Religion And The Social Order What Kinds Of Lessons Does History Teach:

Religion and the Social Order Jacob Neusner, 1995 *The Documentary History of Judaism and Its Recent Interpreters* Jacob Neusner, 2012-07-10 The result for the history of Judaism of a documentary reading of the Rabbinic canonical sources illustrates the working of that hypothesis It is the first major outcome of that hypothesis but there are other implications and a variety of new problems emerge from time to time as the work proceeds In the recent past Neusner has continued to explore special problems of the documentary hypothesis of the Rabbinic canon At the same time Neusner notes others join in the discussion that have produced important and ambitious analyses of the thesis and its implications Here Neuser has collected some of the more ambitious ventures into the hypothesis and its current recapitulations Neusner begins with the article written by Professor William Scott Green for the Encyclopaedia Judaica second edition as Green places the documentary hypothesis into the context of Neusner's entire oeuvre Neuser then reproduces what he regards as the single most successful venture of the documentary hypothesis contrasting between the Mishnah's and the Talmuds programs for the social order of Israel the doctrines of economics politics and philosophy set forth in those documents respectively Then come the two foci of discourse Halakhah or normative law and Aggadah or normative theology Professors Bernard Jackson of the University of Manchester England and Mayer Gruber of Ben Gurion University of the Negev treat the Halakhic program that Neusner has devised and Kevin Edgecomb of the University of California Berkeley has produced a remarkable summary of the theological system Neusner discerns in the Aggadic documents Neusner concludes with a review of a book by a critic of the documentary hypothesis **The Routledge Handbook of Research Methods in the Study of Religion** Steven Engler, Michael Stausberg, 2021-11-29 This substantially revised second edition of *The Routledge Handbook of Research Methods in the Study of Religion* remains the only comprehensive survey in English of methods and methodology in the discipline Designed for non specialists and upper undergraduate graduate level students it discusses the range of methods currently available to stimulate interest in unfamiliar methods and enable students and scholars to evaluate methodological issues in research The Handbook comprises 39 chapters 21 of which are new and the rest revised for this edition A total of 56 contributors from 10 countries cover a broad range of topics divided into three clear parts Methodology Methods Techniques The first section addresses general methodological issues including comparison research design research ethics intersectionality and theorizing analysis The second addresses specific methods including advanced computational methods autoethnography computational text analysis digital ethnography discourse analysis experiments field research grounded theory interviewing reading images surveys and videography The final section addresses specific techniques including coding focus groups photo elicitation and survey experiments Each chapter covers practical issues and challenges theoretical bases and their use in the study of religion's illustrated by case studies *The Routledge Handbook of Research Methods in the Study of Religion* is essential reading for students and researchers in the study of religion's as well

as for those in related disciplines *Three Questions of Formative Judaism* Jacob Neusner, 2021-10-01 The academic study of Judaism requires a systematic inquiry into the history literature and religion and eventually the theology as revealed in the historical documents themselves Under this premise *Three Questions of Formative Judaism* encounters the canonical writings of Judaism in the context of their creation at a certain time and place How something is said thus becomes as important as what is said Bringing nearly fifty years of research to bear on these fundamental questions Jacob Neusner challenges his readers to face the difficult often unasked or neglected questions about the nature background and purposes of Rabbinic Judaism and rewards them with an enriched understanding and a stronger foundation for tackling the even more elusive questions concerning the theology of formative Judaism This publication has also been published in paperback please [click here for details](#) **Critical Issues in Early Israelite History** Richard S. Hess, Gerald A. Klingbeil, Paul J. Ray

Jr., 2008-06-30 The origin of the Israelites is one of the most frequently discussed issues among archaeologists and biblical scholars Only a few decades ago biblical stories such as the Conquest were heralded as confirmed by archaeology But in the 1970s Thomas L Thompson and John Van Seters were in the vanguard of a movement among scholars that was intent on reassessing the historical reliability of the biblical narratives This reassessment gained momentum during the 1980s and 1990s today the mainstream opinion is that there was no Conquest and the Israelites if they can be identified as a national entity or as a people did not arrive in Canaan by means of a military conquest For three days in March 2004 a group of scholars met to consider the state of the question and to provide a response to the predominant academic skepticism a response that considers the biblical text to be an important datum in the construction of the history of the people of Israel To do so the authors of the papers read at the conference take into account both biblical and extrabiblical literary evidence as well as the contributions of archaeology to describe as completely as possible what may be known about the early history of Israel *Critical Issues in Early Israelite History* publishes the papers read at this conference in the hope that the result will be a balanced portrayal of this watershed event based on all of the currently available evidence **The Politics of Myth**

