THE THEOLOGY OF FIGURE FROM AUGUSTINE TO THE SONNETS

LISA FREINKEL

# Reading Shakespeares Will The Theology Of Figure From Augustine To The Sonnets

**Ewan Fernie**

## **Reading Shakespeares Will The Theology Of Figure From Augustine To The Sonnets:**

**Reading Shakespeare's Will** Lisa Freinkel, 2002-01-30 The most influential treatments of Shakespeare's Sonnets have ignored the impact of theology on his poetics examining instead the poet's secular emphasis on psychology and subjectivity. *Reading Shakespeare's Will* offers the first systematic account of the theology behind the poetry. Investigating the poetic stakes of Christianity's efforts to assimilate Jewish scripture the book reads Shakespeare through the history of Christian allegory. To read Shakespeare's will Freinkel argues is to read his bequest to and from a literary history saturated by religious doctrine. Freinkel thus challenges the common equation of subjectivity with secularity and defines Shakespeare's poetic voice in theological rather than psychoanalytic terms. Tracing from Augustine to Luther the religious legacy that informs Shakespeare's work Freinkel suggests that we cannot properly understand his poetry without recognizing it as a response to Luther's Reformation. Delving into the valences and repercussions of this response *Reading Shakespeare's Will* charts the notion of a theology of figure that helped to shape the themes tropes and formal structures of Renaissance literature and thought.

*Reading Shakespeare's Will* Lisa Freinkel, 2002 The most influential treatments of Shakespeare's Sonnets have ignored the impact of theology on his poetics examining instead the poet's secular emphasis on psychology and subjectivity. *Reading Shakespeare's Will* offers the first systematic account of the theology behind the poetry. Investigating the poetic stakes of Christianity's efforts to assimilate Jewish scripture the book reads Shakespeare through the history of Christian allegory. To read Shakespeare's will Freinkel argues is to read his bequest to and from a literary history saturated by religious doctrine. Freinkel thus challenges the common equation of subjectivity with secularity and defines Shakespeare's poetic voice in theological rather than psychoanalytic terms. Tracing from Augustine to Luther the religious legacy that informs Shakespeare's work Freinkel suggests that we cannot properly understand his poetry without recognizing it as a response to Luther's Reformation. Delving into the valences and repercussions of this response *Reading Shakespeare's Will* charts the notion of a theology of figure that helped to shape the themes tropes and formal structures of Renaissance literature and thought.

*Shakespeare and Spenser* J. B. Lethbridge, 2013-07-19 Shakespeare and Spenser Attractive opposites is a much needed volume that brings together ten original papers by experts on the relations between Spenser and Shakespeare. There has been much noteworthy work on the linguistic borrowings of Shakespeare from Spenser but the subject has never before been treated systematically and the linguistic borrowings lead to broader scale borrowings and influences which are treated here. An additional feature of the book is that for the first time a large bibliography of previous work is offered which will be of the greatest help to those who follow up the opportunities offered by this collection. *Shakespeare and Spenser Attractive opposites* presents new approaches heralding a resurgence of interest in the relations between two of the greatest Renaissance English poets to a wider scholarly group and in a more systematic manner than before. This will be of interest to Students and academics interested in Renaissance literature. *Biblical Readings and*

*Literary Writings in Early Modern England, 1558-1625* Victoria Brownlee, 2018-03-30 The Bible had a profound impact on early modern culture and bible reading shaped the period's drama, poetry and life writings as well as sermons and biblical commentaries. This volume provides an account of how the Bible was read and applied in early modern England. It maps the connection between these readings and various forms of writing and argues that literary writings bear the hallmarks of the period's dominant exegetical practices and do interpretative work. Tracing the impact of biblical reading across a range of genres and writers, the discussion demonstrates that literary reimaginings of and allusions to the Bible were common, varied and ideologically evocative. The book explores how a series of popularly interpreted biblical narratives were recapitulated in the work of a diverse selection of writers, some of whom remain relatively unknown. In early modern England, the figures of Solomon, Job and Christ's mother Mary and the books of Song of Songs and Revelation are enmeshed in different ways with contemporary concerns and their usage illustrates how the Bible's narratives could be turned to a fascinating array of debates. In showing the multifarious contexts in which biblical narratives were deployed, this book argues that Protestant interpretative practices contribute to and problematize literary constructions of a range of theological, political and social debates.

**Volition's Face** Andrew Escobedo, 2017-04-30 Modern readers and writers find it natural to contrast the agency of realistic fictional characters to the constrained range of action typical of literary personifications. Yet no commentator before the eighteenth century suggests that prosopopoeia signals a form of reduced agency. Andrew Escobedo argues that premodern writers including Spenser, Marlowe and Milton understood personification as a literary expression of will, an essentially energetic figure that depicted passion or concept transforming into action. As the will emerged as an isolatable faculty in the Christian Middle Ages, it was seen not only as the instrument of human agency but also as perversely independent of other human capacities, for example intellect and moral character. Renaissance accounts of the will conceived of volition both as the means to self-creation and the faculty by which we lose control of ourselves. After offering a brief history of the will that isolates the distinctive features of the faculty in medieval and Renaissance thought, Escobedo makes his case through an examination of several personified figures in Renaissance literature: Conscience in the Tudor interludes, Despair in *Doctor Faustus* and book I of *The Faerie Queene*, Love in books III and IV of *The Faerie Queene* and Sin in *Paradise Lost*. These examples demonstrate that literary personification did not amount to a dim reflection of realistic fictional character but rather that it provided a literary means to explore the numerous conundrums posed by the premodern notion of the human will. This book will be of great interest to faculty and graduate students interested in medieval studies and Renaissance literature.

