Life Changing Alasdair Thompson,2013-09 In Life Changing Alasdair Thompson outlines the events surrounding his sacking as chief executive of the Employers and Manufacturers Association New Zealand s largest business membership organisation after twelve years of reorganisation and rebuilding the Association He reveals his upbringing the people and events that shaped him his views on business economics and public policy and outlines a career in local government and in various local authorities and boards We see the man behind the media target and he shares his beliefs and values his crises as well as personal transformation and newfound faith and peace Thompson s was at the centre of a media maelstrom that led to his downfall This book describes how he and his family coped with the aftermath and ultimately moved on happier and stronger Life Changing learning from the past fixing the future By Alasdair Thompson Life Changing is what I have called my book due out early October It is partly autobiographical and partly a commentary on a wide range of political business and media issues including the ethics of some leaders in those fields It s also about my transformation from having been publicly disgraced and humiliated to a happy new and much better person with a wonderful new life Much of what I have written written will be controversial although I did not write it to be so I had some important things to say about business political even media ethics including those of some important leaders in those field The media too rightly comments on such things

like the collapse of finance companies and the many billions of dollars that many retirees have consequently suffered and the increase in the suicide rate among baby boomers The media is constantly covering such things but there are some things they do not hear the whole story about It s a few of these I felt compelled to write about I take responsibility for my fall from public grace for my bad behaviour towards Mihingarangi Forbes the interviewer from Campbell Live when I lost my cool with her this was the bit that Campbell Live producer Pip Keane chose to broadcast on that programme on June 23 2011 Nevertheless I do call Mihingarangi Forbes John Campbell and Pip Keane for what media commentator Dr Brian Edwards at the time called dishonest journalism The book in five parts covers in parts 2 and 3 my downfall as the Employer and Manufacturers EMA CEO in June 2011 which led to my sacking for allegedly bringing the EMA into disrepute on 6 July 2011 even though I had offered my resignation almost immediately It covers how my wife Joan and I coped and ultimately dealt with the maelstrom that followed my comment first made on Mike Hosking s NewstalkZB breakfast show that some women s monthly sickness problems affected their productivity and earnings This escalated when later that afternoon I was interviewed by Mihi Forbes in a 27 minute interview the last 4 minutes of which were chosen by producer Pip Keane as the best bits most controversial to be broadcast that evening on Campbell Live It is mainly parts 2 and 3 of my 5 part book that are the basis of an in depth TV3 3rd Degree programme to be screened on Wednesday 2nd October The programme also looks at my life now my transformation having researched feminism and Christian theology leading to me becoming a Christian travelling extensively overseas and to again become a self employed business advisor and tourist business operator Life Changing is about much more than all this though although it does reveal so much more than was ever made public at the time of my demise mainly because I was barred at the time from talking to the media and my employer
