Mason,2025-06-13 In a world on the brink of collapse Valen Cross a man once transformed into a vampire is now fighting not just for his own survival but for humanity's With his memories erased by the nefarious Council he is torn between his current vampiric self and the human he once was As the broadcast system he helped create begins transmitting the cure for vampirism Valen faces a harrowing decision Will he save the world at the cost of his life In a race against time the resistance against the Council has reached its final hour As the cure spreads globally ancient vampires like Lord Matthias remain untouched determined to destroy Valen and those who stand in his way With every second the threat grows and as Valen's body deteriorates from the intense energy required to amplify the signal the odds grow even steeper With Georgia the woman he loves at his side Valen fights to stop a catastrophe But will the cure reach everyone in time or is the price of salvation too high When Valen realizes the true nature of the cure and the key to saving humanity lies in someone he never expected the stakes soar Can he protect Georgia and the world from a legacy of darkness Or will the Council's grip prove impossible to break Is Valen's sacrifice enough to ensure the cure or will humanity face a fate worse than vampirism itself **My Name Is Georgia** Jeanette Winter,Turtleback
