My Life In My Hands:

My Life in God's Hands Wesley Watts, 2018-02-15 As I sit here in the eighty fifth year of my life I think back over the years and ask myself what I have ever done to have God bless me as he has Well I dont have a clue except something a pastor told me a long time ago He said Wes the only way that other people will know what God has done in your life is if you tell them So let me take you back as far as I can remember as the song says Lets start at the very beginning **My Life Is in God's Hands** Shereice Garrett, 2012-05 Life is forever changing always evolving So when one thinks about their own life many things come to mind Among things we are more likely to dream about are our goals and aspirations for our life However one must not forget about having fun as well What happens when you are thrown that unfortunate curve ball that changes your life forever Do you throw it back Do you keep it as a souvenir What do you do My Life Is In God s Hands tells the story of a courageous Black woman who was thrown many curve balls in life She did not give up Instead she used her faith in God to guide her thru life s byways and highways Her experiences taught her she was safe and tucked away in the mercy and blessed hands of God Even when her life flashed before her eyes more than once even when she had to learn to walk again more than twice she held on to God s unchanging hands trusting and believing that although her earthly vessel tried to leave her spirit would always remain intact and be safe in the hands of God **My Life** Colette Keefe, 2015-04-29 Colette Keefe brings us an emotional poignant account of her turbulent childhood in which she was physically emotionally and sexually abused Into her adulthood these traumatic experiences manifested themselves in an array of mental illnesses including depression and Obsessive Compulsive Disorder When a tragedy strikes Colette is forced to confront her issues despite the stigma and shame associated with these misunderstood problems What begins is a courageous road to healing which continues today Her story of reclaiming her life is an inspiration for anyone who has experienced abuse or dealt with mental illness It is a book about acceptance forgiveness and ongoing recovery *Touching Stories of My Life in Journey to Christian Holiness and Hands- on Patient Care in a Weeping Healthcare* Ramsis F. Ghaly FACS, MD, 2019-08-26 This is the twelfth book of the series Christianity and the Human Brain It integrates the neuroscience and the Bible the Holy Book of our Lord Jesus My love for our Lord Jesus Christ abides with my lifetime passion for neurosurgery and medicine my continual obsession of spiritual connectivity of the Holy Spirit to the human brain that indeed separates mankind from all other living creation It has been my belief that the human brain does not limit itself to the physical skull but rather extends in a nonphysical form to the outside spiritual world even while living on earth In other words a big part of the human brain is actually outside the skull and the body As I perform brain surgeries for three decades I realize my theory is so true The majestic human brain can t be just the 1 500 grams of jelled matter inside the skull The human journey therefore is transforming the human brain to become a brain of a man of God and the hand of man to a hand of a man of God The spiritual human brain never dies only the flesh It is the center of my calling and unrelenting meditations while roaming in the

heartfelt spirit lacking the physical proof that science demand of me My life is dedicated to my Lord Jesus patients and residents As a physician I have reached the top in America I am a professor of both neurological surgery and anesthesiology and I am well published in famous medical journals As an academic teacher I trained for more than thirty four years graduating thousands of trainee But all is nothing as I strive for the Christian holiness and fullness In a weeping healthcare with many patients falling victims I included actual patients miracles testimonials and sincere quotes as a testament to the Almighty and the dire need for faith and integral goodhearted medicine This book is full of many vibrant stories that I love to share It is timely since I consider my generation soon will be viewed obsolete to the future generations and what will remain are the books I authored The book is a text of wealth covering broad and diverse topics of my life s journey in 134 chapters and organized over 14 sections So many chapters are written about my special love for Lord Jesus Christ and His children In poems deep reflections and spiritual release of mind I wrote extensively In fact I shut my senses and impersonated the human brains of the men of God and the children of the Most High in their prominent biblical stories A special section is dedicated to the mothers newborns and little children While my soul is grieving a section is designated on the ongoing Christian persecution especially the genocide of Christians in my country Egypt the ancient region of the Middle East and the oldest historic continent of Africa Furthermore I wrote some of my dreams and thoughts that I couldn t otherwise convey for one reason and another such as neuroscience in aerospace and some of the timely touching subjects like drug overdose human trafficking and healthcare crises Few chapters included are about my personal views and introducing spirituality into the recent turmoil in politics Friends human life starts with love and ends with eternal love for our Savior It is never enough to share our love write about love and talk about actual love stories of heavenly roses joy Christmas healing touch miracles and our calling for his purpose This is what my twelfth book is all about Touching Stories of My Life in Journey to Christian Holiness and Hands- on Patient Care in a Weeping Healthcare Ramsis Ghaly MD FACS,2019-08-31 This is the twelfth book in the series Christianity and the Human Brain It integrates neuroscience and the Bible the holy book of Jesus My love for Jesus Christ abides with my lifetime passion for neurosurgery and medicine I have a continual obsession for spiritual connectivity between the Holy Spirit and the human brain which indeed separates mankind from all other living creation It has been my belief that the human brain does not limit itself to the physical skull Rather it extends in a nonphysical form to the outside spiritual world even while living on earth In other words a big part of the human brain is actually outside the skull and the body After performing brain surgeries for three decades I have realized that my theory is so true The majestic human brain can t be just the 1 500 grams of jelled matter inside the skull The human journey therefore is transforming the human brain into the brain of a man of God and transforming the hand of man into the hand of the man of God The spiritual human brain never dies Only the flesh does This is the center of my calling and my unrelenting meditations while roaming in the heartfelt spirit lacking the physical proof that science demands from me My life is dedicated to Jesus to

Stewart, 2022-12-18 **My Life, My Journey, My Soul** Doreen Gravelle, 2018-01-03 I dedicate this book to my father and mother. Without them I would not have become the person I am. I was born in 1938 to a wonderful set of parents. My mother and father were people who gave of themselves. They instilled so many virtues in me that I am very thankful for. To my family who had to put up with me through the good times and the bad. To everyone that I have met along the way while I was following my life's path. And most of all to God whose help has given me the desire for knowledge and the courage to follow my heart.