*Queer Shakespeare* Goran Stanivukovic, 2017-07-13 *Queer Shakespeare: Desire and Sexuality* draws together 13 essays which offer a major reassessment of the criticism of desire, body and sexuality in Shakespeare's drama and poetry. Bringing together some of the most prominent critics working at the intersection of Shakespeare criticism and queer theory, this collection demonstrates the vibrancy of queer Shakespeare studies. Taken together, these essays

explore embodiment desire sexuality and gender as key objects of analyses producing concepts and ideas that draw critical energy from focused studies of time language and nature The Afterword extends these inquiries by linking the Anthropocene and queer ecology with Shakespeare criticism Works from Shakespeare's entire canon feature in essays which explore topics like glass love antitheatrical homophobia size narrative sound female same sex desire and Petrarchism weather usury and sodomy male femininity and male to female crossdressing contagion and antisocial procreation Souls with Longing Dustin A. Gish, Bernard J. Dobski, 2011-11-21 The works of William Shakespeare vividly represent for our admiration and study a pageant of souls with longing in whose wake we ceaselessly follow Through some of his most memorable characters Shakespeare illuminates the nature and character as well as consequences of our distinctively human passions and ambition in particular our desire for and pursuit of both honor and love The contributors to this collaborative volume scholars in English Literature Political Philosophy and the Humanities argue that Shakespeare has much to teach us about our longing for honor and love in particular and thus about who we are what we desire and why Through sustained reflection on the Shakespearean portraits of honor and love which are the focus of the chapters in Souls With Longing we become more keenly aware of our own humanity and come to know ourselves more profoundly As the abiding popularity of his works aptly demonstrates Shakespeare's unforgettable portraits of souls with longing his representations of honor and love continue to exert undeniable sway over our political moral and romantic imaginations Spiritual Shakespeares Ewan Fernie, 2005-11-16 Spiritual Shakespeares is the first book to explore the scope for reading Shakespeare spiritually in the light of contemporary theory and current world events Ewan Fernie has brought together an exciting cast of critics in order to respond to the religious turn in recent literary theory and to the spiritualized politics of terrorism and the War on Terror Exploring a genuinely new perspective within Shakespeare Studies the volume suggests that experiencing the spiritual intensities of the plays could lead us back to dramatic intensity as such It tests spirituality from a political perspective as well as subjecting politics to an unusual spiritual critique Amongst its controversial and provocative arguments is the idea that a consideration of spirituality might point the way forward for materialist criticism Reaching across and beyond literary studies to offer challenging and powerful contributions from leading scholars this book offers unique readings of some very familiar plays **Shakespeare, National Poet-Playwright** Patrick Cheney, 2004-11-25 Shakespeare National Poet Playwright is an important book which reassesses Shakespeare as a poet and dramatist Patrick Cheney contests critical preoccupation with Shakespeare as a man of the theatre by recovering his original standing as an early modern author he is a working dramatist who composes some of the most extraordinary poems in English The book accounts for this form of authorship by reconstructing the historical preconditions for its emergence in England as in Europe including the building of the commercial theatres and the consolidation of the printing press Cheney traces the literary origin to Shakespeare's favourite author Ovid who wrote the *Amores* and *Metamorphoses* alongside the tragedy *Medea* Cheney also examines Shakespeare's

literary relations with his contemporary authors Edmund Spenser and Christopher Marlowe The book concentrates on Shakespeare's freestanding poems but makes frequent reference to the plays and ranges widely through the work of other Renaissance writers

**The Shakespeare Handbook** Andrew Hiscock, Stephen Longstaffe, 2015-04-06 Literature and Culture Handbooks are an innovative series of guides to major periods topics and authors in British and American literature and culture Designed to provide a comprehensive one stop resource for literature students each handbook provides the essential information and guidance needed from the beginning of a course through to developing more advanced knowledge and skills Written in clear language by leading academics they provide an indispensable introduction to key topics including Introduction to authors texts historical and cultural contexts Guides to key critics concepts and topics An overview of major critical approaches changes in the canon and directions of current and future research Case studies in reading literary and critical texts Annotated bibliography including websites timeline glossary of critical terms The Shakespeare Handbook is an accessible and comprehensive introduction to Shakespeare and early modern literature

### **Reading Shakespeares Will The Theology Of Figure From Augustine To The Sonnets Introduction**

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Reading Shakespeares Will The Theology Of Figure From Augustine To The Sonnets free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such

website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Reading Shakespeares Will The Theology Of Figure From Augustine To The Sonnets free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Reading Shakespeares Will The Theology Of Figure From Augustine To The Sonnets free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Reading Shakespeares Will The Theology Of Figure From Augustine To The Sonnets. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Reading Shakespeares Will The Theology Of Figure From Augustine To The Sonnets any PDF files. With these platforms, the world of PDF downloads is just a click away.

### **FAQs About Reading Shakespeares Will The Theology Of Figure From Augustine To The Sonnets Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities,

enhancing the reader engagement and providing a more immersive learning experience. Reading Shakespeares Will The Theology Of Figure From Augustine To The Sonnets is one of the best book in our library for free trial. We provide copy of Reading Shakespeares Will The Theology Of Figure From Augustine To The Sonnets in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Reading Shakespeares Will The Theology Of Figure From Augustine To The Sonnets. Where to download Reading Shakespeares Will The Theology Of Figure From Augustine To The Sonnets online for free? Are you looking for Reading Shakespeares Will The Theology Of Figure From Augustine To The Sonnets PDF? This is definitely going to save you time and cash in something you should think about.
