My Life Among the Serial Killers Helen Morrison, Harold Goldberg, 2009-10-13 In this memoir a forensic psychiatrist chronicles her work with more than 80 serial killers and her thoughts on what compels them Judging by appearances Dr Helen Morrison has an ordinary life in the suburbs of a major city She has a physician husband two children and a thriving psychiatric clinic But her life is more than that She is one of the world's leading experts on serial killers and has spent as many as four hundred hours alone in rooms with depraved murderers digging deep into killers' psyches in ways no profiler ever has before In *My Life among the Serial Killers* Dr Morrison relates how she profiled the Mad Biter Richard Otto Macek who chewed on his victims' body parts stalked Dr Morrison then believed she was his wife She did the last interview with Ed Gein who was the inspiration for Alfred Hitchcock's *Psycho* John Wayne Gacy the clown obsessed killer of young men sent her crazed Christmas cards and gave her his paintings as presents Then there was Atlanta child killer Wayne Williams rapist turned murderer Bobby Joe Long Fred and Rosemary West who killed girls and women in their Gloucester House of Horrors and Brazil's deadliest killer of children Marcelo Costa de Andrade Dr Morrison has received hundreds of letters from killers read their diaries and journals evaluated crime scenes testified at their trials and studied photos of the gruesome carnage She has interviewed the families of the victims and the spouses and parents of the killers to gain a deeper understanding of the killer's environment and the public persona they adopt She has also studied serial killers throughout history and shows how this is not a recent phenomenon with psychological autopsies of the fifteenth century French war hero Gilles de Rais the sixteenth century Hungarian Countess Bathory H H Holmes of the late nineteenth century and Albert Fish of the Roaring Twenties Through it all Dr Morrison's goal has been to discover the reasons serial killers are compelled to murder how they choose their victims and what we can do to prevent their crimes in the future Her provocative conclusions will stun you Praise for *My Life Among the Serial Killers* A scary piece of work with even scarier implications Kirkus Reviews A profoundly enlightening book Morrison provides startling insights into what factors breed serial killers and she avoids the broad generalizations that make other books of the topic seem slick and superficial This is an absorbing disturbing book that makes it clear just how much we have yet to learn Booklist

Unholy Communion-Lessons Learned from Life Among Pedophiles, Predators, and Priests Hank Estrada, 2005-03-10 Turning to the Catholic Church as a means of healing from childhood abuse Hank Estrada looked for consolation and comfort but instead found cruel deception and ultimate religious betrayal at the hands of a very powerful religious machine and in particular one manipulative deviant priest *UnHoly Communion* is a shocking and candid account of

one man's personal battle with the darker side of the Catholic Church Read the author's first hand accounts of how the Catholic Church continued to shamefully protect one of its sexual predators while he moved on from one victim to another In this heart wrenching memoir Estrada describes his road to hell and back as he lived through devastating sexual scandals and found the courage to persevere This inspiring story of determination and resilience is for anyone who has struggled with any type of childhood abuse adult exploitation or the unspeakable sex crimes from once trusted clergy Estrada connects with the reader and shows us how hope peace and love can be found if you don't give up *The Moral Life of Children* Robert Coles,2007-12-01 An in depth investigation from the renowned child psychiatrist and Pulitzer Prize winning author Fascinating Los Angeles Times Book Review In this searching vivid inquiry Robert Coles shows how children struggle with questions of moral choice Bringing to life the voices of children from a rich diversity of backgrounds including regions plagued by poverty or social unrest he explores their reactions to movies and stories their moral conduct their conversations and relationships with friends and family and their anxieties about themselves and the fate of the world Whether they are from the poorest classes of Rio de Janeiro or middle class America these children lead lives of intense moral awareness What meaning do terms like conscience or moral purpose hold for malnourished sick poorly clothed children in Brazilian slums or South African hovels children whose main goal is to survive another day In attempting to answer this question child psychiatrist Coles shows how children in the most trying circumstances manage to maintain their moral dignity Publishers Weekly **The Political Life of Children** Robert Coles,2007-12-01 A groundbreaking study of the impact of current events on the lives and minds of children from the Pulitzer Prize winning child psychiatrist Most parents teach their children the lessons and skills they need to function in the world while trying to shield them from the harsher realities of life But long before children are considered ready to face the complications of the real world they are learning truths and perspectives most adults imagine are beyond them Child psychiatrist and author of *The Spiritual Life of Children* Robert Coles traveled the globe for more than a decade from Northern Ireland to Nicaragua South Africa to Southeast Asia across the United States and beyond conducting in depth interviews with children about their cultures ideologies national pride and political knowledge He learned that the greater challenges traumas conflicts and issues of the world around them find their way into children's impressionable minds and play a crucial role in their development Robert Coles unique and groundbreaking research sheds much needed light on the psychology of childhood revolutionizing both professional and personal understanding of humans formative years Robert Coles is to the stories that children have to tell what Homer was to the tale of the Trojan War The New York Times Book Review **My Life and Experiences Among Our Hostile Indians** O. O. Howard,2001 This book was written by Major General O O Howard in an attempt to tell his life story and personal experiences among the Indian tribes that he came into contact with as a result of war Written in autobiographical form this piece captures the essence of the opinion of many military men had concerning the Indian tribes with whom we shared this

country While many of the author s experiences were founded in peace making it is difficult to overlook his general acknowledgement of savagery and hostility among the Indians This work chronicles the conflict between the Indian tribes and the pioneers as the two groups battles for land and the right to live as they pleased Within this conflict was the idea of civilization This process is discussed in detail as the white settlers attempted to press their own customs and lifestyles upon the ancient Indian tribes

The Spiritual Life of Children Robert Coles,1991-10-10 A look at faith through the voices of children from varied religious backgrounds by the Pulitzer winning author of *The Moral Intelligence of Children* A New York Times Notable Book What do children think about when they consider God Heaven and Hell the value of life in the here and now and the inevitability of death Child psychiatrist Pulitzer Prize winning writer and Harvard professor Robert Coles spent thirty years interviewing hundreds of children from South America and Europe to Africa and the Middle East who are developing concepts of faith even as they struggle to understand its contradictions Be they Catholic or Protestant Jewish children from Boston Pakistani children in London agnostics Native Americans or young Christians in the American South they offer honest enlightening and sometimes startling ideas of a spiritual existence A Hopi girl who knows for a fact that we are resurrected as birds an African American child who believes God exists as a hurricane to blow away drug dealers a young Christian who needs his faith to cope with the death of his sister lest she be just a big heartache to us till the day we die and a Tennessee child who rationalizes his belief by admitting that if there s no God that s all there is ashes *The Spiritual Life of Children* is a remarkable book The generosity of vision that characterizes Dr Coles s enterprise enables him to create a climate where words of great beauty and truthfulness can be spoken The New York Times
