

PUSHERS

Real Pushers

Anne W. Shubert

Real Pushers:

Pushing Cool Keith Wailoo, 2021-11-02 Spanning a century *Pushing Cool* reveals how the twin deceptions of health and Black affinity for menthol were crafted and how the industry's disturbingly powerful narrative has endured to this day Police put Eric Garner in a fatal chokehold for selling cigarettes on a New York City street corner George Floyd was killed by police outside a store in Minneapolis known as the best place to buy menthols Black smokers overwhelmingly prefer menthol brands such as Kool Salem and Newport All of this is no coincidence The disproportionate Black deaths and cries of I can't breathe that ring out in our era because of police violence COVID 19 or menthol smoking are intimately connected to a post 1960s history of race and exploitation In *Pushing Cool* Keith Wailoo tells the intricate and poignant story of menthol cigarettes for the first time He pulls back the curtain to reveal the hidden persuaders who shaped menthol buying habits and racial markets across America the world of tobacco marketers consultants psychologists and social scientists as well as Black lawmakers and civic groups including the NAACP Today most Black smokers buy menthols and calls to prohibit their circulation hinge on a history of the industry's targeted racial marketing In 2009 when Congress banned flavored cigarettes as criminal enticements to encourage youth smoking menthol cigarettes were also slated to be banned Through a detailed study of internal tobacco industry documents Wailoo exposes why they weren't and how they remain so popular with Black smokers

Roughnecks, Drillers, and Tool Pushers Gerald Lynch, 2010-07-22 A working class history of the Texas oil fields as told by one of its workers Oil the black gold of Texas has given rise to many a myth Oil could turn a man overnight into a millionaire and did for some But these myths have obscured what life was really like in the oil patch a place that was neither the El Dorado of legend nor quite the unredeemed den of sin and iniquity that some feared In *Roughnecks Drillers and Tool Pushers* Gerald Lynch provides a much needed insider's view of the oil industry describing life in various oil fields in and around Texas He also chronicles changes in drilling methods and oil field technology and how these changes affected him and his fellow oil field workers No one else has written a working class history of the oil fields as colorful and articulate as this one

High Occupancy Linda R. Ward, 2007-09 **Bad Boy** Anne W. Shubert, 2014-08-12 It begins on a rainy Monday morning Detective Sergeant Beverly Trotwood is on her way to work at the Cop Shop when a shiny pickup truck begins to play bumper tag with her Jeep Cherokee The driver is wearing an over the head Bill Clinton mask The explosion comes next Residents at the marina where Bev lives are startled when a bomb goes off in the galley oven of a sailboat The owners are out on the dock at the time but what happens to their sleeping cat is far from pretty Soon anonymous letters arrive in Bevs in a basket at the office Printed in black marker pen and signed with a Bad Boy sticker each is a list of names Unpleasant things happen to the people on the lists A loan shark is beaten within an inch of his life a trigger happy cop is found dead in the New River Bev investigates the Bad Boy case Her sidekick Ivory Jones helps so does Radar Thompson in forensics For aggravation they're dealt Wally Finster a big ex marine with a potbelly and a crush on Bev Bev and Ivory go on stakeout in the burbs there

is a rousing rodeo and the Bad Boy is captured And Bev still hasn't decided whether or not to marry Art Ardsbarger

