The Publishers Weekly ,2005

The Idle Parent Tom Hodgkinson,2010-05-13 This wise and funny book presents a revolutionary yet highly practical approach to childcare leave them alone The Idle Parent came as a huge relief to the whole family Suddenly it was okay to leave the kids to sort it out among themselves Suddenly it was okay to be responsibly lazy This is the most counterintuitive

but most helpful and consoling child raising manual I've yet read Alain de Botton author of *The Pleasures and Sorrows of Work* and *The Consolations of Philosophy* The most easy to follow without being made to feel inadequate parenting manifesto ever written A godsend to parents *The Sunday Times* Add liberal doses of music jovial company and deep woods to play in all central to the idle not to say Taoist life and you have a recipe for bright happy people with need of neither television nor shrink Who could ask for more *The Evening Standard* In *The Idle Parent* the author of *The Freedom Manifesto* and *How to Be Idle* applies his trademark left of center theories of idleness to what can be one of the thorniest aspects of adult life parenting Many parents today spend a whole lot of time worrying and wondering frantically helicoptering over their children with the hope that they might somehow keep or make them flawless But where is this approach to childcare getting us According to Hodgkinson in our quest to give our kids everything we fail to give them the two things they need most the space and time to grow up self reliant confident happy and free In this smart and hilarious book Hodgkinson urges parents to stop worrying and instead start nurturing the natural instincts toward creativity and independence that are found in every child And the great irony in doing so we will find ourselves becoming happier and better parents

Ponyville Confidential Sherilyn Connelly, 2017-03-28 Beloved by young girls around the world Hasbro's *My Little Pony* franchise has been mired in controversy since its debut in the early 1980s Critics dismissed the cartoons as toy advertisements and derided their embrace of femininity The 2010 debut of the openly feminist *My Little Pony Friendship Is Magic* renewed the backlash as its broad appeal challenged entrenched notions about gendered entertainment This first comprehensive study of *My Little Pony* explores the history and cultural significance of the franchise through Season 5 of *Friendship Is Magic* and the first three *Equestria Girls* films The brand has continued to be on the receiving end of a sexist double standard regarding commercialism in children's entertainment while masculine cartoons such as the *Transformers*

have been spared similar criticism *Suburbia* Eric Bogosian,1997-02-15 When a group of suburban twenty year olds gets together by a convenience store one autumn night to welcome an old pal back from a successful rock tour in Hawaii the evening quickly devolves into an all night whirlwind of drinking sex and violence Made into a film by Richard Linklater director of *Slacker* *Dazed and Confused* and *Before Sunrise* 12 photos **Modern Moonlighting** Roger Dodge Woodson,1997 *Modern Moonlighting* shows readers how to cash in on their abilities and interests and earn thousands of dollars a year in additional income without giving up their nine to five jobs This one of a kind book provides practical ideas on how to achieve financial freedom by using hidden talents from teaching night classes and desktop publishing to selling homemade crafts and sitting for pets Also included are profiles of real life moonlighters hints for how to moonlight without burning out and quick reference tables of the key elements of each business venture **Ainslee's** ,1912 *Unrelenting* George H Morris,2016-05-01 If there is one name in the American equestrian story that everyone knows it is George Morris A horse lover rider carouser competitor taskmaster dreamer teacher and visionary George Morris has been ever present on the rarified stage of the international riding elite for most of the 70 years he s been in the saddle He has represented our country as an athlete and a coach and at one time or another instructed many of our nation s best horsemen and women His carefully chosen perfectly enunciated words are notoriously powerful They can raise you up or cut you to the quick His approval can be a rainmaker his derision can end a career But as much as people know and respect or perhaps fear the public face of George Morris he has lived in other ways a remarkably private life keeping his own personal struggles with insecurity with ambition and with love behind closed doors It is only now that he has chosen in his own words to share the totality of his life the very public and the incredibly private with the world This engrossing autobiography the real story of the godlike George Morris beautifully demonstrates his ultimate humanity
