My Friend Lenny A Memoir:

My Friend Lenny Ouida Blatt Mintz, Carol Montparker, 2000 Ouida Blatt Mintz tells of her life in music as it paralleled that of her teenaged friend Leonard Bernstein. She studied with the same piano teacher, played with orchestra before he did. She made choices which sent her in a different direction from Bernstein but kept her friendship with him through the years, meeting him for the final time at his last concert just two months before he died ten years ago. She also tells stories about her remarkable family, other friends such as Mike Wallace of CBS with whom she played violin duets. Later she wrote pop music in the 50s, hired a short Queens College student to sing over 15 of her demos, sometimes singing duets with him. It was Paul Simon. She talks about the highs, the tragedies of her life: losing her sister, her youngest son, both of whom were artists. But she found ways to turn tragedies into something positive. For example, she introduced the younger sister of the girl who died in the drowning accident with her son to one of her former piano students. They are now married with three children. After her husband died, she found a friend through the personals. Ray Sandeford, Ray, a former TV editor, has typeset the entire book, including the scanning of over 150 photographs. Both Ouida and Ray are octogenarians; they have now been together for 10 years. About the book, Mike Wallace says, "I really enjoyed the nostalgia." Alexander Bernstein, Lenny's son, says, "I was touched, amused by your memories of my father. Much of what you describe was news to me. I was delighted by the way you capture the energy, not only of the man but of the times as well." Morton Estrin, a contemporary esteemed pianist, said, "It is destined to become one of the most important contributions to future historians in their searches for detailed information about our musical life."

Memoir of a Race Traitor Mab Segrest, 2019-09-24 Back in print after more than a decade, the singular chronicle of life at the forefront of antiracist activism with a new introduction and afterword by the author, Mab Segrest's book is extraordinary. It is a political memoir, but its language is poetic and its tone passionate. I started it with caution and finished it with awe and pleasure. Howard Zinn. In 1994 Mab Segrest first explained how she had become a woman haunted by the dead. Against a backdrop of nine generations of her family's history, Segrest explored her experiences in the 1980s as a white lesbian organizing against a virulent far right movement in North Carolina. *Memoir of a Race Traitor* became a classic text of white antiracist practice. bell hooks called it a courageous and daring example of the reality that political solidarity forged in struggle can exist across differences. Adrienne Rich wrote that it was a unique document and thoroughly fascinating. Juxtaposing childhood memories with contemporary events, Segrest described her journey into the heart of her culture, finally veering from its trajectory of violence toward hope and renewal. Now, amid our current national crisis driven by an increasingly apocalyptic white supremacist movement, Segrest returns with an updated edition of her classic book. With a new introduction and afterword that explore what has transpired with the far right since its publication, the book brings us into the age of Trump and to what can and must be done. Called a true delight and a must read, *Minnesota Review*. *Memoir of a Race Traitor* is an inspiring and politically potent book. With brand new power and relevance in 2019, this is a book that far

Dialogues: The Memoirs of Diomedes Lenny Cavallaro, 2023-06-10 TROJAN DIALOGUES offers a very unusual rendition of the Tale of Troy as seen through the eyes of the Greek hero Diomedes The novel reconciles the different accounts conveyed in Homer s immortal ILIAD and other classical epics with the latest archaeological evidence The author presents a somewhat more plausible interpretation of what may indeed have been historical events along with highly imaginative explanations of the thousand ships Greeks bearing gifts Helen s elopement with Paris Achilles sexual preferences and of course the Trojan horse We shall never know precisely what if anything transpired on the shores of Asia Minor during the Late Bronze Age but TROJAN DIALOGUES brings us much closer to a realistic though still highly romanticized picture
