New Light on the Bible, from the Coming of Shiloh, the Spirit of Truth, 1828-1837** John Ward,1899 *The Treasury of David* Charles Haddon Spurgeon,1882 *The Treasury of David - Containing an Original Exposition of the Book of Psalms* Charles Haddon Spurgeon,2024-04-10 Reprint of the original first published in 1882 *The Treasury of David; Containing an Original Exposition of the Book of Psalms, a Collection of Illustrative Extracts ... Homiletical Hints ... and Lists of Writers on Each Psalm*,1882 **The Christian Literary Imagination** Michael Scott,Michael J. Collins,2024-09-24 What is the Christian literary imagination That question was put to the writers who have contributed to this collection of essays They were asked in answering it to choose and write about a work of literature that seemed to them to illustrate one of the varied ways in which the Christian imagination sees the world to define by example the meaning of the term A variety of beliefs or indeed unbeliefs are expressed by the contributors and authors they selected to discuss But what the essays have in common is an inquiry into the nature of belief and the means by which the reader's imagination can itself be stirred through the work of the author under discussion The book is structured chronologically with essays on literature ranging from Anglo Saxon England to 21st Century America but the contributors show a freedom of movement and reference across the centuries in their essays sometimes deliberately juxtaposing the historical with the contemporary What emerges from the collection is a shared inquiry into the enduring Christian vision of God's engagement with the world **The Senses in Religious Communities, 1600-1800** Nicky Hallett,2016-03-03

Offering a comprehensive analysis of newly uncovered manuscripts from two English convents near Antwerp this study gives unprecedented insight into the role of the senses in enclosed religious communities during the period 1600-1800. It draws on a range of previously unpublished writings: chronicles, confessions, letters, poetry, personal testimony of various kinds to explore and challenge assumptions about sensory origins. Author Nicky Hallett undertakes an interdisciplinary investigation of a range of documents compiled by English nuns in exile in northern Europe. She analyzes vivid accounts they left of the spaces they inhabited and of their sensory architecture: the smells of corridors of diseased and dying bodies, the sights and sounds of civic and community life, its textures and tastes, their understanding of it in the light of devotional discipline. This is material culture in the raw, providing access to a well-defined locale and the conditions that shaped sensory experience and understanding. Hallett examines the relationships between somatic and religious enclosure and the role of the senses in devotional discipline and practice, considering the ways in which the women adapted to the austerities of convent life after childhoods in domestic households. She considers the enduring effects of habitus in Bourdieu's terms: the residue of socialised subjectivity which was or was not transferred to a contemplative career. To this discussion she injects literary and cultural comparisons, considering inter alia how writers of fiction and of domestic and devotional conduct books represent the senses and how the nuns' own reading shaped their personal knowledge. *The Senses in Religious Communities 1600-1800* opens fresh comparative perspectives on the Catholic domestic household as well as the convent and on relationships between English and European philosophy, rhetorical, medical and devotional discourse. *The Return to the Mystical* Peter Tyler, 2011-06-16. The most recent mystical theology scholarship, a discipline that has found new energy and influence. This is examined through the lens of Wittgenstein's philosophy. **Spiritual Magazine**, 1863. Good Night God Holly Bea, 2011-12-20. Beautifully illustrated with jewel-tone paintings, *Good Night God* is a restful story sure to soothe a tired child to sleep. Starting with the setting of the sun and the ending of a day, a young boy starts his nighttime rituals that include bidding good night to all his favorite and familiar animal friends and his parents. Ending with a child's anticipation of another day filled with adventure, the young boy shares a special goodnight prayer with his Creator. *Good Night God* is the third collaborative effort from best-selling author and illustrator duo Holly Bea and Kim Howard. Their first project, *Where Does God Live*, has sold more than 125,000 copies. *Good Night God* is a warm and comforting story filled with nighttime rituals and bedtime preparations that children can relate to. **Way of the Peaceful Warrior (Volume 2 of 2) (EasyRead Super Large 24pt Edition)**, **Real Life in the Spirit Land. Being life experiences, scenes, ... and conditions, illustrative of spirit life. ... Given inspirationally by Mrs. M. M. King, etc. vol. 1** Mrs. Maria M. KING, 1870.
