

My Secret Garden

THE OUTSPOKEN EROTIC MASTERPIECE

EXPLICIT, SHOCKING AND ABOVE ALL LIBERATING, THESE ARE THE FANTASIES OF WOMEN CELEBRATING THEIR SEXUALITY

'Women today know they are entitled to anger and fantasy in a safe playground. These new women have no models, no blueprint. They have to make themselves up. One of the ways they try out new roles is in their erotic dreams. . . The secrets in female fantasy – the degree and essential meaning of it – only came to me when I realised how many women's fantasies were secret even to themselves: hence the title of my book.'

NANCY FRIDAY

'Today's women are serious workers and mothering is back in vogue, whatever happened to the full-blooded sexuality of the feminist revolution? Nancy Friday, who charted the fantasies of an earlier generation of men and women, argues that fantasy is still the X-ray of our sexual soul.'

GUARDIAN

'Erotica doesn't come more diverse than Nancy Friday's collection of women's fantasies, *My Secret Garden*.'

LIBRARY

'A fascinating book, a funny book, a liberating book, a satirical book, and, yes, an Important Work worthy of a place among the best of sexology.'

A classic work on how women think about sex from the New York Times bestselling author of *My Secret Garden* and *My Mother Myself*. Nancy Friday's groundbreaking books such as *Forbidden Flowers* offered an unprecedented honest look at the inner fantasy lives of ordinary women. In *Women on Top*, Friday returns to this topic, collecting detailed sexual fantasies from over 150 contemporary women from diverse backgrounds. Based on intimate personal interviews and letters, this book updates the conversation started in her earlier works on women's sexual fantasies, detailing how women's erotic lives have changed and remained the same. This absorbing, titillating, and empowering feminist book is also a ribald bedside companion.

Publishers Weekly **Garden of Desires** Emily Dubberley, 2013-09-12

Female sexual fantasy began in 1973 with Nancy Friday's multi-million-selling collection of real women's fantasies, *My Secret Garden*. Until that book was published, female sexual fantasy did not exist, not even within the pages of *Cosmopolitan*, their opinion at the time being "Women do not have sexual fantasies; period." Men do. Friday's book changed all that. Now, exactly forty years on from Friday's masterpiece, leading sex writer Emily Dubberley is curating a brand-new female fantasy classic for the modern era. It's a post-Fifty Shades post-Sex and the City world, and in *Garden of Desires*, hundreds of real women share details of their most private thoughts. This is an exploration of the meaning of desire. Dare to read, dare to dream, and dare to discover the new truths of female sexuality. The stories are red-hot and completely original. And they're going to make your heart beat faster and make headlines nationwide.

Samuel, 2013-02-07 Sexidemic is the first real cultural history of sexuality in the United States since the end of World War II For a people who supposedly love sex the author argues Americans have had no shortage of problems with it Since the end of World War II in fact we ve had a contentious relationship with sexuality the subject a source of considerable tension and controversy on both an individual and societal level Rather than being a simple pleasure of life something to be enjoyed sex has served as a challenging and disruptive force in many Americans everyday lives for the last two thirds of a century Our love affair with sex has thus been a rocky one filled with bumps in the road that have caused major instability across our cultural landscape Our individualistic competitive consumerist and anxious national character is both reflected in and reinforced by this sexidemic something few have recognized or perhaps want to admit By charting the cultural trajectory of sex in America since the end of World War II Sexidemic reveals how the nation s continual woes with sexuality helped make us an anxious insecure people The sex lives of many perhaps most Americans have been in a perpetual state of crisis a constant source of concern We ve fretted over every dimension of it with problems in both quality and quantity With this unhealthy view of sexuality it was not surprising that we felt we needed a variety of potions and gadgets to make it happen or be pleasurable In tracing the cultural trajectory of sex in our society Samuel illustrates our bipolar approach to sexuality low libido and sex addiction emerged as common disorders and sex scandal after sex scandal has made headlines especially over the last couple of years Only money has surpassed sex as a source of stress for Americans indeed sex has come to be seen and treated as a commodity In this timely work the author traces the role sex plays in our society how it shapes us and the world around us and how we got where we are today in our views treatment and practice of sex and sexuality in our everyday lives Trauma's Labyrinth: Reflections of a Wounded Healer Laura K. Kerr, 2022-03-28 2022 Bronze Living Now Book Award 2022 Foreword INDIES Book of the Year Award Trauma can feel like a labyrinth twisting on itself like a maze of despair without end or exit This seems particularly true in today s chaotic world of pandemics climate change social conflict and systemic violence Increasingly the conditions of the

larger world aggravate if not cause the traumas in our individual lives However as Laura K Kerr explores in this wide ranging collection of essays not only can we heal from trauma but we can use it as an opportunity for growth and transformation changing ourselves and the world for the better Drawing from her experiences as researcher trauma survivor and psychotherapist she examines various causes of trauma details how to understand and treat trauma s effects and explores the role society plays in activating traumatic defenses Despite the weightiness of the topic Dr Kerr brings hope for lasting positive change As Dr Kerr shows the key lies in removing rigid divides like those between wounded and healer self and society When they are integrated healing becomes transformative and enduring not only for ourselves but for the increasingly traumatized world in which we live

At Home with Pornography Jane Juffer, 1998 Juffer demonstrates how women s consumption of erotica and porn for their own pleasure can be empowering while simultaneously reinforcing conservative ideals She shows for instance how the Victoria s Secret catalog functions as a kind of pornography whose popularity is enhanced by both its reliance on Victorian themes of secrecy and privacy and by its appeals to the pleasures of modern career women In her pursuit to understand what women like and how they get it Juffer delves into adult cable channels erotic literary anthologies sex therapy guides cyberporn masturbation and sex toys showing the degrees to which these materials have been domesticated for home consumption

The Masochistic Pleasures of Sentimental Literature Marianne Noble, 2000-04-04 For generations critics have noticed in nineteenth century American women s sentimentality a streak of masochism but their discussions of it have over simplified its complex relationship to women s power Marianne Noble argues that tropes of eroticized domination in sentimental literature must be recognized for what they were a double edged sword of both oppression and empowerment She begins by exploring the cultural forces that came together to create this ideology of desire particularly Protestant discourses relating suffering to love and middle class discourses of true womanhood She goes on to demonstrate how sentimental literature takes advantage of the expressive power in the convergence of these two discourses to imagine women s romantic desire Therefore in sentimental literature images of eroticized domination are not antithetical to female pleasure but rather can be constitutive of it The book however does not simply celebrate that fact In readings of Warner s *The Wide Wide World* Stowe s *Uncle Tom s Cabin* and Dickinson s sentimental poetry it addresses the complex benefits and costs of nineteenth century women s literary masochism Ultimately it shows how these authors both exploited and were shaped by this discursive practice *The Masochistic Pleasures of Sentimental Literature* exemplifies new trends in Third Wave feminist scholarship presenting cultural and historical research informed by clear lucid discussions of psychoanalytic and literary theory It demonstrates that contemporary theories of masochism including those of Deleuze Bataille Kristeva Benjamin Bersani Noyes Mansfield are more relevant and comprehensible when considered in relation to sentimental literature
