Reap The Whirlwind Augusta The Revolution:

Reap the Whirlwind Anne Riggs Osborne,1990 Portrays the conflicting interests in pre Revolutionary Augusta Georgia between the new settlers and the Indians and fur traders and between the patriots who want to sever all ties with England and those who remain loyal to the King Beyond Atlanta Stephen G. N. Tuck,2001 Beyond Atlanta draws on interviews with almost two hundred people black and white who worked for or actively resisted the freedom movement Among the topics Stephen Tuck covers are the absence of consistent support from the movement s national leadership and the frustration and innovation it alternately inspired at the local level In addition Tuck reveals friction along urban rural and poor prosperous lines about movement goals and tactics and he highlights the often unheralded roles played by African American women veterans masons unions neighborhood clubs and local NAACP branches **BOOK JACKET**
