The Reading Section of the test consists of four reading selections. After each reading selection, you will be asked to answer several questions related to the selection. Read each question carefully and choose the ONE best answer based on the information contained in the selection you have just read. You may refer back to the selection to answer the questions. There are a total of 24 multiple-choice questions in the Reading Section, numbered 1 to 24.

Record your answer on your answer sheet in the space that corresponds to the question number. Completely fill in the space having the same letter as the answer you have chosen.
