McKnight, 2011-03-23 This amazing story of survival will capture you from Prelude to Ending It will shock and disturb the deepest parts of your being In it you will walk the path of a little girl so utterly destroyed by those entrusted with her care You will feel her strength to survive as the town's people around her ignored the child's cry Trecia Ann will allow you into her thoughts her exasperating fears that haunt her soul Trecia Ann is an adorable little girl with bright blue eyes and long brownish blonde hair At the age of five the sweet kindergarten child is filled with joy and innocence Her mother spends time

each morning preparing her child for school with braids in her hair and a kiss on her cheek to start her day Her older brother is the second greatest person she knows He is only 18 months older but in her eyes he is her hero and her best friend Then on one cold December night however her life would change in an instant The cold of the winter wind would not be as chilling as the rush of fear through her body After spending a wonderful weekend celebrating her fifth birthday with her father and grandparents the last happy memory would be her grandmother's hug as she said goodbye returning the young children to their mother and pulling away as they ran up the walkway to their door As she went rushing inside to search out her mom and tell her about the amazing birthday presents she carried under her arms the little girl would stop dead so fast with fear that she almost stumble over her own two feet There sitting on the old style 1960's turquoise colored couch was the devil himself In that brief second her hairs on the back of her neck froze and the rush of fear that shot through her soul was colder than the winter wind blowing around outside Trecia's mother came walking out of the kitchen to welcome her daughter with a hug but as she stepped towards her mother she was shaken by the huge thick hands of evil reaching out for her She stood between her mother's legs grabbing hold for protection Then her mom spoke words that would haunt her forever Trecia Ann honey this is going to be your new Daddy Her dad was wonderful and loving but this man had eyes so cold they shined like steel and as he reached for her the temperature dropped and she unconsciously shook with terror Two months later her life would be changed forever This devil that dominated their house would control every moment of her day and terrorize each of her nights This man would degrade beat stalk taunt molest and rape this girl for the next twelve years The mother she loved would no longer care if her beautiful daughter rotted in his sadistic attacks Trecia would be denied any medical care for the filth that ate away at her skin She would never receive any dental care or be provided with even a toothbrush The school the towns people and even the police would ignore but whisper about the ugliness of this child Her school mates just children would tease or turn away The once shining bright eyes of a child now carried only pain and loneliness It is only after years of healing that Trecia Ann has now chosen to remove the coal stained hand that trapped and held her silent The horrific secrets of her past and the behaviors of a trained abused child are now being shared It is my own childhood of nightmares that I use to speak out for the millions of survivors who carry the terrifying traumas of their past We all deserve to have roses in our garden of life and it is by talking that we can truly help to educate and protect those who cannot speak out and protect themselves

**When My Mommy Dies, Can I Live with You?** Carolyn McLendon, 2012-05 Joy desperately reaches out for help because her single mom is dying Living in an underprivileged part of town their lives are filled with sickness violence fear and danger When My Mommy Dies Can I Live with You gives a glimpse of how an average empty nester couple were compelled to help Joy They learn the awful reality of the poverty and terror in a part of the city just a few miles from their home God protects Joy and orchestrates events so their lives intersect I have known Dave and Carolyn for over thirty years We have two girls the same ages as their two daughters I have seen tremendous Christian growth in their lives over these

years The story in this Christ centered book does not surprise me It is filled with their practical faith and tender hearts as they continue to reach out to hurting people It is informative as it exposes the dilemma of poor people whose lives have been affected by the HIV AIDS virus and other social problems It is challenging as it forces the reader to evaluate the quality of his her own Christianity It is almost a diary of their experiences and the reader will be a different person in many ways when the book is closed Ben West retired pastor and missionary to the Philippines *An Extraordinary Life of a Little Girl Named*
