Wolves in Sheep Clothing Mellissa Hill, 2011-12-12 Mellissa develops a strong relationship with Celeste and becomes inseparable with her after a very short time considering her to be the best friend she ever had or would ever have. They shared everything together over the course of nine years including weddings and babies and secrets. When Tabatha, Mellissa's sister, tells her she is moving to the small town Mellissa lives in so they can be together, Mellissa is ecstatic and so excited to have her sister with her. Mellissa opens up her entire life to Tabatha, inviting her to events and introducing her to everybody she knew. After a couple of months of Tabatha's constant mood swings, Mellissa becomes exhausted trying to keep up with her sister's demands and is always so overwhelmed with the guilt that maybe her sister regrets the move completely. One day after Mellissa's suspicions that Celeste and Tabatha are a lot closer than she thinks and she believes she is being lied to, she comes across something that proves her suspicions and also rips out her heart. The truth is revealed and there's no turning back from that moment as the aftermath of the destruction between the entire circle of friends and the destruction of Tabatha's and Mellissa's family will become forever irreparable. Two years of the most unimaginable drama you have ever heard of and Mellissa is left behind to pick all the pieces of her broken life from the destruction her sister caused within two months of moving to be with her.

Second Hand Out Jeff Spanke, 2008-10-01 All his life Dr. Sherman Hinkley was governed by one primary aspiration to work as an Agent for E. W. Harper's ClockWorks Time Travel Agency. A career with the Agency would ensure Sherman's status as a bona fide contemporary hero and legendary scholar. He sought not only the glamour that inevitably derived from fame but also the pride of knowing that after a series of failed endeavors he'd at last arrived. Yet Sherman quickly learns that even with the world-famous Agency, books should never be judged by their cover alone and that sometimes the darkness of truth is far more ominous than the brilliance of deceit. Now Sherman must re-evaluate his life, his career, and his future while trying desperately to repair the world's past. What does it mean to be a hero? Sherman Hinkley couldn't have been further from the truth.

The Minister's Wife Karen Stiller, 2020-05-05 She never expected to be a minister's wife. And the life she discovered was more challenging and more beautiful than she could have anticipated. We all wrestle with tough questions about life and faith, and Karen Stiller has learned that answers don't come any easier when you're married to the minister. What does it mean to live faithfully in our complicated world? Is there a place here for me, the real me? What does everyone expect of me, and what if I fail? In *The Minister's Wife*, Karen shines a light on the rhythms and tough realities of the spiritual life for each and every one of us. She explores how community helps us grow, the unexpected beauty of doubt, the messy pain of families and funerals, how church can hurt and heal, and the beauty of showing up when sometimes it is more appealing to go to a coffee shop on a Sunday morning, even when you're the pastor's wife. Warm, witty, and achingly honest, *The Minister's Wife* is a memoir in essays on choosing to belong and an invitation to join a spiritual adventure.
