession age or gender Just as women became heads of households and joined the workforce in unprecedented numbers children also became actively engaged in the war effort Adding a new dimension to the historiography of World War I Maksudyan explores the variegated experiences and involvement of Ottoman children and youth in the war Rather than simply passive victims children became essential participants as soldiers wage earners farmers and artisans They also contributed to the propaganda and mobilization effort as symbolic heroes and orphans of martyrs Rebellious against their orphanage directors or trade masters marching and singing proudly with their scouting companies making long distance journeys to receive vocational training or simply to find their families they acquired new identities and discovered new forms of agency Maksudyan focuses on four different groups of children thousands of orphans in state orphanages Dar leyta apprentice boys who were sent to Germany children and youth in urban centers who reproduced rivaling nationalist ideologies and Armenian children who survived the genocide With each group the author sheds light on how the war dramatically impacted their lives and in turn how these self-empowered children sometimes described as precocious adults actively shaped history

**Gendering Global Humanitarianism in the Twentieth Century** Esther Möller, Johannes Paulmann, Katharina

Stornig,2020-08-24 This volume is interesting both because of its global focus and its chronology up to the present it covers a good century of changes It will help define the field of gender studies of humanitarianism and its relevance for understanding the history of nation building and a political history that goes beyond nations Glenda Sluga Professor of International History and ARC Kathleen Laureate Fellow at the University of Sydney Australia This volume discusses the relationship between gender and humanitarian discourses and practices in the twentieth century It analyses the ways in which constructions norms and ideologies of gender both shaped and were shaped in global humanitarian contexts The individual chapters present issues such as post genocide relief and rehabilitation humanitarian careers and subjectivities medical assistance community aid child welfare and child soldiering They give prominence to the beneficiaries of aid and their use of humanitarian resources organizations and structures by investigating the effects of humanitarian activities on gender relations in the respective societies Approaching humanitarianism as a global phenomenon the volume considers actors and theoretical positions from the global North and South from Europe to the Middle East Sub Saharan Africa South and South East Asia as well as North America It combines state and non state humanitarian initiatives and scrutinizes their gendered dimension on local regional national and global scales Focusing on the time between the late nineteenth century and the post Cold War era the volume concentrates on a period that not only witnessed a major expansion of humanitarian action worldwide but also saw fundamental changes in gender relations and the gradual emergence of gender sensitive policies in humanitarian organizations in many Western and non Western settings **The Resistance Network** Khatchig

Mouradian,2021-01-01 The Resistance Network is the history of an underground network of humanitarians missionaries and diplomats in Ottoman Syria who helped save the lives of thousands during the Armenian Genocide Khatchig Mouradian challenges depictions of Armenians as passive victims of violence and subjects of humanitarianism demonstrating the key role they played in organizing a humanitarian resistance against the destruction of their people Piecing together hundreds of accounts official documents and missionary records Mouradian presents a social history of genocide and resistance in wartime Aleppo and a network of transit and concentration camps stretching from Bab to Ras ul Ain and Der Zor He ultimately argues that despite the violent and systematic mechanisms of control and destruction in the cities concentration camps and massacre sites in this region the genocide of the Armenians did not progress unhindered unarmed resistance proved an important factor in saving countless lives The Routledge Handbook of Religion, Mass Atrocity, and Genocide

Sara E. Brown,Stephen D. Smith,2021-11-22 The Routledge Handbook of Religion Mass Atrocity and Genocide explores the many and sometimes complicated ways in which religion faith doctrine and practice intersect in societies where mass atrocity and genocide occur This volume is intended as an entry point to questions about mass atrocity and genocide that are asked by and of people of faith and is an outstanding reference source to the key topics historical events and heated debates in this subject area The 39 contributions to the handbook by a team of international contributors span five continents and

cover four millennia Each explores the intersection of religion faith and mainly state sponsored mass atrocity and genocide and draws from a variety of disciplines This volume is divided into six core sections Genocide in Antiquity and Holy Wars The Genocide of Indigenous Peoples Religion and the State The Role of Religion during Genocide Post Genocide Considerations Memory Culture Within these sections central issues historical events debates and problems are examined including the Crusades Jihad and ISIS colonialism the Holocaust desecration of ritual objects politics of religion Shinto nationalism attacks on Rohingya Muslims the Genocide against the Tutsi in Rwanda responses to genocide gender based atrocities ritualcide in Cambodia burial sites and mass graves transitional justice forgiveness documenting genocide survivor memory narratives post conflict healing and memorialization The Routledge Handbook of Religion and Genocide is essential reading for students and researchers with an interest in religion and genocide religion and violence and religion and politics It will be of great interest to students of theology philosophy genocide studies narrative studies history and international relations and those in related fields such as cultural studies area studies sociology and anthropology

