VOICE Norie Neumark, Ross Gibson, Theo Van Leeuwen, 2023-12-05 Perspectives on the voice and technology from discussions of voice mail and podcasts to reflections on dance and sound poetry Voice has returned to both theoretical and artistic agendas In the digital era techniques and technologies of voice have provoked insistent questioning of the distinction between the human voice and the voice of the machine between genuine and synthetic affect between the uniqueness of an individual voice and the social and cultural forces that shape it This volume offers interdisciplinary perspectives on these topics from history philosophy cultural theory film dance poetry media arts and computer games Many chapters demonstrate Lewis Mumford's idea of the cultural preparation that precedes technological innovation that socially important new technologies are foreshadowed in philosophy the arts and everyday pastimes Chapters cover such technologies as voice mail podcasting and digital approximations of the human voice A number of authors explore the performance performativity and authenticity or authenticity effect of voice in dance poetry film and media arts while others examine more immaterial concerns the voice's often invoked magical powers the ghostliness of disembodied voices and posthuman vocalization The chapters evoke an often paradoxical reassertion of the human in the use of voice in mainstream media including recorded music films and computer games Contributors Mark Amerika Isabelle Arvers Giselle Beiguelman Philip Brophy Ross Gibson Brandon LaBelle Thomas Levin Helen Macallan Virginia Madsen Meredith Morse Norie Neumark Andrew Plain John Potts Theresa M Senft Nermin Saybasili Amanda Stewart Axel Stockburger Michael Taussig Martin Thomas Theo van Leeuwen Mark Wood

Women Escaping Violence Elaine J. Lawless, 2013-03-07 The statistics are alarming Some say that once every nine minutes a woman in the United States is beaten by her spouse or partner Others claim that once every four minutes a woman in the world is beaten by her spouse or partner More women go to emergency rooms in the United States for injuries sustained at

the hands of their spouses and partners than for all other injuries combined Shelters for battered women are filled beyond capacity every single day of the year Despite the overwhelming evidence that violence in our homes is a daily reality most of us are not willing to acknowledge this private violence or talk about it openly Women Escaping Violence brings women s stories to the attention of the academy as well as the reading public While we may be unwilling or unable to talk about the issue of battered women many of us are ready to read what women have to say about their endangered lives Considerable scholarship is emerging in the area of domestic violence including many self help books about how to identify and escape abuse Women Escaping Violence offers the unique view of battered women s stories told in their own words as well as a feminist analysis of how these women use the power of narrative to transform their sense of self and regain a place within the larger society Lawless shares with the reader the heart wrenching experiences of battered women who have escaped violence by fleeing to shelters with little more than a few items hastily shoved into a plastic bag and often with small children in tow The book includes women s stories as they are told and retold within the shelter in the presence of other battered women and of caregivers It analyzes the uses made of these narratives by those seeking to counsel battered women as well as by the women themselves

The Red Ribbon Nancy Freund Bills,2025-07-30 In the summer of 1994 a freak lightning and thunder storm explodes on the southern coast of Maine killing

Nancy Bills's husband and critically wounding her younger son. She promises her late husband that she will write their family's story and bind it with a red ribbon of love and courage. In language alternately tender and gritty, *The Red Ribbon* documents the aftermath of Bills's husband's death. As a wife, she grieves and attempts to rebuild her life; as a mother, she strains to be the parent her young adult sons need. Then, one year later, she is faced with more loss: this time, the father whom she adores. After his death, other deaths, some anticipated and others unpredictable, follow. Meanwhile, the impending death of her aging mother is a particular challenge. Nancy struggles to be a good daughter and, on many visits to Montana, her home state, she tries to mend their painful history. Insightful, moving, and full of intelligence and humanity, *The Red Ribbon* is a story of surviving the many and often devastating lightning strikes of life and a gift of compassion and wisdom for readers who are struggling with their own losses.

Searching for Mercy Street Linda Gray Sexton, 2011-04-10 A New York Times Notable Book of the Year. A candid, often painful depiction of a daughter's struggles to come to terms with her powerful and emotionally troubled mother, the Pulitzer Prize-winning poet Anne Sexton. New York Times: This is an honest, unsparing memoir of the anguish and fierce love that bound a difficult mother and the daughter she left behind. Linda Sexton was 21 when her mother killed herself, and now she looks back, remembers, and tries to come to terms with her mother's life. Growing up with Anne Sexton was a wild mixture of suicidal depression and manic happiness, inappropriate behavior, and midnight trips to the psychiatric ward. Anne taught Linda how to write, how to see, how to imagine, and only Linda could have written a book that captures so vividly the intimate details and lingering emotions of their life together. *Searching for Mercy Street* speaks to everyone who admires Anne Sexton and to every daughter or son who knows the pain of an imperfect childhood.

Her Turn Allison Jones, 2021-01-21 Addie Snyder's first novel is becoming an overnight sensation. Unprepared for being thrust into the limelight, she is desperate to shelter her brother Owen, who has Down syndrome. After her father abandoned them when Owen was just a baby, she is his sole guardian after her mother passed away. She must protect him from the harsh world, but how can she do that with public events coming up? An unlikely ally in her cold and emotionless publicist, Jameson Ford. As a former Navy Seal, Jameson has his own demons, but there is something about Addie that defrosts his icy wall. Together, they navigate the twists and turns as her book becomes a world-wide phenomenon. Her life becomes even more complicated when her long-lost father arrives, threatening to take Owen away from her, and her distant relatives trying to hoard in on Addie's success. But through the drama, Addie maintains her humor while popping chocolate kisses as if they were Xanax and seeking solace behind her computer, creating stories that fill her soul. Even though all of her dreams are coming true, no one can prepare her for what lies ahead. It's true when they say: be careful what you wish for.

Good Daughter Jasmin Darznik,2025-05-01 We were a world of two my mother and I until I started turning into an American girl That s when she began telling me about The Good Daughter It became a taunt a warning an omen Jasmin Darznik came to America from Iran when she was only three years old and she grew up knowing very little about her family s history When she was in her early twenties on a day shortly following her father s death Jasmin was helping her mother move a photograph fell from a stack of old letters The girl pictured was her mother She was wearing a wedding veil and at her side stood a man whom Jasmin had never seen before At first Jasmin s mother Lili refused to speak about the photograph and Jasmin returned to her own home frustrated and confused But a few months later she received from her mother the first of ten cassette tapes that would bring to light the wrenching hidden story of her family s true origins in Iran Lili s marriage at thirteen her troubled history of abuse and neglect and a daughter she was forced to abandon in order to escape that life The final tape revealed that Jasmin s sister Sara The Good Daughter was still living in Iran In this sweeping poignant and beautifully written memoir Jasmin weaves the stories of three generations of Iranian women into a unique tale of one family s struggle for freedom and understanding The result is an enchanting and unforgettable story of secrets betrayal and the unbreakable mother daughter bond

The Seamstress Sara Tuval Bernstein,1999-05-01 From its opening pages in which she recounts her own premature birth triggered by terrifying rumors of an incipient pogrom Bernstein s tale is clearly not a typical memoir of the Holocaust She was born into a large family in rural Romania and grew up feisty and willing to fight back physically against anti Semitism from other schoolchildren She defied her father s orders to turn down a scholarship that took her to Bucharest and got herself expelled from that school when she responded to a priest teacher s vicious diatribe against the Jews by hurling a bottle of ink at him After a series of incidents that ranged from dramatic escapes to a year in a forced labor detachment Sara ended up in Ravensbruck a women s concentration camp and managed to survive she tells this story with style and power Kirkus Reviews
