

# MY SUMMER HOLIDAY

My name is Lorna and I love the summer! Because I am a teacher, I don't work in the summer. I have holidays in July and August. I usually spend my summer with family. I love going to the beach and swimming in the pool. In summer I sometimes wake up early in the morning and go for a walk. When I get home I have a shower and have breakfast. This summer I want to visit my friends and go to new places.

What's in my beach bag? I usually take flip flops, suncream, sunglasses, a cap and a swimsuit.

additional demands such as getting up to speed with changes and dealing with stereotypes from others. Despite changes in legislation and an increase in workplace policies, progress in supporting parental returners is still limited. Managers often lack the experience, time or skills to effectively manage those returning from parental leave, whilst parental returners may not recognise how they can best support themselves. This practical evidence based guide sees the return to work as a shared responsibility aimed at professionals who are returning after taking parental leave and managers who are supporting these parental returners. Grounded in psychological research, this book provides examples and practical tools and techniques for new parents to equip themselves for both going on parental leave and returning to the workplace. For managers, there is clear guidance and checklists to effectively support these returning parents. *Bend It Like Bullard* Jimmy Bullard, 2014-05-22

Jimmy Bullard may not have had the perfect hair, do his Granada *Ghia* may not have been the flashiest of cars and he definitely didn't have a string of Page 3 girls trying to sell kiss and tell stories about him to the tabloids. But what he has in spades is a genuine love for *The Beautiful Game* that few of his peers can match. One of the last graduates from football's old school, Jimmy actually worked in the real world, including as a painter and decorator, before turning pro. Maybe that's why he played football with a smile on his face, always says what's on his mind and is no stranger to a spot of mischief. Having played under the likes of Barry Fry, Harry Redknapp and Phil Brown, appeared alongside names as diverse as Neil Ruddock and Paolo Di Canio and as long as Jan Vennegoor of Hesselink, Jimmy has racked up an amazing collection of tales and pranks, both on and off the football front line. Told with candour, *Bend It Like Bullard* is the extraordinary story of his journey from cable TV fitter to cult hero. It will make you smile, chuckle and occasionally ROFL. **1966 And Not All That** Mark Perryman, 2016-06-21

A unique 50th anniversary collection of superlative writing and new football thinking. A first ever oral history of 66 combined with match reports provided by writers from each of the countries England played, create a highly original view of the tournament. How the fans watched the games, the stadia, the newspaper and TV reporting are each revisited. The politics, music and fashion of 66 are examined too, exploring the forces of fan resistance in England and Germany that have found common cause in opposition to the corporate take over of the game, as well as the entirely new ranking system that calculates England's fall and occasional rise from 1966 to 2016, showing who has overtaken England and why. **Education Marketing** Tony Attwood, 2005 *Yule Need a Drink* Editors of Cider Mill Press, 2025-09-30.
