Charles Alderson, Eeva-Leena Haapakangas, Ari Huhta, Lea Nieminen, Riikka Ullakonoja, 2014-10-03 The Diagnosis of Reading in a Second or Foreign Language explores the implications of language assessment research on classroom based assessment practices by providing an in depth look at the little examined field of diagnosis in second and foreign language reading This volume examines the development of second and foreign language reading and how subsequent research findings couched in this knowledge can help facilitate a more informed teaching approach in second and foreign language classrooms By contextualizing the latest in classroom settings and presenting implications for future research in this developing area of linguistics this book is an ideal resource for those studying and working in applied linguistics second language acquisition and language assessment and education About the NPLA Series Headed by two of its leading scholars the series captures the burgeoning field of language assessment by offering comprehensive and state of the art coverage of its contemporary questions pressing issues and technical advances It is the only active series of its kind on the market and will include volumes on basic and advanced topics in language assessment public policy and language assessment and the interfaces of language assessment with other disciplines in applied linguistics Each text presents key theoretical approaches and research findings along with concrete practical implications and suggestions for readers conducting their own research or developmental studies **Reading in a Second Language** William Grabe, 2009 Abstract **Reading in a Foreign Language** J. Charles Alderson, 1984 *Teaching Reading in English as a Foreign Language* Daniel Cruz, 2014-09-14 Seminar paper from the year 2014 in the subject Didactics for the subject English Pedagogy Literature Studies grade 2 0 University of Cologne course Introduction to English Language Teaching language English abstract In this globalised world having good reading skills in English is becoming more and more important day by day Wherever you look no matter on which spot of the world you will find descriptions and indications in English In this term paper I am going to emphasise this necessity and illustrate the reading process from its early beginnings

and point out its purposes Furthermore I will give advice to English teachers on how they can maximise their teaching effectiveness on a basis of linguistic findings

Reading in a Second Language A.H. Urquhart, Cyril J. Weir, 2014-06-06
 Reading in a Second Language sets the testing and teaching of reading against a theoretical background discussing research from both applied linguistics and cognitive psychology Where possible it focuses on research into second language readers and distinguishes different kinds of reading particularly expeditious as opposed to careful reading and emphasizes the validity of each Sandy Urquhart and Cyril Weir relate testing and teaching discussing similarities and differences providing a comprehensive survey of both methods with the emphasis on those which have been substantiated or supported by research evidence Finally the book proposes specific research topics and detailed advice on how to construct tests of language for academic purposes and suggestions for further research

Learning to Read a Foreign Language Michael Philip West, 1926
The Independent Learner: A Practical Guide to Learning a Foreign Language at Home from Scratch to Functional Jim Lam, 2009-11-11
 Don't you believe you can learn a foreign language without classes Well maybe not 20 years ago It's now rather easy to find affordable or even free materials for studying a foreign language independently Finding someone to practice with has also become much easier than it used to be This book will enable you to teach yourself a language from scratch to a functional level anywhere and anytime you want choose the best learning materials for yourself enhance your language skills once you have a solid foundation stay motivated and persistent revive your confidence in your language and learning abilities make vocabulary stick and turn the infamous enemy called grammar into an ally get the most out of a leisure trip abroad The above are discussed with an emphasis on learning the Spanish language However the majority of the recommendations should apply to self learners of other languages as well

Teaching English as a Foreign Language, 1912-1936: Michael West Richard C. Smith, 2004-01-15
 This collection focuses on the work of the major pioneers working in the 1920s and 1930s whose research and writings laid the methodological foundations for post World War II British approaches to English as a foreign language teaching ELT These early pioneers included Harold E Palmer in Japan Michael West in India and Laurence Faucett in China Separately and jointly at the 1934 5 Carnegie Conference they succeeded in establishing a principled basis for the teaching of English to speakers of other languages different in significant respects from teaching English as a first language in Britain and the Empire
