My Last Busy Season:

My Last Busy Season Jerry Gorman, 2004 Simon Rockaway appears to be a topnotch CPA firm with glamorous clients in sports real estate and entertainment But look closely and you find its flamboyant leader Frankie Rockaway is a publicity seeking schemer and his inner circle of partners little more than street thugs embezzlers and corrupt hustlers What attracted a young and innocent Cody Gardiner to this firm Why do the partners treat him so well and what does he do when he finds out who they really are It all starts one summer on the rocky coast of Maine when Cody as a teen ager falls in love with the beautiful daughter of Kaptain Teal the legendary circus promoter Their plans to meet again are ruined but neither will ever forget the adventures they had or the promises they made Years later Cody marries Jessica Brilliant and desirous she stumbles upon an opportunity to make a fortune working on a secret project with Cody s ex boss the distinguished Harold Wilcox which puts the pair directly up against Simon Rockaway Can Jessica out smart Frankie Rockaway and his cronies while hiding her involvement from Cody And all the while can Cody keep his new secret relationship with the flirtatious and irresistible Sandy Munsen from Jessica Follow the dangerous but sentimental trail of three generations of the Gardiner family through the shadowy corners of America s boardrooms the back offices of big time sports and the magical folklore of the old European circus bands as Cody s and Jessica s separate worlds collide and explode in a whirlwind of love lust blackmail and revenge

imagination to life it wasn't until in his mid twenties when a white puppy brought steady companionship into Steven's life As they began their 14 year journey of roaming the open road Ghost grew into a beautiful dog and quite the ham Despite Steven's awkwardly social demeanor he crossed paths with wanderers loners and those searching for a place in this world misfits like himself adding adventure and romance to his own search of finding his place in this world Along the way Steven stumbled upon God The rules of religion couldn't hold him either finding himself instead wrestling with the creator of this universe more so than walking with Him He could never part with that daredevil spirit causing the second half of this book to be more thrilling than the first To write a book felt daunting because Steven had never written for anyone to read Ten years soared by and as the writing of it transformed into the greatest adventure of his life infused between the lines is a literary magic beyond him which occurs when a book and its writer merge into one Not only are some of the challenges and lessons learned the hard way of creating this book included in his memoir breathed into his story is what writing this book has burned into Steven's own heart