Federal Criminal Law Revision United States. Congress. House. Committee on the Judiciary. Subcommittee on Criminal Justice, 1983 **The Inactivist** Chris Eaton, 2009-11-18 Set in a future where buying advertising space on children's teeth is not uncommon The Inactivist is the story of Kitchen a guy who's given up trying Nothing matters work romance the world His co-workers have even formed an Inactivist group to stop all change Only when Kitchen meets Gage does he rethink the idea that trying is for suckers Health Care Anne Crichton, 1997 Developed within the context of the expansion of the Canadian welfare state in the years following the Great Depression the present organization of Canadian health care delivery is now in serious need of reform This book documents the causes and effects of changes made in this century to Canada's health care policy Particular emphasis is placed on the decades following 1940 the years in which Canada moved away from an individualistic entrepreneurial medical care system first toward a collectivist biomedical model and then to a social model for health care **Private Profits versus Public Policy** Joel Lexchin, 2016-01-01 In his new work Private Profits versus Public Policy Joel Lexchin addresses this question as he examines how public policy with respect to the pharmaceutical industry has evolved in Canada over the past half century **Transparency, Power, and Influence in the Pharmaceutical Industry** Katherine Fierlbeck, Janice Graham, Matthew Herder, 2021-06-29 There is plenty of controversy surrounding pharmaceuticals but it cannot be denied that the pharmaceutical industry is both socially beneficial and profitable Regulators are expected to ensure that the economic success of the industry does not come at the expense of public safety yet they have also assumed a cooperative role by providing advice on regulation and by targeting unmet medical needs Concerns over regulatory standards conflicts of interest and the manipulation of information on drug safety and effectiveness have led to public mistrust and a greater need for transparency between the pharmaceutical industry and government regulators Transparency Power and Influence in the Pharmaceutical Industry evaluates the progress made in holding the pharmaceutical industry responsible for creating transparency in the industry from development to market The contributors to this volume examine the various mechanisms introduced to make the regulatory process more informative and situate these efforts within the larger project of enhancing the safety of drugs vaccines and other products Doctors in Denial Joel Lexchin, MD, 2017-05-01 Doctors in Denial examines the relationship between the Canadian medical profession and the pharmaceutical industry and explains how doctors have become dependents of the drug companies instead of champions of patients' health Big Pharma plays a role in every aspect of doctors' work These giant wealthy multinationals influence how medical students are trained and receive information how research is done in hospitals and universities what is published in leading medical journals what drugs are approved and what patients expect when they go into their doctors' offices But almost all doctors deny the influence and control the drug companies exert In this book Dr Lexchin urges the medical profession to make the changes needed to give priority to protecting and promoting patients' health and benefitting

society rather than enabling Big Pharma to dominate health care while raking in billions in profits from citizens and governments

Department of the Interior and Related Agencies Appropriations for 1995: Public witnesses for energy programs United States. Congress. House. Committee on Appropriations. Subcommittee on Department of the Interior and Related Agencies,1994

The Conspiracy Theory Fraud Jose M. Paulino,2008-12-16 This book is the first part of a series of written documentaries aimed at educating informing and empowering the people to take back what has been taken from them through fraud This volume was first published on October 20 2008 together with volume two in a 286 page 8x10 cover ISBN 1438261918 It is the purpose of these documentaries to gather the most valuable information of all types and put it in such form that it may be of service to those who seek right knowledge This documentary will attempt to present material that you may not only find interesting but will also find worth exploring beyond the confines of this book

Hooked: Drug War Films in Britain, Canada, and the U.S. Susan C. Boyd,2010-09-13 Drug prohibition emerged at the same time as the discovery of film and their histories intersect in interesting ways This book examines the ideological assumptions embedded in the narrative and imagery of one hundred fictional drug films produced in Britain Canada and the U S from 1912 to 2006 including Broken Blossoms Reefer Madness The Trip Superfly Withnail and I Traffik Traffic Layer Cake Harold and Kumar Go to White Castle Trailer Park Boys and more Boyd focuses on past and contemporary illegal drug discourse about users traffickers drug treatment and the intersection of criminal justice with counterculture alternative and stoner flicks She provides a socio historical and cultural criminological perspective and an analysis of race class and gender representations in illegal drug films This illuminating work will be an essential text for a wide range of students and scholars in the fields of criminology sociology media gender and women s studies drug studies and cultural studies

Health Advocacy, Inc. Sharon Batt,2017-06-15 Over the past several decades a gradual reduction in state funding has pressured patient groups into forming private sector partnerships raising an important ethical question do these alliances ultimately lead to policies that are counter to the public interest Health activist scholar and cancer survivor Sharon Batt examines the issue by investigating Canada s breast cancer movement from 1990 to 2010 Health Advocacy Inc dissects the relationship between the companies that sell pharmaceuticals and the individuals who use them drawing links between neoliberalism and corporate financing and the ensuing threat to the public health care system Combining archival analysis interviews with advocacy and industry representatives and personal observation Batt argues that the resulting power imbalance continues to challenge the groups ability to put patients interests ahead of those of the funders A movement that once encouraged democratic participation in the development of health policy now eerily echoes the demands of the pharmaceutical industry Batt s thorough account of this shift defines the stakes of activism in public health today

