Grettenberger, 2018-05-17 This volume offers an in depth examination of a diverse range of faith based programs implemented in three different geographical locales family support in rural Mississippi transitional housing in Michigan and addiction recovery in the Pacific Northwest Washington Oregon Various types of religious service providers faith intensive and faith related are carefully examined and secular organizations also serve as an illuminating point of comparison Among other insights this book reveals how the three C s of social service provision programmatic content organizational culture and ecological context all combine to shape the delivery of welfare services in the nonprofit world This book warns against simplistic generalizations about faith based organizations Faith based providers exhibit considerable diversity and quite often remarkable resilience in the face of challenging social circumstances An appreciation of these nuances is critical as policies concerning faith based organizations continue to evolve

**Teaching African American Religions** Carolyn M. Jones, Theodore Louis Trost, 2005-07-14 The variety and complexity of its traditions make African American religion one of the most difficult topics in religious studies to teach to undergraduates The sheer scope of the material to be covered is daunting to instructors many of whom are not experts in African American religious traditions but are called upon to include material on African American religion in courses on American Religious History or the History of Christianity Also the unfamiliarity of the subject matter to the vast majority of students makes it difficult to achieve any depth in the brief time allotted in the survey courses where it is usually first encountered The essays in this volume will supply functional innovative ways to teach African American religious traditions in a variety of settings

**Law, Religion, Constitution** Dr Cristiana Cianitto, Ms Donlu Thayer, Professor Silvio Ferrari, Professor W Cole Durham Jr., 2013-09-28 What is the place assigned to religion in the constitutions of contemporary States What role is religion expected to perform in the fields that are the object of constitutional regulation Is separation of religion and politics a necessary precondition for democracy and the rule of law These questions are addressed in this book through an analysis of the constitutional texts that

are in force in different parts of the world Constitutions are at the centre of almost all contemporary legal systems and provide the principles and values that inspire the action of the national law makers After a discussion of some topics that are central to the constitutional regulation of religion the book considers a number of national systems covering countries with a variety of religious and cultural backgrounds The final section of the book is devoted to the discussion of the constitutional regulation of some particularly controversial issues such as religious education the relation between freedom of speech and freedom of religion abortion and freedom of conscience

**Educating for Faith and Justice** Thomas P. Rausch, 2010-01-01 Catholic colleges and universities play a crucial role in handing on a rich faith tradition to young adults today As these institutions have become more professional and pluralistic many are asking how effective they are at carrying out the religious mission which is central to their identity Are Catholic colleges and universities significantly different from less expensive state institutions or from other private colleges and universities Are they still committed to the search for truth which is really the search for God Thomas Rausch an eminent educator is a Catholic priest long interested in Catholic theology as a work of the church not just of the academy He insists we must also ask of Catholic higher education today Does it truly form students in the faith that does justice or does it simply speed their passage into successful corporate lifestyles Does it help students come to a personal encounter with the divine mystery revealed in Jesus Keeping these questions before them Rausch and five other contributors to this volume provide wisdom insight and concrete examples of how Catholic higher education can indeed foster faith that leads to a more just world Thomas P Rausch SJ is the T Marie Chilton Professor of Catholic Theology at Loyola Marymount University in Los Angeles He is author of numerous books including I Believe in God A Reflection on the Apostles Creed Being Catholic in a Culture of Choice and Towards a Truly Catholic Church Liturgical Press

Flawed Commanders and Strategy in the Battles for Italy, 1943-45 Andrew

Sangster, Pier Paolo Battistelli, 2023-02-23 The authors offer a very different perspective on this campaign and are very frank in their assessment of the performance of the Allies and Germans on many levels New York Journal of Books Wars never run according to plan perhaps never more so than during the Italian campaign 1943 45 where necessary coordination between the different armies added additional complexity to Allied plans Errors in the strategies tactics the coalition tensions and operations at campaign command level can clearly be seen in firsthand accounts of the period This new account examines the Italian campaign from Sicily to surrender in 1945 exploring the strategy intentions motives plans and deeds It then offers a detailed insight into the five commanders who led the battles in Italy the two British commanders Montgomery and Alexander two American Patton and Clark and the leading German commander Field Marshal Kesselring Their personal notes and accounts taken alongside archival material provides some surprising conclusions Montgomery was not quite the master of war he is portrayed as Patton had serious flaws exposed by wasting men's lives to save a relative and overlooking the shooting of prisoners of war Clark lost lives to bolster his image Alexander the gentleman was far too vague to be effective as a senior leader Meanwhile condemned war criminal Kesselring appears to be the most efficient and also like Alexander one of the most popular leaders

**Faith, Race and Inequality amongst Young Adults in South Africa**

Nadine Bowers Du Toit, 2022-07-04 For many young South African adults often called born frees who were born just before or just after the demise of political apartheid the ongoing realities of poverty and inequality bring to light the question of whether they truly are free in contemporary South Africa Their lived experiences of poverty and inequality seem to be in conflict with theologically laden concepts that remain prominent in social and political life such as reconciliation forgiveness justice and restitution This leads to a bi-directional process of contesting and being contested by such notions and discourses Furthermore in light of the double legacy of both the church and youth as resisting injustice this publication seeks to explore the many perspectives from which the Christian faith race and inequality amongst youth can be brought to light

**Understanding Pastoral Counseling** Elizabeth A. Maynard, Jill L. Snodgrass, 2015-06-09 What are the roles functions and identities of pastoral counselors today What paradigms shape their understanding of the needs of others How can pastoral counselors serve the needs of diverse individuals in both religious and secular environments This foundational text reflects the continued and unfolding work of pastoral counseling in both clinical and traditional ministry settings It addresses key issues in the history current practices and future directions of pastoral counseling and its place among allied helping professions Written to incorporate current changes in the roles of pastoral counselors and models of training beyond the traditional seminary the book builds on themes of pastoral counseling as a distinct way of being in the world understanding client concerns and experiences and intervening to promote the health and growth of clients The text provides a foundational overview of the roles and functions of the modern pastoral counselor It discusses spiritual perspectives on the issues that bring individuals to seek counseling and integrates them with the perspectives of allied mental health professions The tools

and methods pastoral counselors can employ for spiritual assessment are presented and the book describes common spiritual and theological themes both implicit and explicit that arise in pastoral counseling Included are chapters examining Christian Jewish Islamic Native American and Buddhist approaches to counseling as well as counseling individuals with diverse sexual identities The book reflects the increasing need for pastoral counselors to serve effectively in a multicultural society including service to individuals who are not affiliated with a specific religious denomination The book also considers the emerging realities of distance counseling and integrated health care systems as current issues in the field
