My Secret Life Walter,2019-05-06 One of the strangest and most obsessive books ever written My Secret Life is a memoir probably a fake one written by an anonymous gentleman calling himself Walter It consists of eleven volumes originally published privately by the author himself between 1888 and 1895 The story spans over several decades Walter an incurable upper class womaniser works his way through prostitutes servants and working class women His steamy sexual encounters and countless This book collects volumes five and six of this erotic Victorian classic **Reading Sexualities**

Donald E. Hall,2012-08-06 Reading Sexualities confronts the reigning practices priorities and preoccupations of queer theory and sexuality studies Looking at a range of texts from novels to travel narratives to internet porn Donald E Hall deftly weaves the theoretical with the literary in order to examine the vexed ethical critical and political questions arising from sexual consumerism and cross cultural encounters read the changing landscape of sexual identity finding great cause for optimism and enthusiastic engagement urge readers to embrace a far reaching dialogic practice as a mechanism for furthering radical social change Reading Sexualities shows how our sexual desires and bases for identification are being widely challenged and changed Drawing on hermeneutic theory and the work of Hans Georg Gadamer Hall argues that by approaching sexual diversity with openness and humility we become active participants in the politically urgent process of reading the self through the perspective of the other **Ordinary Oralities**

Josephine Hoegaerts,Janice Schroeder,2023-08-07 Histories of voice are often written as accounts of greatness great statesmen notable rebels grands discours and famous exceptional speakers and singers populate our shelves This focus on the great and exceptional has not only led to disproportionate attention to a small subset of historical actors powerful white western men and the occasional token woman but also obscures the broad range of vocal practices that have informed co created and given meaning to human lives and interactions in the past For most historical actors life did not consist of grand public speeches but of private conversations intimate whispers hot gossip or interminable quarrels This volume suggests an extended practice of eavesdropping rather than listening out for exceptional voices it listens in on the more mundane aspects of vocality including speech and song but also less formalized shouts hisses noises and silences Ranging from the Scottish highlands to China from the bedroom to the platform and from the 18th until the 20th century contributions to this volume seek out spaces and moments that have been documented idiosyncratically or with difficulty and where the voice and its sounds can be of particular salience In doing so the volume argues for a heightened attention to who speaks and whose voices resound in history but refuses to take the

modern equation between speech and presence representation for granted

My Secret Life on the McJob: Lessons from Behind the Counter Guaranteed to Supersize Any Management Style Jerry Newman, 2007-01-02 Once upon a time a Ph D went to work at Mickey D's And what he found was illuminating Jerry Newman a college professor who has taught business courses for nearly 30 years went undercover as a bottom rung worker for the biggest names in fast food including McDonald's and Burger King Newman found that fast food chains were the perfect petri dishes for covert research High pressure high volume businesses with high employee turnover The pecking order was also crystal clear from fry cook all the way up to store manager Of the seven restaurants where Newman worked some were high morale high productivity machines Others were miserable misplaced circles of hell Yet one common trait stuck out from them all Each restaurant's respective manager determined the climate of the work environment Go behind the fast food counter with Newman and see what happens on an average day on the McJob how the restaurants are run for better or worse how managers reward good employees when raises are impossible believe it or not bosses give em more hours and it works how morale and motivation spring directly from the manager's office and how a few simple adjustments to your own management style the Supersized Management Principles in this book can transform and invigorate your workplace

Unauthorized Pleasures Ellen Bayuk Rosenman, 2018-08-06 Recent books and exhibitions have shown that Victorians were not so straitlaced about sexual matters as has been popularly assumed Ellen Bayuk Rosenman's engrossing and enlightening book proves that the Victorians were extraordinarily articulate and resourceful when it came to expressing their sexual desires Narratives of erotic experience were written justified to the conservative culture and circulated for the pleasure of readers Rosenman's exploration of masculinity and femininity in Victorian sexual storytelling includes an account of the spermatorrhea panic that terrified the men of Britain tells of Theresa Longworth's erotic revisions of the romance plot and takes up the exhaustive even exhausting pornographic epic My Secret Life Drawing on social history court cases medical literature popular novels and the diaries and letters of everyday life Rosenman looks beyond the usual sexual suspects homosexuals and prostitutes for example to address a range of pleasures that emerged from the ideological structures meant to contain them She asserts that however powerful ideology is it does not script erotic repertoires in definitive or predictable ways and that individuals can find ways of evading or easing its constraints

