

A Rhyming Poem

I am trying to write
A rhyming poem
I am sitting in a tent
A random word, ok, Bowem

Yeah, i can work with that
I'm not doing too bad
I wonder if Bowem's a word,
If not you'll probably think i'm mad

Sweet! another stanza thing thought of
My english teacher would be proud
She'd smile, then lose interest,
I'd fell, well, one of a crowd

Last one, there we go
Sorted, it's the real thing herein
Grab my pen and paper
I'm ready to begin.
Oh....COOL! !

I Am Rebel

How My Rhyming Rants, Funky Poems and Limericks Led Me to Forgive and Move On C.L. Whoo,2020-08-14

How many times has someone really made you angry but you didn't speak up at the time How long did the things you wanted to say roll around in your head taking up your good energy and sometimes literally making you sick The next thing you know you are screaming at that same person for accidentally spilling a little coffee and you look a little cray cray but only you know where that anger really came from This is a simple and sometimes silly portrayal of how one person was so frustrated with all of the imaginary conversations they literally asked for help to heal them and the result the rhyming rantings and ravings found in this book [The Poem Collection](#) Edward J. McCoul,2013-09-18 Edward McCoul's love for writing creative inspired poetry is the basis for writing this book He has written about his favorite topics and he has divided the book into poetry chapters that have appeal to young and old The chapters in the book are Family Children Presidential Inspirational Christmas and Adult Poems There is also a special last chapter Poems Make Romantic Songs that should appeal to music lovers or to those of you who are just helplessly romantic Whatever your varied interests are you will find great satisfaction reading Edward McCoul's Poetry

Perceptions of the Imagine Nation: Pages of Poems, Puzzles, Riddles and Rhymes, & Even a Joke at Times Gerald Anthony PichA(c),2022-11-03 After the accident I became a strict believer in the Almighty believing the accident happened for a reason to change the sights I had for a useful life instead of being an architect that I went to school for and now forgotten I would now have to look into some new direction I had some writing experience to look at I was going to Bible study groups once or twice a week reading and working on what we read about with some writing to sum up what was taught In this writing I started recreational work as to poetry Some of this work was of thought given religious poems that had good themes The time and place I don't know what it means There a thought given is usually written Reasoning for life is usually explained thought for actions is then remained As one to another time is a fence actions portrayed some of defense The mind was one that was given the thought within is retained from living A purpose has reason for a maker to see sometimes your action is reason to be Other times a purpose is that not in sight making the choice not being right Then again age is a factor for how you choose more in sight to win or to lose Reasoning is many times unexplained but a good thought was unrestrained A thought in practice becomes a choice made a mistake made is one to invade Life is like a gamble then you die Don't rock any cradle don't make em cry Live trying to give back to life don't let it show Love the beast don't let it know Have peace for life killing is banned See the other side I hear it's grand Death is the last step we take I hope you make it for both of our sakes All of his instructions were given your part is in the living Amen Earth is our onetime school to learn God's love obey his rule All for our gain to love and learn graduate in death prepared for our turn Exclaimed with the happiness to see and rejoice spirit lives have a voice Heard for eternity his promise fulfilled that with action thought prewilled You lived for a reason instead of gain in pleasing yourself The End of Book 1 Seeing The Real

The Works of the English Poets, from Chaucer to Cowper Alexander Chalmers,1810 **The Nation** ,1885 The Works of the English Poets, from Chaucer to Cowper: Waller, Butler, Rochester, Roscommon, Otway, Pomfret, Dorset, Stepney, J. Philips, Walsh, Dryden Alexander Chalmers,1810 *Food for Thought* David Fishel,2021-07-07 It s insufficient just to call it a poetry book but some might say that is accurate Progressive satirist songwriter and poet David Fishel invites readers to grab a jay and ease into a wildly diverse and eclectic collection of previously published songs He s known as one of those proud progressive liberals unafraid to share his opinions whose songs run the gamut from humorous poetry to bawdy limericks The real purpose of his satirical song lyrics is to open minds and create a dialogue through political poetry that engages readers to think independently and form their own opinions Yes the political songs shared without music provide the author s unashamed liberal perspective in this diverse poetry book but his genuine desire is to elicit conversation He hopes to reach back to what some refer to as the Age of Enlightenment using the muse of satirical song lyrics and political poetry to pause reflect and ponder on the writings or perhaps share them with a friend It s not just a poetry book for progressive liberals but for open minds and those who appreciate a well metered and rhythmic verse **A Passion for Poetry** Maril Ozanne Garrison,2013-06 A PASSION FOR POETRY Why poetry Why has this ancient craft existed throughout time continuing even into our fast paced age of moderncy and technology Perhaps two reasons 1 The human condition still demands we ask who we are what we are and why we are and 2 space is limited in this form of writing requiring the poet reduce his thoughts into a quick read format Puns pundits quotes poetry and prose capsule 90% of everything the human race believes to be important and true Poets are avatars who define the nature and meaning of our roles They reduce the fabric of our existence to the simplest ingredients of mind soul bones sinew and desire It is the forum that speaks to all reaches all touches all teaches all questions all answers all
