Silas Edgar Farquhar

My Little Georgie:

My Little Georgie David Warren Swartley, 1983-06 A story of love and devotion between a single foster father weathering the disappointments and heartaches in his own life and an unwanted young boy struggling to get by in a world that has forgotten and scorned him

Darling Georgie Dennis Friedman, 2014-02-01 Eminent psychiatrist Dennis Friedman turns his acute gaze on our present Queen Elizabeth's grandfather King George V 1885-1936 to reveal the man behind the monarch Taking as his starting point the widely held belief that the personality and behavior of parents and grandparents have a powerful influence on the children and grandchildren and even great grandchildren Dr Friedman's insightful biography contains new evidence It suggests an emotional inheritance partly derived from his father Edward VII's psychologically damaging upbringing at the hands of Queen Victoria that he was to pass on to his own children In the case of George a suffocating relationship with his mother compounded by the absence and neglect of his father caused him as a child to suffer extreme separation anxiety which was reinforced by his being sent away to boarding school at the age of 11 where he was bullied by other victims of similar parenting His often unhappy time in the Navy and later sexual development is also scrutinized as are his years on the throne History depicts George V as a model husband a near perfect father and a self-confident monarch Dr Friedman's study of his personal life reveals a quite different man whose legacy is still evident in today's royals

Frank Leslie's Pleasant Hours, 1884 *A Crooked Rib* Judy Corbalis, 2015-07-29 A compelling novel based on the disastrous and scandalous marriage of New Zealand's Governor Sir George Grey and his lively young wife Eliza Lucy Trapped in an increasingly loveless union Sir George and his wife Eliza Lucy each sought affection elsewhere Lady Grey's indiscretion caused her to be cast off by her husband and vilified throughout colonial and domestic Victorian high society Her fall from grace was broadcast by The Times of London eventually reaching even the ears of Queen Victoria and Prince Albert Meanwhile the nature of Sir George's liaison with his young Maori protégé was to remain only the subject of speculation Eliza's life is revealed through the perspective of the fictitious English orphan Fanny Thompson who offers an intriguing interpretation of Sir George's behaviour But Fanny too finds herself drawn by the lure of an exotic culture and is forced to question the nature of love and to confront her own values
