**The Reality of My Life** Mark Benoit, 2012-02 The reason why I wrote *The Reality Of My Life* is to explain to the world what I went through as a child and how impossible it seemed during my growth and development for me to achieve my success educationally I often wondered why I should go through all these pains as a child and why was I so despised by my mother who should be loving protecting and guiding me to the best of her ability There were times that I felt all hope was going away from me but through the power of the Almighty God I got the aspiration to change the negative aspect of my life into positivity While going through the pressures of life I had no one to turn to At nine years my older brother became my mentor and the principles he taught me never left me although it was for only one year Today I can say to the world that I have a voice and I hope anyone will be encouraged by my ability to fight and win **A Peace of My Life** Nicholas

*My Life Outside the Ring* Hulk Hogan, Mark Dagostino, 2009-09-23 In *My Life Outside the Ring* Hulk Hogan legendary wrestler come reality star reflects on his life family and career and shares how he has found inspiration during difficult times Hulk Hogan born Terry Bollea burst onto the professional wrestling scene in the late seventies and went on to become a world wrestling champion many times over From humble beginnings this giant of a man escaped a pre-ordained life of dock and construction work in Port Tampa Florida to become one of the most recognizable celebrities on the planet He did it through sheer will grit determination and a drive to always go over the top and do more than what others thought possible From the outside his story was one of a charmed life he was at the top of his career had a wonderful and loving family and a lifelong fan base who worshiped him Of course he had his up and downs including hints of steroid abuse and his falling out with WWE and Vince McMahon but two years tested Hogan more than any other in his lifetime In 2007 while riding the

massive success of his VH1 reality show Hogan Knows Best his son Nick was involved in a tragic car accident that left his best friend in critical condition Then Linda his wife left him after 23 years of marriage his beloved daughter Brooke blamed him for the breakup and his son went to jail The tabloid media had a field day When unflattering jailhouse conversations between him and his son were released to the press the tabloids were in a frenzy The sudden turmoil and tragedy surrounding Hogan took its toll He fell into a deep depression seeing no way out until one fateful phone call In My Life Outside the Ring Hogan will unabashedly recount these events revealing how his newfound clarity steadied him during the most difficult match of his life and how he emerged from the battle feeling stronger than ever before I was right there leaning on the side of the car with my hands when I finally saw Nick my only son folded up like an accordion with his head down by the gas pedal Nick I yelled I could see he was alive He turned his head he stuck his hand out and gave me a thumbs up For a second I was relieved Then the chaos set in The noise of engines Sirens A saw Paramedics pulling John from the passenger seat So much blood I can't even describe to you how panicked I was The police and firefighters surrounding us seemed panicked too The firefighters started cutting the side of the car open to try to get Nick out and I'm still standing right there when I hear my boy screaming No no no stop Stop You're gonna cut my legs off Dad Just unbuckle the seatbelt I can get out So I reach in and I push the button on his seat belt and Nick just crawls right out His wrist was broken His ribs were cracked None of that mattered He was gonna be okay But not John John wasn't moving from MY LIFE OUTSIDE THE RING
