Smith, 2005-12-27 An up close and personal look behind the scenes of the government's psychic spy program as only an insider can A must read Harold E Puthoff PhD founder and former director of the CIA initiated Remote Viewing Program From behind the cloak of US military secrecy comes the story of Star Gate the project that for nearly a quarter of a century trained soldiers and civilian spies in extra sensory perception ESP Their objective To search out the secrets of America's cold war enemies using a skill called remote viewing Paul H Smith a US Army Major was one of these viewers With the Star Gate secrets declassified and the program mothballed by the Central Intelligence Agency the story can now be told of the ordinary soldiers drafted onto the battlefield of human consciousness Using hundreds of interviews with the key players in the Star Gate program and gathering thousands of pages of documents Smith reveals many secrets about how remote viewing works and how it was used against enemy targets Among these stories are the search for hostages in Lebanon spying on Soviet directed energy weapons investigating the bombing of Pan Am Flight 103 over Lockerbie Scotland tracking foreign testing of weapons of mass destruction combating narco trafficking off America's coasts aiding in the Iranian hostage situation finding KGB moles in the CIA pursuing Middle East terrorists and more This is a story for the believer and the skeptic a rare look at the innards of a top secret program and an eye opening treatise on the power of the human mind to transcend the limitations of space and time Military Intelligence, 1984

Studies in Intelligence, **Reading The Enemy's Mail:** Major Jeffrey S. Harley, 2015-11-06 This thesis traces the development of American radio intelligence at the operational and tactical levels from its beginnings in World War I through the end of World War II It shows that signals intelligence is useful to the tactical and operational level commander The study recommends the Army rethink signal intelligence support to the various echelons primarily through changes to tables of organization and equipment The thesis covers the initial appearance of radio intelligence units on the battlefields of France in the first world war identifying specific instances where radio intelligence played a role in a command decision It also looks at training and doctrine in the period between the two world wars The thesis also covers the organization doctrine and

training of radio intelligence units as they prepared for combat It provides a glimpse into the intelligence support provided to the corps army and army group commanders during World War II through examination of actual intercept operations Where possible the study compares and contrasts German radio intelligence units and operations with their American counterparts

Intelligence and the function of government Daniel Baldino,Rhys Crawley,2018-03-19 Intelligence plays an important albeit often hidden hand in the everyday function of government Australia s intelligence agencies collectively referred to as the Australian Intelligence Community AIC are an established and fundamental component of the bureaucracy they keep watch on potential problems in the name of national security exploit weaknesses in the name of national interests and build a picture of the complexities of the broader world for their consumers other domestic government departments partner intelligence agencies overseas and most importantly Australia s policy makers Their aim is to provide the government with information for that is essentially what intelligence is to better enable it to tackle the issues confronting it to be better armed informed and forewarned of what might lay ahead and to facilitate coherent policy making But we should not expect intelligence to be perfect nor should we think that good intelligence guarantees good policy This book draws on a wide range experts including academics former and current strategic advisers and members of government private industry professionals and intelligence community experts to provide a diagnostic clear eyed approach in explaining accessing and exposing the central foundations and frameworks necessary for effective practice of intelligence in Australia as well as the shaping of intelligence expectations

Imperialism With Chinese Characteristics?: Reading And Re-Reading China's 2006 Defense White Paper Michael K. Metcalf,2013-03-08 PRINT FORMAT ONLY NOTE NO FURTHER DISCOUNT FOR THIS PRINT PRODUCT OVERSTOCK SALE Significantly reduced list price Mike Metcalf s discussion paper Imperialism with Chinese Characteristics argues that China s 2006 Defense White Paper not only explains the importance of China s continuing military buildup but also lays the theoretical foundation of a new defense policy that seems to amount to nothing less than imperialism
