Farmer, 1999-07-01 When and under what circumstances did the Gospel texts begin to serve anti-Jewish ends Can it be said accurately and fairly that the evangelists were anti-Jewish Are there tendencies in the Gospels that were originally intended by the evangelists to injure the Jewish people or their religion or to work against the interests of the Jewish people and or their religion These and other issues were addressed in a three year research project that culminated in a fall 1996 convocation at which five major research papers were presented with two respondents to each paper The papers and responses are now made available for the first time in this volume Major presentations include Anti-Judaism and the Gospel of Matthew Amy Jill Levine Anti-Judaism and the Gospel of Luke Daryl D Schmidt Anti-Judaism and the Gospel of John David Regensberger Something

Caesar and the Sacrament R. Alan Streett, 2018-01-24 When the earliest Christ followers were baptized they participated in a politically subversive act Rejecting the Empire's claim that it had a divine right to rule the world they pledged their allegiance to a kingdom other than Rome and a king other than Caesar Acts 17:7 Many books explore baptism from doctrinal or theological perspectives and focus on issues such as the correct mode of baptism the proper candidate for baptism who has the authority to baptize and whether or not baptism is a symbol or means of grace By contrast Caesar and the Sacrament investigates the political nature of baptism Very few contemporary Christians consider baptism's original purpose or political significance Only by studying baptism in its historical context can we discover

its impact on first century believers and the adverse reaction it engendered among Roman and Jewish officials Since baptism was initially a rite of non violent resistance what should its function be today **Faces of Renewal** Paul Elbert,2007-02-05 Renewal has always been a concern of God s people This present volume a tribute to Pentecostal Bible scholar Stanley M Horton offers biblical and historical glimpses into the various facets of renewal throughout the history of the church It further provides fresh insights into the outworkings of this renewal throughout the history of the church today Essays examining the biblical themes of renewal include J G McConville s study of Renewal as Restoration in Jeremiah and J Massyngherde Ford s inquiry into the Social and Political Implications of the Miraculous in Acts Among the essays in Part 2 Historical Studies Donald Dean Smeeton discusses how William Tyndale was a theologian of renewal Church historian Richard Lovelace honors Professor Horton with an essay on Baptism in the Holy Spirit and the Evangelical Tradition Part 3 Contemporary Studies explores some of the effects of the modern charismatic renewal including the appearance and growth of loving communities and the impact of renewal movements on society These essays truly take a new tack towards understanding the various faces of spiritual renewal They offer the specialist a challenge to see things in a new light while they afford the non specialist some practical models of renewal that can affect how he or she views Christian experience Overall the editor and respective authors submit this anniversary volume to their colleague and friend Dr Stanley M Horton and to its readers everywhere with the hope that these sixteen studies may make a useful international contribution to scholarship and that Faces of Renewal may be found helpful to preachers teachers and students of God s Word **The Character and Purpose of Luke's Christology** Douglas Buckwalter,1996-08-28 Luke s christology is carefully designed Luke portrays the exalted Jesus as God s co equal by the kinds of things he does and says from heaven Through the Holy Spirit the divine name and personal manifestations Jesus behaves toward people in Luke Acts as does Yahweh in the Old Testament His power and knowledge are supreme Jesus sovereignly reigns over Israel the church the powers of darkness and the world Luke deepens this portrait by depicting Jesus as deity who by nature behaves as servant the earthly Jesus acted among his people as one who serves the exalted Jesus continues serving his people by strengthening and encouraging them in their witness of him to the world That the believers in Acts resemble the way Jesus behaved in the Gospel means that they too are now imaging some of his servant like character in their witness of him Healing Affluenza and Resisting Plutocracy Ched Myers,2025 Myers offers fresh socio literary analysis of and engaged commentary on the Third Gospel He shows how amid our modern crisis of socioeconomic disparity Luke s vision of Sabbath Economics can build social imagination among communities of faith and justice and animate personal and political practices of systemic change Essential Bible Study Tools for Ministry Professor David R. Bauer,2014-03-18 This up to date highly selective bibliography is designed to acquaint students and ministers with major works significant publishers and prominent scholars in biblical studies It is the perfect guide for beginning a research project or building a ministerial library References are included based on the following

considerations 1 usefulness for the theological interpretation of the Bible within the context of the faith of the church 2 significance in the history of interpretation and 3 representation of evangelical and especially evangelical Wesleyan scholarship The Roman Empire in Luke's Narrative Kazuhiko Yamazaki-Ransom, 2010-05-27 This work illuminates Luke's portrayals of Roman officials in light of Jewish portrayals of Gentile rulers in the Old Testament and in Second Temple Literature **The Biblical Tour of Hell** Matthew Ryan Hauge, 2013-08-15 It is difficult to underestimate the significance of the story of the Rich Man and Lazarus in Luke 16 19 31 within the biblical tradition Although hell occupies a prominent position in popular Christian rhetoric today it plays a relatively minor role in the Christian canon The most important biblical texts that explicitly describe the fate of the dead are in the Synoptic Gospels Yet among these passages only the Lukan tradition is intent on explicitly describing the abode of the dead it is the only biblical tour of hell Hauge examines the story of the Rich Man and Lazarus in Luke 16 19 31 uniquely the only parable that is set within a supernatural context The parables characteristically feature concrete realities of first century Mediterranean life but the majority of Luke 16 19 31 is narrated from the perspective of the tormented dead This volume demonstrates that the distinctive features of the story of the Rich Man and Lazarus are the result of a strategic imitation creative transformation and Christian transvaluation of the descent of Odysseus into the house of Hades in Odyssey Book 11 the literary model par excellence of postmortem revelation in antiquity

Mission in Action Martin C. Salter, 2019-04-18 Missional ethics is concerned with the way in which the believing community's behaviour is in and of itself a witness to the wisdom and goodness of God The debate surrounding the relationship between word and deed or evangelism and social action remains a significant issue within evangelical missiology Martin Salter seeks to address one aspect of that debate namely the missional significance of ethics by conducting detailed exegesis of key biblical texts He argues that biblical ethics is neither entirely separate from nor merely preparatory for mission rather it is an integral part of the church's mission Missional ethics is a theme that arises from the biblical texts and is not imposed on them The church as both organism and institution embody a missional ethic that includes worship justice and charity Word and deed belong together as an integral whole Salter's valuable study concludes by offering a definition of missional ethics

Luke's Christology of Divine Identity Nina Henrichs-Tarasenkova, 2015-11-19 Henrichs-Tarasenkova argues against a long tradition of scholars about how best to represent Luke's Christology When read against the backdrop of ancient ways of constructing personal identity key texts in the Lukan narrative demonstrate that Luke indirectly characterizes Jesus as the one God of Israel together with YHWH Henrichs-Tarasenkova employs a narrative approach that takes into consideration recent studies of narrative and history and enables her to construct characters of YHWH and Jesus within the Lukan narrative She employs Richard Bauckham's concept of divine identity that she evaluates against her study of how one might speak of personal identity in the Greco-Roman world She engages in close reading of key texts to demonstrate how Luke speaks of YHWH as God in order to demonstrate that Luke Acts upholds a traditional Jewish view that

only the God of Israel is the one living God and to eliminate false expectations for how Luke should speak of Jesus as God
This analysis establishes how Luke binds Jesus identity to the divine identity of YHWH and concludes that the Lukan
narrative in fact does portray Jesus as God when it shows that Jesus shares YHWH s divine identity