**The Armenians and the Fall of the Ottoman Empire** Ari Şekeryan, 2023-01-19 Explores the political and social life of the Armenian community in the Ottoman Empire during the post war period

**Armenian Golgotha** Grigoris Balakian, 2010-03-09 On April 24 1915 Grigoris Balakian was arrested along with some 250 other leaders of Constantinople's Armenian community It was the beginning of the Ottoman Empire's systematic attempt to eliminate the Armenian people from Turkey a campaign that continued through World War I and the fall of the empire Over the next four years Balakian would bear witness to a seemingly endless caravan of blood surviving to recount his miraculous escape and expose the atrocities that led to over a million deaths Armenian Golgotha is Balakian's devastating eyewitness account a haunting reminder of the first modern genocide and a controversial historical document that is destined to become a classic of survivor literature

**The Assyrian Genocide** Hannibal Travis, 2017-07-20 For a brief period the attention of the international community has focused once again on the plight of religious minorities in Iraq Syria and Turkey In particular the abductions and massacres of Yazidis and Assyrians in the Sinjar Mosul Nineveh Plains Baghdad and Hasakah regions in 2007 2015 raised questions about the prevention of genocide This book while principally analyzing the Assyrian genocide of 1914 1925 and its implications for the culture and politics of the region also raises broader questions concerning the future of religious diversity in the Middle East It gathers and analyzes the findings of a broad spectrum of historical and scholarly works on Christian identities in the Middle East genocide studies international law and the politics of the late Ottoman Empire as well as the politics of the Ottomans British and Russian rivals for power in western Asia and the eastern Mediterranean basin A key question the book raises is whether the fate of the Assyrians maps onto any of the concepts used within international law and diplomatic history to study genocide and group violence In this light the Assyrian genocide stands out as being several times larger in both absolute terms and relative to the size of the affected group than the Srebrenica genocide which is recognized by Turkey as well as by international tribunals

and organizations Including its Armenian and Greek victims the Ottoman Christian Genocide rivals the Rwandan Bengali and Biafran genocides The book also aims to explore the impact of the genocide period of 1914 1925 on the development or partial unraveling of Assyrian group cohesion including aspirations to autonomy in the Assyrian areas of northern Iraq northwestern Iran and southeastern Turkey Scholars from around the world have collaborated to approach these research questions by reference to diplomatic and political archives international legal materials memoirs and literary works

*Judgment At Istanbul* Vahakn N. Dadrian, Taner Akçam, 2011-12-01 Turkey's bid to join the European Union has lent new urgency to the issue of the Armenian Genocide as differing interpretations of the genocide are proving to be a major reason for the delay of its accession This book provides vital background information and is a prime source of legal evidence and authentic Turkish eyewitness testimony of the intent and the crime of genocide against the Armenians After a long and painstaking effort the authors one an Armenian the other a Turk generally recognized as the foremost experts on the Armenian Genocide have prepared a new authoritative translation and detailed analysis of the *Takvim i Vek yi* the official Ottoman Government record of the Turkish Military Tribunals concerning the crimes committed against the Armenians during World War I The authors have compiled the documentation of the trial proceedings for the first time in English and situated them within their historical and legal context These documents show that Wartime Cabinet ministers Young Turk party leaders and a number of others inculpated in these crimes were court martialed by the Turkish Military Tribunals in the years immediately following World War I Most were found guilty and received sentences ranging from prison with hard labor to death In remarkable contrast to Nuremberg the Turkish Military Tribunals were conducted solely on the basis of existing Ottoman domestic penal codes This substitution of a national for an international criminal court stands in history as a unique initiative of national self condemnation This compilation is significantly enhanced by an extensive analysis of the historical background political nature and legal implications of the criminal prosecution of the twentieth century's first state sponsored crime of genocide

*Lebanon and Turkey* Robert G. Rabil, 2023-07-03 No empire or a regional power has helped mold the socio political and religious landscape of a country as the Ottoman Empire and its heir the Republic of Turkey have helped shape modern Lebanon yet no contemporary study has examined Lebanon Turkey relations back to Ottoman rule of Lebanon As such the understanding of this historic and contemporaneous relationship is deficient This text fills this gap examining patterns and shifts in Lebanon Turkey relations within the context of regional and international politics from Ottoman rule to Turkey's AKP led governments This comprehensive account of Lebanon Turkey relations grounded in layers of cultural political demographic economic and sectarian complexities and changes across centuries analyzes the developments and dynamics that have helped shape modern Lebanon and its confessional system and politics It underscores the misconceptions and lessons learned from this long term relationship locating Lebanon Turkey relations along a historical continuum

