My Lost Mexico:

My Lost Mexico James Albert Michener, 1992 Michener tells the poignant story of how he dreamed of writing an epic novel of Mexico actually wrote most of the novel and lost the manuscript Its discovery 30 years later led to the recent bestseller Mexico Also includes the never before published novella The Texas Girls My Lost Mexico James Michener, 1993

Michener Stephen J. May, 2012-11-27 James A Michener was one of the most beloved storytellers of our time captivating readers with sweeping historical plots that educated and entertained In this first full length biography of the private as well as the public Michener Stephen J May reveals how an aspiring writer became a best selling novelist It is the only book to draw on Michener s complete papers as well as interviews with his friends and associates The result conveys much about Michener never before revealed in print May follows the young Michener from an impoverished Pennsylvania childhood to the wartime Pacific where he found inspiration for *Tales of the South Pacific* a book that led to a string of best sellers including *The Source Centennial Chesapeake* and *The Covenant* May provides insights into Michener s personal life his three marriages his unique working methods and his social and political views He also reveals the author s hypersensitivity to criticism his egotism and his failure on some occasions to acknowledge the contributions of his assistants Examining Michener s body of writing in its biographical and cultural contexts May describes the creation of each novel and assesses the book s strengths and shortcomings His close readings underscore Michener s innovativeness in presenting mountains of historical and cultural research in an engaging literary form This probing biography establishes Michener s place in twentieth century letters as it offers an unprecedented view of the man behind the typewriter *Violence Elsewhere 1* Clare Bielby, Mererid Puw Davies, 2024 Explores what postwar German representations of violence in other places and times tell us about Germany Germany s 20th century history has made imagining and representing violence in German culture especially challenging it has made certain constructions of violence unspeakable even unthinkable As a result new ways of thinking about violence in postwar German culture are needed One such approach is critical analysis of violence elsewhere that is representations in literature art and film of violence in distant imagined or temporally distinct times and places Such representations have offered Germans a stage on which to imagine violence Moreover German representations of violence elsewhere are simultaneously images of Germany itself revealing something about otherwise submerged or deeply encoded meanings and functions of violence in German culture This volume explores what representations of violence elsewhere tell us about Germany Its essays consider cultural products that arose from East West and reunified Germany and that imagine violence in Latin America Vietnam Cambodia the USA and the Middle East as well as in the respective other German state and in the German past Drawing on film literary gender cultural and postcolonial studies as well as visual culture history and life writing they also introduce theoretical perspectives that are transferable beyond German Studies As such they allow us to reflect more broadly on relationships between violence culture community and the creation of identities Edited by Clare

Bielby and Mererid Puw Davies Contributors Se n Allan Martin Brady Evelien Geerts Katharina Karcher J J Long Ernest Schonfield and Katherine Stone On publication the chapter Problematizing Political Violence in the Federal Republic of Germany A Hauntological Analysis of the NSU Terror and a Hyper Exceptionalized 9 11 is available as Open Access under the Creative Commons license CC BY NC ND

Down and Delirious in Mexico City Daniel Hernandez, 2011-02-08 MEXICO CITY with some 20 million inhabitants is the largest city in the Western Hemisphere Enormous growth raging crime and tumultuous politics have also made it one of the most feared and misunderstood Yet in the past decade the city has become a hot spot for international business fashion and art and a magnet for thrill seeking expats from around the world In 2002 Daniel Hernandez traveled to Mexico City searching for his cultural roots He encountered a city both chaotic and intoxicating both underdeveloped and hypermodern In 2007 after quitting a job he moved back With vivid intimate storytelling Hernandez visits slums populated by ex punks glittering drug fueled fashion parties and pseudo native rituals catering to new age Mexicans He takes readers into the world of youth subcultures in a city where punk and emo stand for a whole way of life and sometimes lead to rumbles on the streets Surrounded by volcanoes earthquake prone and shrouded in smog the city that Hernandez lovingly chronicles is a place of astounding manifestations of danger desire humor and beauty a surreal landscape of cosmic violence For those who care about one of the most electrifying cities on the planet *Down Delirious in Mexico City* is essential reading David Lida author of *First Stop in the New World*

