Six Generations of Richardsons: To and From the Big Muddy Valley Gregory N Richardson, 2017-05-09 This book presents the

stories of the first six generations of the Richardson branch of the author's family in North America. The story begins in 1774 when John Richardson travels from Yorkshire, England, to what became Sackville, New Brunswick, Canada. Settling on land originally homesteaded by politically displaced Acadians, John and two subsequent generations of Christopher's spend their lives farming in Sackville. In 1883, Robert Hay, John's great grandson, moves his family from their farm in Sackville to a homestead 3 miles east of Custer City, South Dakota, in the heart of the Black Hills. While failing in its goal of saving Robert's wife Annie from tuberculosis, it brought our family to the American West. After his death in 1897, three of Robert's sons—Fred, Bob, and Will—joined forces to create the Richardson Brothers Ranch in the Big Muddy Valley in what is now Sheridan County, Montana.

*The Bond King* Mary Childs, 2022-03-15. From the host of NPR's *Planet Money*, the deeply investigated story of how one visionary dogged investor changed American finance forever. Before Bill Gross was known among investors as the Bond King, he was a gambler. In 1966, a fresh college grad, he went to Vegas armed with his net worth of 200 and a knack for counting cards. 10,000 and countless casino bans later, he was hooked, so he enrolled in business school. *The Bond King* is the story of how that whiz kid made American finance his casino. Over the course of decades, Bill Gross turned the sleepy bond market into a destabilized game of high risk, high reward. Founded Pimco, one of today's most powerful, secretive, and cutthroat investment firms, helped to reshape our financial system in the aftermath of the Great Recession to his own advantage and gained legions of admirers and enemies along the way. Like every American antihero, his ambition would also be his undoing. To understand the winners and losers of today's money game, journalist Mary Childs argues, is to understand the bond market, and to understand the bond market is to understand the Bond King.
