My Little Of Frogs And Toads:

Myakka P J Benshoff,2015-10-17 Discover the story of the land of Myakka This book takes you into shady hammocks of twisted oaks and up into aerial gardens down the wild and scenic river and across a variegated canvas of prairies piney woods and wetlands all located in Myakka River State Park the largest state park in Florida Each adventure tells the story of a unique facet of this wilderness area and takes you into secret places it would take years to discover on your own Whether you re visiting the park for the first time or have frequented the area since childhood the adventures described here are sure to awaken your primitive instincts to explore the unknown If you return to the same places at different times of the year you ll find enough adventures to last a lifetime You ll never be one of those people who asks Whats there to do in the park today

Frogs! Laurence Pringle,2021-09-14 Are kids going to love this book Is a frog waterproof The latest title in the popular Strange and Wonderful series delivers the awe inspiring variety of frogs the world s hoppiest amphibians Did you know that the Goliath frog is more than a foot long Or that the tiny gold frog could sit on a dime Some frogs have camouflage Others wear bold colors warning their enemies that they are poisonous Some frogs leap others hop one is a runner and a few glide from tree to tree with their big webbed hands and feet Surprising facts and beautiful realistic nature illustrations come together in this celebration of one of nature s most fascinating marvels

The Toad and the Frog and Other Fables Kenneth L. Haley,2021-11-15 The Toad and the Frog and Other Fables provides an entertaining and instructive set of new fables for young readers The ten fables bring in a range of animals like pigs frogs snakes hares moles mice alligators and more The fables are not overly didactic but they do provide some valuable lessons for life in general Many of the settings and characters were inspired by the childhood of the author growing up on a farm Our increasingly urban lives provide some advantages to young readers but the lack of interaction with nature and farm animals also makes the connection to our environment more difficult The realistic settings and actions of the animal characters recreate some of these life experiences The realistic settings are combined with the fantasy of talking animals to provide interesting stories with something learned by the characters The lessons are applicable to our lives and are provided to support the important formation of our life experience The result combines entertainment with instruction Some of life s best lessons are those learned unintentionally
