My Life As A Seer The Lost Memories:

My Life as a Seer Edgar Cayce,1999-10-21 The personal memoirs of the renowned psychic describe his discovery of his extraordinary powers as a young boy his personal life and career as a spiritualist and his teachings on thousands of topics

The Remnant: the Legend of the Seer M.J. Chrisman,2011-11-14 Rain drenched his clothing as a mob of people circled around him blocking him in their barrier of tightly formed bodies The faces of the great host blurred before him he couldn't make out a single expression He gazed at his chest and saw blood trickling down and falling into pools of water beneath his feet At the same time he held a sword firmly in his grasp He inched his gaze upward and realized that he had seen this all before A soft glow suddenly began to emanate from his body Starting small it grew more and more brightly until he was totally consumed with light power surging through his being William Ore then let out a terrible war cry that tore into the hillsides as he charged into the multitude

Seers Kristine Bowe,2013-08-01 On the surface Leesie's just another seventeen year old orphan bouncing from one high school to the next In actuality she's a Seer on clandestine missions Leesie possesses the power to travel into layers of memory manipulating her conquests as directed by the clandestine organization of Seers and her enigmatic preceptor Tobias When challenged by her latest mission Leesie will be left questioning where her true loyalty lies Why is it suddenly difficult to obtain the information she needs What's allowing her to remember fragments of her hazy past And why is it so hard for Leesie to see who has been plotting against her all along An engrossing contemporary novel SEERS explores the fine line between friend and foe and the beauty of determining which memories new and old make us who we are SEERS is the winner of the National Association of Elementary School Principals NAESP Children's Book Competition in the Chapter Book category

Child of Light Terry Brooks,2021-10-19 NATIONAL BESTSELLER The electrifying first novel of an all new fantasy series from the legendary author behind the Shannara saga about a human girl struggling to find her place in a magical world she's never known Enticing Brooks's fans will be thrilled to have a new series to savor Publishers Weekly At nineteen Auris Afton Grieg has led an unusual life Since the age of fourteen she has been trapped in a Goblin prison Why She does not know She has no memories of her past beyond the vaguest of impressions All she knows is that she is about to age out of the children's prison and rumors say that the adult version is far far worse So she and some friends stage a desperate escape into the surrounding wastelands And it is here that Auris's journey of discovery begins for she is rescued by a handsome yet alien stranger Harrow claims to be Fae a member of a magical race that Auris had thought to be no more than legend Odder still he seems to think that she is Fae as well although the two look nothing alike But strangest of all when he brings her to his wondrous homeland she begins to suspect that he is right Yet how could a woman who looks entirely Human be a magical being herself Told with a fresh energetic voice this fantasy puzzle box is Terry Brooks as you have never seen him before as one young woman slowly unlocks truths about herself and her world and in doing so begins to heal both

Lost Magik C. L. Vincent,2009-02 C L Vincent lives in the forests of northern Minnesota

Although self described as a recluse constantly surrounded by his family Vincent has traveled extensively throughout the Middle East Africa Europe and New Zealand His wealth of knowledge and experience in both ancient and contemporary cultures creates in the Lost Magik trilogy a fantasy world before recorded history With the creative imagination of cinema and a literary style unique in the world of fantasy authors Vincent establishes in his trilogy an insightful contribution to the origin of human behavior which develops from the intersecting shadows of light and dark good and evil In his first venture into the publishing world with Lost Magik Vincent purposely steps out of the defined and popularly followed boundaries of the fantasy genre Like the forests in which he lives Vincent takes the reader through an adventure that is at first dense and slow going Clearings appear suddenly but the ensuing tangle of underbrush can trip up a reader who is unexpectedly looking for a cookie cutter style typical of fantasy series When asked for an extensive interview on the release of Lost Magik Vincent declined but offered this explanation When a work of art speaks to me in that moment the last thing I want is for the artist to stand next to me and tell me who he is and why he painted what he did When pushed to offer a few more details about himself Vincent reluctantly complied I both fish a lot and fix motorcycles My greatest success in life is to earn my living without a career My family and friends are not at all surprised by the Lost Magik trilogy but they are surprised to find in all of my characters so little of them and so much of me It is not easy to live in the real world where I want everything to be all about me Ah but in a fantasy world it is my stage where I get to play every role When asked why he did not publish a nonfictional account of the physical and cultural anthropology for any one of many ancient civilizations he laughed and gave a wizardly wink as he answered Maybe I did The other books that continue the story Invisible Thread Where the Mountains Meet the Sea Eclipse of Fate...my healing journey through past-life recall Barbara Burritt,2005-10 *The Seer's Lover* Kat de Falla,2014-06-04 For years Calise Rowe has been able to sense unusual energy from people making her believe she is different Pulled into an ancient war raging for centuries between demon hunters and seers she s about to find out she s right Her search for the truth leads her to Lucas Rojas a seer of angels and demons who walk the earth shrouded from normal human eyes He s hidden his gift for years and refuses to endanger Calise by sharing it with her In the sultry Costa Rican Jungles their worlds collide As their passion and desire ignite so does the ancient war between demons and seers Will their combined efforts be enough to save themselves and the entire human world or will their new found love be their downfall