Midnight in Mexico Alfredo Corchado, 2013-05-30 Named one of the best true crime books of all time by Time In the last six years more than eighty thousand people have been killed in the Mexican drug war and drug trafficking there is a multibillion dollar business In a country where the powerful are rarely scrutinized noted Mexican American journalist Alfredo Corchado refuses to shrink from reporting on government corruption murders in Juarez or the ruthless drug cartels of Mexico A paramilitary group spun off from the Gulf cartel the Zetas controls key drug routes in the north of the country In 2007 Corchado received a tip that he could be their next target and he had twenty four hours to find out if the threat was true Rather than leave his country Corchado went out into the Mexican countryside to trace investigate the threat As he frantically contacted his sources Corchado suspected the threat was his punishment for returning to Mexico against his mother s wishes His parents had fled north after the death of their young daughter and raised their children in California where they labored as migrant workers Corchado returned to Mexico as a journalist in 1994 convinced that Mexico would one day foster political accountability and leave behind the pervasive corruption that has plagued its people for decades But in this land of extremes the gap of inequality and injustice remains wide Even after the 2000 election that put Mexico s opposition party in power for the first time the opportunities of democracy did not materialize The powerful PRI had worked with the cartels taking a piece of their profit in exchange for a more peaceful and more controlled drug trade But the party s long awaited defeat created a vacuum of power in Mexico City and in the cartel controlled states that border the United States The cartels went to war with one another in the mid 2000s

during the war to regain control of the country instituted by President Felipe Calderón and only the violence flourished The work Corchado lives for could have killed him but he wasn't ready to leave Mexico not then maybe never Midnight in Mexico is the story of one man's quest to report the truth of his country as he raced to save his own life **Violence Elsewhere [2 Volume Set]** Clare Bielby, Mererid Puw Davies, 2024 This two volume set explores what postwar German representations and imaginings of violence in other places and times tell us about Germany **The Larkin Papers** Thomas Oliver Larkin, 1968

Gómez-Peña Unplugged Guillermo Gómez-Peña, 2020-12-30 Gómez-Peña Unplugged is an anthology of recent and rewritten classic writings from Guillermo Gómez-Peña a figure who stands alone as unique and ground breaking in the history of performance art and as the artistic director of transdisciplinary performance troupe La Pocha Nostra Throughout this collection Gómez-Peña tackles literature theory pedagogy activism and live art in an eclectic mix that demonstrates how the process of writing is simultaneously a performative exercise in embodied language The writing stands as a call for action utilizing what Gómez-Peña terms imaginary activism and radical citizenship it invites the reader to embrace a borderless polygendered crossgenerational and race literate ethos This timely anthology comes straight from the heart of a troubled Trump era United States and a crime cartel ridden Mexico Artists and writers are prompted to engage in radical performance pedagogy within the civic realm and to think of themselves as public intellectuals and activists participating in the great debates of our times By encouraging emerging artists and writers to wildly imagine their practice beyond the normative art world and academia this book is a fundamental read for scholars and students of performance art political theatre cultural studies literature poetry activism and race and gender politics Performance Art Live or Time Based Art Cultural Studies Experimental Poetry Multiculturalism Social Practice Chicano Latino Border Art Literature Relational Aesthetics Public Art Artivism Activism Psychomagic Ritual Literary Studies Anthropology Sociology Ethnic Gender Studies Queer Women Studies Post Colonial Theory Techno Art Cyborgian Studies Exoticized Fetishized Identities Deconstruction Stereotypes Binaries Anti Essentialism Anti Nationalism Radical Citizenship Anti Racism Race Gender Literacy **The Man who Could Fly and Other Stories** Rudolfo A. Anaya, 2006 Spanning a period of thirty years a collection of eighteen short stories includes Silence of the Llano In search of Epifano and Children of the Desert **Migranthood** Lauren Heidbrink, 2020-04-28 Migranthood chronicles deportation from the perspectives of Indigenous youth who migrate unaccompanied from Guatemala to Mexico and the United States In communities of origin in Guatemala zones of transit in Mexico detention centers for children in the U S government facilities receiving returned children in Guatemala and communities of return young people share how they negotiate everyday violence and discrimination how they and their families prioritize limited resources and make difficult decisions and how they develop and sustain relationships over time and space Anthropologist Lauren Heidbrink shows that Indigenous youth cast as objects of policy not participants are not passive recipients of securitization policies and development interventions Instead Indigenous youth draw from a rich social

cultural and political repertoire of assets and tactics to navigate precarity and marginality in Guatemala including transnational kin social networks and financial institutions By attending to young people s perspectives we learn the critical roles they play as contributors to household economies local social practices and global processes The insights and experiences of young people uncover the transnational effects of securitized responses to migration management and development on individuals and families across space citizenship status and generation They likewise provide evidence to inform child protection and human rights locally and internationally
