My Holidays in China William R. Kahler, 1895 Memories of a Nobody Alan Hodgkiss, 2002 WARNING This book has been written using down to earth language and contains many colloquialisms from the north of England it is intended to entertain and not offend It is difficult to write a book using words and phrases that will be understood on both sides of the Atlantic But I did try to meet you half way and there is a Glossary at the back If all else fails you can always phone a friend If you are a prude or feel that you may not be able to understand the content please do not buy this hilarious book Decisions decisions If you have decided to ignore the well intended warnings thank you for buying it and enjoy Please take it to the cashier and pay for it if you are reading it in a bookstore the worst that can happen is you will learn how not to write a book at a bargain price But if you decide not to buy it I can only say you don t know what you are missing It all began On 3rd September 1939 war was solemnly declared between Germany and England followed shortly after by a somewhat different declaration between my parents As a result of these two actions I was born in Bolton Lancashire 8th July 1940 into a world of turmoil noise and frequent blackouts I didn t realize at that time I was too busy learning how to pee and poo that the worst had yet to come toffee rationing it was hard growing up exchanging worthless clothes coupons for the more important Dolly Mixtures etc However in contrast to the nappy there was a silver lining to this introduction to life it taught me the art of bartering which has been of great help to this date Having set the main themes of this book weird sense of humour and the art of creative bargaining I will attempt to recall enough details of my somewhat different life and the odd joke to keep your interest At worst you will throw it away or throw up My father Bob was a coach painter and mother Phyllis a cotton weaver I say this to let you know from the start that I was not born with a silver spoon in my mouth my upbringing was based on love and morality for which I am so grateful The Cheapskate Monthly: Debt-Proof Your Holidays Mary Hunt, 1997-11-15 Enjoy
