want They may come from opposite extremes but if straitlaced Gabe and hot headed Daisy can look beyond their differences they just may strike the perfect balance The Billionaire s Stubborn Lover Nathan and Carolina are prepared to make sacrifices for their families but they ll have to learn to let go of the past to embrace the future Green architect Nathan Maxfield has always gone his own way At 26 he s been happy to let his older brothers take charge of their father s construction company while he focused on environmentally friendly pursuits With the business rebounding after a series of setbacks now it s up to Nathan to prove his worth He ll have to tame his risk taking style to please a conservative new client but he soon realizes his work will put a beautiful young mother in jeopardy At 24 years old Carolina Valdez has more on her plate than most women Between her failed marriages caring for her kids and helping with her mother s restaurant she hardly has time for a personal life When she learns the restaurant will be torn down to make way for new construction she ll have to work even harder to keep the business going The architect is her soon to be brother in law and Carolina expects a fight Instead she finds herself getting lost in Nathan s hazel eyes When Carolina and Nathan come together despite their differences others start working to tear them apart To find happiness they ll have to move on from the mistakes of their past
