University of Abuja, Nigeria

Abstract

This paper explored America's foreign policy from a brief perspective, going back to history, and refreshing the readers' minds on what America's foreign policy entails, and the storyline of the American state during WW1, and after WW2. This period saw America withdrawing from non-interventionism to interventionism in other states' affairs. The study outlined the shapers of America's foreign policy, and her national interest. Lastly, the study discovered that America controls the international arena through; the use of diplomacy, the United Nations, military capabilities, economic aid, international monetary fund, and a collective security system. The paper made use of the secondary source of data collection to get reference materials for the study. In the application of a suitable theory as the basis of analysis, the manifest destiny theory was adopted, which portrays America's presence in the internal system as an ordinance from God, and as such; the ability to shape world affairs becomes imminent and justifiable.

Key Words: *America, Exploration, Fundamentals, Foreign, Policy.*

Introduction

America's foreign policy is strutted in history and controversies. Foreign policy as a tenant in international state relations is designed to encompass and dictate the tune in which a state adopts while in dealings with other states. The national interest of a state is often put forward while adopting a foreign policy posture. National interest supersedes all forms of interest, and it is the sole objective when two or more states are in relation. Certain variables are major determinants when a state's foreign policies are to be adopted. These determinants cut across both internal and external factors. The internal factors are occurrences within the state that influence foreign policy, while external factors are drawn outside the state. Foreign policy can be traced back to the 1648 Treaty of Westphalia. The Westphalia Treaty which also refers to the Peace of Westphalia is often seen by scholars in both history and the field of international relations to be the basis for many modern international laws and professional diplomacy (Patton, 2019). This served as a turning point toward the recognition of sovereignty accorded to states, and as such, formal diplomatic ties started.

America's Foreign Policy as a case in point has undergone some faces such as before and after the world war era. The fundamentality of America's foreign policy is built based on citizens' consent and acceptability. Also, the period of World War 1, made America adopt a non-interference in European affairs foreign policy posture, but later it went beyond that as they feared for Adolf Hitler's movement to conquer the world was on the match. With the end of World War 1, the struggle for world dominance was imminent, as America preached the gospel of containment against the USSR's communism. This later came to an end in 1992 with the

Recent American Foreign Policy Basic Doc:

American Foreign Policy, Current Documents, 1987 *American Foreign Policy Basic Documents, 1977-1980* United States. Department of State. Office of the Historian, 1983 **American Foreign Policy**, 2008 **American Foreign Policy Current Documents**, 1961 The Constitution and the Conduct of American Foreign Policy David Gray Adler, Larry Nelson George, 1996 In this provocative and readable volume eleven leading constitutional authorities challenge business as usual in American foreign policymaking For far too long they contend Americans have acquiesced to presidential claims to sweeping executive powers in foreign affairs thanks to imperial minded presidents a weak willed Congress and neglectful scholars These authors forcefully argue that the president is not the supreme crafter of foreign policy and that Congress must provide more than a rubber stamp for the president s agenda Unilateral presidential control of foreign relations they warn can pose a grave threat to our nation s welfare and is simply without constitutional warrant Combining constitutional theory with keen historical insights these authors illuminate the roots of presidential abuse of executive power and remind us of the past and potential costs of such disregard for our unique system of checks and balances An essential guide for all concerned citizens and members of Congress this volume should help revive a proper understanding of this crucial dimension of American democracy **Executive Agents in American Foreign Relations** Henry Merritt Wriston, 1929 The New Age of American Foreign Policy Frederick H. Hartmann, 1970 *Public Affairs Information Service Bulletin*, 1920 Our War Too Margaret Paton-Walsh, 2002 In the late 1930s a number of American women especially those allied with various peace and isolationist groups protested against the nation s entry into World War II While their story is fairly well known Margaret Paton Walsh reveals a far less familiar story of women who fervently felt that American intervention was absolutely necessary Paton Walsh recounts how the United States became involved in the war but does so through the eyes of American women who faced it as a necessary evil Covering the period between 1935 and 1941 she examines how these women functioned as political actors even though they were excluded from positions of power through activism in women s organizations informal women s networks and even male dominated lobbying groups In the Great Debate over whether America should enter the war some women favored aid to the Allies not because they hoped for war but because they hoped aid would forestall more direct U S involvement but also because they believed war was preferable to a Nazi victory Paton Walsh shows that this activism involved some of the most prominent women of their day Elizabeth Cutter Morrow whose son in law Charles Lindbergh was an isolationist spokesman supported the revision of the Neutrality Acts to allow the sale of arms to the Allies and expressed her support in a national radio broadcast Soon other women joined this debate Esther Brunauer of the AAUW journalist Dorothy Thompson and organizations like the League of Women Voters and National Women s Trade Union League broke from the pacifist tradition to advocate American aid for the Allied cause Focusing on the conflict in Europe Paton Walsh shows how these women grasped the implications of the Lend Lease program for America s

entry into the war but supported it nevertheless By late 1941 the Women s Division of the Fight for Freedom Committee had been established no longer merely advocating aid to Britain to keep American boys out of battle this organization supported direct American involvement in the war as a means of stopping Nazi oppression While most historians have focused on women s pacifism Paton Walsh connects women more directly to world events and shows how those interventionists reformulated maternalist ideas to justify and explain their beliefs Our War Too is a story of American women trying to reconcile the irreconcilable to preserve both their principles and their peace It expands our understanding of women as political actors and thinkers about foreign policy as it sheds new light on American public opinion over the build up to the war

World War II: Books in English, 1945-65 Janet Ziegler,1971 **The Conduct of American Foreign Relations** John Mabry Mathews,1922 *A Concise Introduction to American Foreign Policy* Festus Ugboaja Ohaegbulam,1999

Basically a specialist on Africa Ohaegbulam introduces US foreign policy emphasizing how policy making is accomplished in the complex domestic and external settings He surveys the development and characteristic patterns stressing the central themes and global experience especially since World War II He finds that no grand strategy has replaced the cold war framework and that a number of approaches are contending for dominance Annotation copyrighted by Book News Inc Portland OR *Disarmament and American Foreign Policy* James Thomson Shotwell,1926 *A History of American Foreign Policy* John Holladay Latané,1927 *The United States Catalog* ,1921 *Our World* ,1924 *The Foreign Relations of China* Mingchien Joshua Bau,1922 *The Foreign Relations of China* Ming-ch'ien Pao,1922 **American Foreign Policy Towards Japan During the Nineteenth Century** Teijun Wada,1928 *U.S. Presidents and Latin American Interventions* Michael Grow,2008 Reveals how Cold War U S presidents intervened in Latin America not as the official argument stated to protect economic interests or war off perceived national security threats but rather as a way of responding to questions about strength and credibility both globally and at home