**The History of Armenia** S. Payaslian, 2008-03-13 There is a great deal of interest in the history of Armenia since its renewed

independence in the 1990s and the ongoing debate about the genocide an interest that informs the strong desire of a new generation of Armenian Americans to learn more about their heritage and has led to greater solidarity in the community By integrating themes such as war geopolitics and great leaders with the less familiar cultural themes and personal stories this book will appeal to general readers and travellers interested in the region

**Remembering the Great War in the Middle East** Hans-Lukas Kieser, Thomas Schmutz, Pearl Nunn, 2021-10-07 This book addresses the conflicts myths and memories that grew out of the Great War in Ottoman Turkey and their legacies in society and politics It is the third volume in a series dedicated to the combined analysis of the Ottoman Great War and the Armenian Genocide In Australia and New Zealand and even more in the post Ottoman Middle East the memory of the First World War still has an immediacy that it has long lost in Europe For the post Ottoman regions the first of the two World Wars which ended Ottoman rule was the formative experience This volume analyses this complex configuration why these entanglements became possible how shared or even contradictory memories have been constructed over the past hundred years and how differing historiographies have developed Remembering the Great War in the Middle East reaches towards a new conceptualization of the long last Ottoman decade 1912-22 one that places this era and its actors more firmly at the center instead of on the periphery of a history of a Greater Europe a history comprising as contemporary maps did Europe Russia and the Ottoman world

Locusts of Power Samuel Dolbee, 2023-05-25 In this highly original environmental history Samuel Dolbee sheds new light on borders and state formation by following locusts and revealing how they shaped both the environment and people's imaginations from the late Ottoman Empire to the Second World War Drawing on a wide range of archival research in multiple languages Dolbee details environmental political and spatial transformations in the region's history by tracing the movements of locusts and their intimate relationship to people in motion including Arab and Kurdish nomads Armenian deportees and Assyrian refugees as well as states of the region With locusts and moving people at center stage surprising continuities and ruptures appear in the Jazira the borderlands of today's Iraq Syria and Turkey Transcending approaches focused on the collapse of the Ottoman Empire or the creation of nation states Dolbee provides a new perspective on the modern Middle East grounded in environmental change state violence and popular resistance

Recovering Armenia Lerna Ekmekçioğlu, 2016-01-06 The first in depth study of the aftermath of the 1915 Armenian Genocide and the Armenians who remained in Turkey Following World War I as the victorious Allied powers occupied Ottoman territories Armenian survivors returned to their hometowns optimistic that they might establish an independent Armenia But Turkish resistance prevailed and by 1923 the Allies withdrew the Turkish Republic was established and Armenians were left again to reconstruct their communities within a country that still considered them traitors Lerna Ekmekçioğlu investigates how Armenians recovered their identity within these drastically changing political conditions Reading Armenian texts and images produced in Istanbul from the close of WWI through the early 1930s Ekmekçioğlu gives voice to the community's most prominent public figures notably Hayganush

Mark a renowned activist feminist and editor of the influential journal *Hay Gin*. These public figures articulated an Armenian-ness sustained through gendered differences and women came to play a central role preserving traditions, memory and the mother tongue within the home. But even as women were being celebrated for their traditional roles, a strong feminist movement found opportunity for leadership within the community. Ultimately, the book explores this paradox: how someone could be an Armenian and a feminist in post-genocide Turkey when, through its various laws and regulations, the key path for Armenians to maintain their identity was through traditionally gendered roles.

**Praise for *Recovering Armenia***

With verve, passion and wit, Ekmekcioglu shows how central women were to the restoration of the Armenian community in the decade after the genocidal war. *Recovering Armenia* is a must-read for all students of the Great War and its aftermath and for anyone who wants to understand the modern Middle East and the roots of sectarian conflict that continues in the region today.

Elizabeth Thompson, University of Virginia

This remarkably innovative history offers a thorough account of the ways in which Armenian survivors of the genocide committed by Ottoman Turkey inventively reconstituted themselves as a harshly constrained yet enduring national minority within the new Turkish Republic. A pioneering work that will prove indispensable.

Khachig T. Lian, Wesleyan University

Lerna Ekmekcioglu's radically revealing and provocative book challenges conventional historical wisdom in its exploration of the continued existence of an Armenian minority in modern Turkey.

Atina Grossmann, The Cooper Union
