## **My Life My Times And The Future:**

*My Life, My Times, My Poems* John Anthony Banfield, 2009-01-29 John's life started at the beginning of World War Two when he was evacuated from London as a baby to various homes in the South of England. Some were very good homes but others were a nightmare. *My Life, My Time* Richard Nicholls, 2012-06-14 Richard Nicholls I find the autobiography easy reading. However what is even more exciting is that the author has added life to his story by recreating the environment and circumstances in which each event took place as if they were occurring at the time of his writing. Weusi Tafawa More than a million thanks for patiently sharing your life's journey including your joy and pain. Your never ending love will continue to serve as a source of inspiration and as an eye opener to our windows to the future. Lawrence Nicholls I am amazed that my grandfather has been able to express his thoughts so clearly at the age of ninety one. You are truly blessed. Malika Tafawa After reading my grandfather's account of his life I now know the source of my courage strength enthusiasm and sense of adventure. Thanks grandad. Omolara Tafawa Lyte This book is captivating as it tells of the sacrifices made by a man who was working towards the success of all his children. Nkasia Nicholls An awe inspiring short read. *My Life My Time* is an astonishing story written by a man of wisdom and imagination. Vilma Tafawa *Dogfella* James Guiliani, Charlie Stella, 2015-06-02 How did a former mob enforcer become a compassionate advocate for animals in need of loving homes? How did his hardened heart open up to the plight of abused and abandoned pets? James Head Guiliani was an unlikely candidate to become a passionate animal rescuer. Raised in a religious family in a blue collar neighborhood, James became involved in street gangs at a young age. By his mid twenties he'd become a 6'2" 250 pound enforcer for the Gambino crime family during the reign of infamous mob boss John Gotti. But after years of worsening alcohol and drug use and a stretch in the Riverhead Correctional Facility, James finally hit bottom. It was then that he met Lena Perrelli who helped turn his life around, providing the love and support he'd rejected in the past. And when the couple rescued an abandoned and abused shih tzu, the second phase of James's salvation began. Lovingly named Bruno, the small dog opened the former enforcer's hardened heart and James discovered a new purpose in life as a devoted animal rescuer. *Dogfella* tells how this onetime altar boy from Queens became a gang member, a mob confidante, an addict and convicted felon, and how he found redemption by dedicating his life to animals. Alongside his personal journey, James shares stories from his rescue missions with Keno's Animal Rescue Shelter in Brooklyn, saving pit bulls from a dogfighting ring, driving through six foot snowdrifts to reach 200 cats stranded in a blizzard, taking in homeless ducks from Staten Island and many more. Sometimes scary, sometimes funny, and often poignant, James's story shows how the love of an animal can bring even the most hopeless cases a new purpose and a path to redemption. *Future Me Saves the World (and Ruins My Life)* Leah Cypess, 2025-06-03 In this hilarious illustrated middle grade novel in the vein of *Diary of a Wimpy Kid* and *Matt Sprouts* and *The Curse of the Ten Broken Toes*, a boy's time travelling older self gives him an impossible mission: convince his class to be nice to their substitute teacher or risk the fate of

the world Ethan seems like a normal ten year old but he has a secret It s not that he s the one who accidentally filled the sunblock container with glue last summer or that he cracked the screen on his sister s phone and blamed it on their baby brother Those things may have happened but they ve got nothing on this No Ethan s secret is that he knows time travel is real because his future self keeps coming back to visit him Lucky Ethan right Wrong Because when Ethan s future self shows up he tends to bring bad news and he s kind of bossy Not to mention he s always wearing super weird clothes This time around he s asking Ethan to do one simple thing make sure today s substitute teacher doesn t quit or else one day she ll become an evil dictator who will destroy the planet But his future self clearly forgot what fourth grade is like because if there s one thing Ethan s class is great at other than losing their homework it s tormenting substitute teachers **L.
