## **My Lady Caroline:**

**The Complete Works** Thomas Hardy, 2022-11-13 Thomas Hardy's *The Complete Works* is a monumental collection that showcases the literary prowess and thematic depth of one of England's greatest novelists and poets. Rich in symbolism and often tinged with a sense of fatalism, Hardy's works explore the complex interplay of society, nature, and individual destiny. His distinctive narrative style, characterized by vivid descriptions, psychological insight, and a profound understanding of rural life, offers readers a comprehensive glimpse into the struggles and triumphs of human experience against the backdrop of an evolving Victorian landscape. This anthology includes not only his celebrated novels such as *Tess of the d'Urbervilles* and *Jude the Obscure* but also poetry that reflects his philosophical musings on life, love, and loss. Hardy, born in 1840 in Dorset, England, was profoundly influenced by his rural upbringing and the socio-economic changes of his time. His initial career as an architect ingrained in him a strong appreciation for structure and form, which would later manifest in his novels and poetry. The recurrent themes of tragedy, desire, and moral ambiguity in his works often echo his personal experiences, including the heartaches and societal critiques that shaped his worldview. For readers seeking a deep introspective journey through the human condition, *The Complete Works* is an indispensable addition to their literary repertoire. Hardy's timeless insights and keen observations remain relevant, making this collection a must-read for those interested in the complexities of life, the limitations of society, and the richness of the human spirit.

**My Lady's Secrets** Katy Moran, 2024-07-04 *Perfection*. This is the kind of story that sucks you in and you forget what is going on around you. NetGalley reviewer 5, Regency England. When rebellious aristocrat Cressida and Lord Greville parted ways, they swore never to meet again. Their short marriage had already descended into bitter estrangement, destroyed by scandal and betrayal. Years later, Greville is a soldier in the Peninsular War, and Cressida is following the drum as another man's lover. Scorned by society, she has learned to survive as a spy until the day she is caught behind enemy lines by none other than Greville himself. Threatened with paying the ultimate price, Cressida is offered a deal she must entrap and betray the most famous man in England. And Greville, unforgiving, angry, and still shockingly attractive, must ensure she complies. Catapulted to the heights of fame, Lord Byron is just as chaotic, charming, and ruthless as he was when he, Greville, and Cressida were teenagers. As the three old friends gather for a summer house party in the Scottish Highlands, Cressida is forced to confront her past and ask herself a terrifying question: is it too late for she and Greville to fight for one another at last? Readers LOVE Katy Moran. It's smart, sexy, suspenseful, and witty all in one. NetGalley reviewer 5. This book is probably going to be among my top 10 favourite books I read in 2024. NetGalley reviewer 5. If you're searching for a book that seamlessly blends captivating characters with a compelling plot, this is a shining example.
