Insurrection J.C. Hammer, 2020-04-14 When we took that first step onto Pomonan soil we thought we d succeeded in our mission of peace Little did we know that experiment was just beginning And that we had a long rough road to travel yet Four hundred years have passed since the arrival of the Migrants on the planet of Pomona and the young colony has already endured generations upon generations of violence The democratic Federation born from the ashes of a broken government has now been dissolved overcome by the corrupt and fanatical Socialist Union What began as an interstellar experiment of peace is now proof of humankind s unique genetic affinity for war After decades of Union domination Ari Kirche a young Federation boy from seemingly insignificant origins finds himself in a land he was never supposed to know about In an accidental twist of fate he discovers a secret from the past that is sure to ignite the flames of war once more Revolution is in the air Immerse yourself in a new world written by Los Angeles local author J C Hammer THE ALPINE INSURRECTION is built for fans of science fiction novels based in reality such as The Martian Ray Bradbury or Leviathan Wakes James Corey but also for readers of dystopian young adult adventure novels such as The Hunger Games Suzanne Collins On your journey across the planet of Pomona you ll travel to unknown lands discover untold secrets and watch a nation get pushed to the edge of rebellion Science fiction is only two syllables away from science Become powered by discovery **The Forever Born** Christina Schlosser-Horton, 2007-08 When the world was first formed the Lord and Satanel made an agreement that each would have one thousand years of dominion over the Earth Now it is the new millennium and Satanel has refused to give up his hold His decision starts an unprecedented spiritual war that could very well claim the lives of every human being on Earth unless God s warriors can stop him God sends twelve archangels to Earth in the guise of infants born to human parents thus escaping Satanel and his legions notice Their mission is to recover the gemstones originally set in the Breastplate of Aaron which were stolen by Satanel to prevent their use in battle With the arrival of Ariel the twelfth archangel the strike is ready to commence The perilous search for the jewels is fraught with danger for men and angels as they encounter physical and magical confrontations But when it is time for the final battle the denizens from the various realms of air earth fire and water join the fight to determine the fate of the world **Smash Cut** Sandra Brown, 2010-07-20 Hired by a woman who believes that the shooting of her Atlanta businessman friend was planned by his nephew defense lawyer Derek Mitchell comes to realize that the nephew is a psychotic movie buff who enjoys acting out favorite violent film plots *Identity Theft* Ron Cantor, 2013-04-16 Has the Messiah been robbed Supernatural visitations Divine time travel An age old cover up In the middle of it all One man miraculously transformed by Yeshua In an instant David went from being a

skeptical Jewish columnist to a desperate seeker of Truth The catalyst was an angelic visitation a moment that marked him forever David s quest spans numerous philosophies and religions culminating with the Person of Yeshua Jesus the Messiah He is plummeted into a vigorous spiritual tug of war Part of him is intrigued and fascinated by the Messiah while another is plagued by guilt How could a Jewish person like himself believe in Yeshua considering all the horrific acts that have been done to his ancestors in His name Author Ron Cantor a gifted story teller and authority on the Jewish Roots of the New Testament takes you on an unforgettable tour of history as an angel supernaturally escorts David through the halls of time You will soon discover that though atrocities have been committed in the name of Yeshua the greatest crime of all may be against the Messiah Himself a crime of identity theft *The Fifth Son* Elie Wiesel,2011-09-07 Reuven Tamiroff a Holocaust survivor has never been able to speak about his past to his son a young man who yearns to understand his father s silence As campuses burn amidst the unrest of the Sixties and his own generation rebels the son is drawn to his father s circle of wartime friends in search of clues to the past Finally discovering that his brooding father has been haunted for years by his role in the murder of a brutal SS officer just after the war young Tamiroff learns that the Nazi is still alive Haunting poetic and very contemporary The Fifth Son builds to an unforgettable climax as the son sets out to complete his father s act of revenge **Superheroes of the Round Table** Jason Tondro,2011-10-14 Few scholars nursed on the literary canon would dispute that knowledge of Western literature benefits readers and writers of the superhero genre This analysis of superhero comics as Romance literature shows that the reverse is true knowledge of the superhero romance has something to teach critics of traditional literature Establishing the comic genre as a cousin to Arthurian myth Spenser and Shakespeare it uses comics to inform readings of The Faerie Queene The Tempest Malory s Morte and more while employing authors like Ben Johnson to help explain comics by Alan Moore Jack Kirby and Grant Morrison and characters like Iron Man the Hulk the X Men and the Justice League Scholars of comics medieval and Renaissance literature alike will find it appealing **Ariel's Journey** Doug Kane and Christy Wood,2008-03 When you combine teenage girls with Icelandic Horses you create a magical mixture that is able to defeat evil and turn foes to friends **Poetic Unreason and Other Studies** Robert Graves,1925

Borgman,2009-04-01 Weaves together biblical exposition and practical application to demonstrate how emotions relate to the Christian life Emotions are a vital part of what it means to be a human being made in the image of God and redeemed in Jesus Christ But often our emotions confuse and mislead us So what is the proper place for emotions in a Christian s walk of faith In Feelings and Faith Brian Borgman draws from his extensive biblical knowledge and his pastoral experience to help readers understand both divine and human emotions After laying a biblical foundation he moves on to practical application focusing on how Christians can put to death ungodly emotional displays and also cultivate godly emotions This biblically informed practical volume is helpful for pastors
