

A man in a dark vest and pants stands on a dirt road that stretches into the distance. The road is flanked by grassy fields and a fence. In the background, there are rolling hills and mountains under a clear sky. The text "MY PEOPLE" is overlaid in a large, white, stylized font with a black outline.

My People My Poetry:

Poems for My People and Me Monica Sekhmet Grant, 2014-01-10 *Poems for My People and Me* was taken from the iconic Nina Simone In her song titled Mississippi Goddamn she sings of how all she want is equality for my sister my brother my people and me The spirit of Nina Simone's cry to the world is infused throughout *Poems for My People and Me* with verses of struggle and triumph dealing with race sex and poverty

My People Redux Angela Trudell Vasquez, 2022-01-14 The poems in the collection *My People Redux* travel through time We go back and forth between the present They Could Be Sisters and the past Goose Eggs not just the poet's past but that of her ancestors who came to the Midwest from Mexico in the late 1800s as displayed in the piece *My People Redux* The poet's voice is always female and strong but also vulnerable as in the poem *Child Pose Cannot Hold* These are poems of race ethnicity gender and class There are also mystical poems in this collection and things the poet cannot explain like in the piece *Once in Seattle* and in *The Congregation* In Trudell Vasquez's fourth collection her concerns are the same as in all of her previous collections but her way of approaching the page varies The poet travels in this collection from Madison to Seattle Santa Fe Des Moines Milwaukee Washington D C Chicago and outside of the country too to the Caribbean to Isla Mujeres in Mexico In the poem *Everybody is Somebody's Child* we are given a glimpse of the poet's concern for all people across the globe Ever present in all the work is nature the poet's appreciation for the natural world and all its creatures but especially the least fortunate among us

The Routledge Companion to Migration Literature Gigi Adair, Rebecca Fasselt, Carly McLaughlin, 2024-07-30. The Routledge Companion to Migration Literature offers a comprehensive survey of an increasingly important field. It demonstrates the influence of the age of migration on literature and showcases the role of literature in shaping socio-political debates and creating knowledge about the migratory trajectories, lives, and experiences that have shaped the post-1989 world. The contributors examine a broad range of literary texts and critical approaches that cover the spectrum between voluntary and forced migration. In doing so, they reflect the shift in recent years from the author-centric study of migrant writing to a more inclusive conception of migration literature. The book contains sections on key terms and critical approaches in the field, important genres of migration literature, a range of forms and trajectories of migration with a particular focus on the global South, and on migration literature's relevance in social contexts outside the academy. Its range of scholarly voices on literature from different geographical contexts and in different languages is central to its call for and contribution to a pluriversal turn in literary migration studies in future scholarship. This Companion will be of particular interest to scholars working on contemporary migration literature, and it also offers an introduction to new students and scholars from other fields. Chapter 15 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution-NonCommercial-NoDerivatives (CC BY-NC-ND) 4.0 license.

Robert Hayden Laurence Goldstein, Robert Chrisman, 2013-10-16. This collection of essays by leading critics and poets charts Robert Hayden's growing reputation as a major writer of some of the twentieth century's most important poems on African American themes, including the famed *Middle Passage* and *Frederick Douglass*. The essays illuminate the themes and techniques that established Hayden as a modernist writer with affinities to T. S. Eliot, Federico Garcia Lorca, and W. B. Yeats, as well as to traditions of African American writings that include such figures as Countee Cullen and Langston Hughes. *Robert Hayden: Essays on the Poetry* is the first and only book to collect significant essays on this distinguished poet. Covering sixty years of commentary, book reviews, essays, and Hayden's own published materials, this volume is an invaluable contribution to our understanding of the poet's vision, experience, artistry, and influence. The book includes forty different works that examine the life and poetry of Hayden, the first African American to serve as Consultant in Poetry to the Library of Congress, the post now called Poet

Laureate and to receive the Grand Prix de la Poesie at the First World Festival of Negro Arts Dakar Senegal in 1966

Selected Poetry / Избранное (англ.)