The 19th Century Underworld Stephen Carver, 2018-10-30 Underworld n 1 the part of society comprising those who live by organized crime and immorality 2 the mythical abode of the dead under the earth Take a walk on the dark side of the street in this unique exploration of the fears and desires at the heart of the British Empire from the Regency dandy's playground to the grim and gothic labyrinths of the Victorian city Enter a world of gin spinners sneaksmen and Covent Garden nuns where bare knuckled boxers slog it out for dozens of rounds children are worth more dead than alive and the Thames holds more bodies than the Ganges This is the Modern Babylon a place of brutal poverty violent crime strong drink pornography and prostitution of low neighborhoods and crooked houses with windows out like broken teeth

wraithlike urchins with haunted eyes desperate ruthless and vicious men and the broken remnants of once fine girls a grey bleak infernal place where gaslights fail to pierce the pestilential fog and coppers travel in pairs if they venture there at all Combining the accessibility of a popular history with original research this book brings the denizens of this vanished world once more to life along with the voices of those who sought to exploit imprison or save them or to simply report back from this alien landscape that both fascinated and appalled the politicians the reformers the journalists and above all the storytellers from literary novelists to purveyors of penny dreadfuls Welcome to the 19th century underworld *My Secret Life-Volumes 1-3 (Classic Victorian Erotica)* ,2012-06-02 My Secret Life by Walter is the memoir of a Victorian gentleman s sexual development and experiences It was first published in a private edition of eleven volumes which appeared over seven years beginning around 1888 Its frank discussion of sexual matters and other hidden aspects of Victorian life make it a rare and valuable social document It has been described as one of the strangest and most obsessive books ever written

Encyclopedia of Prostitution and Sex Work Melissa Hope Ditmore,2006-08-30 The cliché is that prostitution is the oldest profession Isn t it time that the subject received a full reference treatment This major 2 volume set is the first to treat in an inclusive reference what is usually considered a societal failing and the underside of sexuality and economic survival The A to Z encyclopedia offers wide ranging entries related to prostitution and the sex industry past and present both worldwide mostly in the West and in the United States The topic of prostitution has high interest appeal across disciplines and the narrative entries illuminate literature art law medicine economics politics women s studies religion sociology sexuality film popular culture public health nonfiction American and world history business gender media education crime race technology performing arts family social work social mores pornography the military tourism child labor and more It is targeted to the general reader who will gain useful insight into the human race through time via its sex industry and prostitution An introduction overviews the scope of prostitution from the earliest historical records including the Bible User friendly lists that are alphabetically and topically arranged help the reader find entries of interest as does the comprehensive index A chronology proffers significant dates related to the topic Each entry is signed and has suggestions for further reading Sample entries Abolition Actresses Augustine Saint Barr Candy Bible Camp Followers Chamberlain Kahn Bill of 1918 Child Prostitution Clothing Contagious Diseases Acts of 1864 1866 and 1869 Crime Debby Doesn t Do It for Free Dickens Charles Devadasi Entrapment Fallen Woman Trope Feminism Films Cult Five Points Free Love Geisha Globalization Guidebooks Hip Hop HIV AIDS and the Prostitution Rights Movement Human Rights Incest Internet Jack the Ripper Kama Sutra League of Nations Lulu Male Stripping Mann Act Mayhew Henry Memoirs Migration and Mobility Nazi Germany Poetry Purity Movements R Religion Salvation Army Scapegoating Slang Storyville Temporary Marriage Unions Venice Window Prostitution **Reclaiming Lives from Sexual Violence** Tim Donovan,Dale Johns,2022-03-28 This book takes an innovative approach to using narrative therapy in counselling people who have been subject to childhood sexual abuse

Reclaiming Lives from Sexual Violence presents an illustrative case study of the authors Tim the therapist in consultation with Dale the client who was sexually abused as a child by a clergy member The book is unique in documenting their therapeutic work using transcripts taken directly from their sessions together This narrative approach invites the reader to consider different ways of engaging in therapy in order to challenge the dominant social discourses around masculinity and shame Looking at shame from a position of value awareness rather than a deficit perspective this book extends counselling to consider the individual experience as political and one that must be shared outside the one to one therapy environment This will be an essential resource for beginning or established therapists and practitioners working with clients who have been victims of sexual violence [The Voyeur's Motel](#) Gay Talese, 2016-07-12 The controversial chronicle of a motel owner who secretly studied the sex lives of his guests by the renowned journalist and author of Thy Neighbor's Wife On January 7 1980 in the run up to the publication of his landmark bestseller Thy Neighbor's Wife Gay Talese received an anonymous letter from a man in Colorado Since learning of your long awaited study of coast to coast sex in America the letter began I feel I have important information that I could contribute to its contents or to contents of a future book The man Gerald Foos then divulged an astonishing secret he had bought a motel outside Denver for the express purpose of satisfying his voyeuristic desires Underneath its peaked roof he had built an observation platform through which he could peer down on his unwitting guests Over the years Foos sent Talese hundreds of pages of notes on his guests work that Foos believed made him a pioneering researcher into American society and sexuality Through his Voyeur's motel he witnessed and recorded the harsh effects of the war in Vietnam the upheaval in gender roles the decline of segregation and much more In The Voyeur's Motel the reader observes Talese observing Foos observing his guests An extraordinary work of narrative journalism it is at once an examination of one unsettling man and a portrait of the secret life of the American heartland over the latter half of the twentieth century Daily Mail UK This is a weird book about weird people doing weird things and I wouldn't have put it down if the house were on fire John Greenya Washington Times