Robert Ellwood, 1999-09-02 At the same time they themselves tended toward individualistic views of the power of myth believing that the world of ancient myth contained resources that could be of immense help to people baffled by the ambiguities and superficiality of modern life **BOOK JACKET** *A Biblical History of Israel, Second Edition* Iain Provan, V. Philips Long, Tremper Longman III, 2015-10-23 For over a decade *A Biblical History of Israel* has gathered praise and criticism for its unapologetic approach to reconstructing the historical landscape of ancient Israel through a biblical lens In this much anticipated second edition the authors reassert that the Old Testament should be taken seriously as a historical document alongside other literary and archaeological sources Significantly revised and updated *A Biblical History of Israel Second Edition* includes the authors direct response to critics In part 1 the authors review scholarly approaches to the historiography of ancient Israel and negate arguments against using the Bible as a primary source In part 2 they outline a

history of ancient Israel from 2000 to 400 BCE by integrating both biblical and extrabiblical sources The second edition includes updated archaeological data and new references The text also provides seven maps and fourteen tables as useful references for students

Jesus Research James H. Charlesworth, Brian Rhea, Petr Pokorny, 2014-01-23 This volume explores nearly every facet of Jesus research from eyewitness criteria to the reliability of memory from archaeology to psychobiography from oral traditions to literary sources and from narrative criticism to Gospel criticism Bringing together a wide variety of topics and perspectives in one volume this ambitious collaborative enterprise casts light on important debates and encourages creative links between ideas new and old This distinguished collection of articles by internationally renowned Jewish and Christian scholars originates with the Princeton Prague Symposium on Jesus Research It summarizes the significant advances in understanding Jesus that scholars have made in recent years chiefly through the development of diverse methodologies Even readers who are already knowledgeable in the field will discover unique angles from well known New Testament scholars and all will be brought up to speed on the current state of play within Jesus studies

Apocalyptic Interpretation of the Bible Gerbern S. Oegema, 2012-01-19 An examination of Apocalypticism from one of the leading lights in the field

Religion Index Two, 1997

Comparing Religions Through Law Jacob Neusner, Tamara Sonn, 2002-03-11 Comparing Religions Through Law offers a ground breaking study which compares these two religions through shared dominant structures In the case of Judaism and Islam the dominant structure is law Comparing Religions Through Law presents an innovative and sometimes controversial study of the comparisons and contrasts between the two religions and offers an example of how comparative religious studies can provide grounds for mutual understanding

Book List Society for Old Testament Study, 1992

Resources in Education, 2001-04

Building Blocks of Rabbinic Tradition Jacob Neusner, 2008 This book responds to a question that came to the author from Professor Maren Niehoff of the Hebrew University of Jerusalem Have you written a simple introduction to your documentary theory and method which can serve as a starting point for my students In this book are gathered eight of the more fundamental items of documentary theory and practice _three in theory five in practice_ for Professor Neihoff's students and anyone else who takes an interest in the formative history of Judaism The documentary thesis of Rabbinic literature holds that the document _the Mishnah Sifra Lamentations Rabbah the Bavli for example_ forms the basic building block of the Rabbinic tradition Excluded by that definition are sayings attributed to and

stories told about named sages These cannot serve in the reconstruction of the Rabbinic tradition its literature history religion and theology

Churches and Social Order in Nineteenth- and Twentieth-Century Canada Michael Gauvreau, Ollivier Hubert, 2006 Changing social and cultural strategies pursued by Protestant and Catholic religious institutions have shaped the social order in Quebec and English Canada Through a sustained comparison of Protestantism and Catholicism this volume explores the transition from pre industrial to industrial society and challenges conventional chronologies of religious change By examinng education charity community discipline the relationship between clergy and congregations and working class religion the contributors shift the field of religious history into the realm of the socio cultural This novel perspective reveals that the Christian churches remained dynamic and popular in English and French Canada as well as among immigrants well into the twentieth century

The Church in History B. K. Kuiper, 1988-06-01 A standard survey of the history of the Christian church from A D 33 to modern times The Church in History by B K Kuiper has long been the textbook of choice for many secondary schools and Bible institutes having sold well over 150 000 copies since first published more than a half century ago Detailed and fact filled yet balanced and readable this volume offers a panoramic view of the church s growth worldwide throughout the past 2 000 years including a comprehensive section on the church in the United States and Canada With close to 300 photographs maps and timelines throughout and thought provoking study questions at the end of each chapter The Church in History is an excellent introductory resource for students or for anyone wanting to better understand the history of the church