The Hidden Curriculum in Higher Education Eric Margolis,2002-05-03 The Hidden Curriculum in Higher Education is a daring look at the way colleges and universities produce race class and gender hierarchies and reproduce conservative ideology These original and

provocative essays shed light on all that remains hidden in higher education **Is This Wi-Fi Organic?** Dave Farina, 2021-03-30 How to separate facts from fake science in the Disinformation Age Cuts through the chaos sure to keep you laughing while also keeping you thinking Matt Candeias PhD author of In Defense of Plants We live in an era when scams frauds fake news fake stories fake science and false narratives are everywhere Fortunately you don't need a BS in Science to spot science BS This guide from educator Dave Farina aka YouTube's Professor Dave is a playful yet practical investigation of popular opinions and consumer trends that permeate our society Shoppers insist on organic everything even if they're unable to define the term Healers and quantum mystics secure a foothold alongside science based medicine in an unregulated and largely unchallenged landscape Misleading marketing is used to sell you products and services that range from ineffectual to downright dangerous With the knowledge gained from Dave Farina's simple explanations of basic scientific principles you can learn to spot misinformation and lies on the internet before they spot you Learn the real science behind such semi controversial subjects as drugs vaccines energy and biotechnology and most importantly arm yourself with the critical thinking skills everyone needs in a world filled with nonsense Scientific literacy is our best defense in an age of increasing disinformation Kellie Gerardi aerospace professional and author of Not Necessarily Rocket Science **Social Policy and Social Justice** Jim Harding, 2006-01-01 Social Policy and Social Justice looks concretely at the successes and failures of a social democratic government in Canada 1971 1982 in achieving social justice through its approaches to social policy Social policy is analyzed widely including day care workers control prescription drugs social assistance income distribution legal aid and policing Additional chapters review the NDP's re organization of bureaucracy and allocation of expenditures Also included are an historical synopsis of the legislation pursued in the period and an analysis of the broader political economic and sociological contexts in Canada Social Policy and Social Justice is the first in depth analysis of social policy at a provincial level It is the product of the multidisciplinary scholarship of the authors all of whom have extensive experience in policy making policy advocacy or policy research This book will be an invaluable resource for comparative purposes particularly since there are now three NDP governments across Canada and the NDP is undergoing re evaluation in the wake of the 1993 federal election It will be of particular interest to those in government university community based or political organizations wanting to re examine mainstream assumptions about social democracy social policy and social justice in Canada **Poseur** Marc Spitz, 2013-02-12 Marc Spitz assumed that if he lived like his literary and rock n roll heroes he would become a great artist too He conveniently overlooked the fact that many of them died young broke and miserable In his candid wistful touching and hilarious memoir Poseur the music journalist playwright author and blogger recounts his misspent years as a suburban kid searching for authenticity dangerous fun and druggy downtown glory first during New York's last era of risk and edge the pre gentrification 90s and finally as a flamboyant and notorious rock writer partying and posing during the music industry's heady decadent last gasp Part profane confidential tell all and part sweetly frank coming of age tale this

dirty witty memoir finds Spitz careening through the scene meeting and sometimes clashing with cultural icons like Courtney Love Jeff Buckley Rivers Cuomo of Weezer Chlo evigny Kim Deal The Dandy Warhols Guns N Roses Ryan Adams Paul Rudd Coldplay Pavement Peter Dinklage Julie Bowen The Strokes Trent Reznor Chuck Klosterman Interpol and Franz Ferdinand as well as meeting heroes like Allen Ginsberg Shirley Clarke Joe Strummer and Morrissey Along the way he finds literary guru Gordon Lish is a long lost relative and erstwhile pal and sensation JT LeRoy is an even bigger poseur Spitz refuses to give up the romantic ghost until a post 9 11 breakdown and an improbable new love fellow music writer Lizzy Goodman finally help him strike the hardest pose of all his true self DIV

Fighting Fat Wendy Mitchinson, 2018-01-01 While the statistics for obesity have been alarming in the twenty first century concern about fatness has a history In Fighting Fat Wendy Mitchinson discusses the history of obesity and fatness from 1920 to 1980 in Canada Through the context of body medicine weight measurement food studies fat studies and the identity of those who were fat Mitchinson examines the attitudes and practices of medical practitioners nutritionists educators and those who see themselves as fat Fighting Fat analyzes a number of sources to expose our culture s obsession with body image Mitchinson looks at medical journals both their articles and the advertisements for drugs for obesity as well as magazine articles and advertisements including popular before and after weight loss stories Promotional advertisements reveal how the media encourages negative attitudes towards body fat The book also includes over 30 interviews with Canadians who defined themselves as fat highlighting the emotional toll caused by the stigmatizing of fatness

Bodily Subjects Tracy Penny Light, Barbara Brookes, Wendy Mitchinson, 2015-02-05 Historical understandings of gender and health that raise important questions about how health care works today
