Religions And The Status Of Women Hc 1990

Gerald A. Arbuckle

Religions And The Status Of Women Hc 1990:

Theory of Women in Religions Catherine Wessinger, 2020-12-01 An introduction to the study of women in diverse religious cultures While women have made gains in equality over the past two centuries equality for women in many religious traditions remains contested throughout the world In the Roman Catholic Church and the Church of Jesus Christ of Latter day Saints women are not ordained as priests In areas of Pakistan and Afghanistan under Taliban occupation girls and women students and their teachers risk their lives to go to school And in Sri Lanka fully ordained Buddhist nuns are denied the government identity cards that recognize them as citizens Is it possible to create families societies and religions in which women and men are equal And if so what are the factors that promote equality *Theory of Women in Religions* offers an economic model to shed light on the forces that have impacted the respective statuses of women and men from the earliest developmental stages of society through the present day Catherine Wessinger integrates data and theories from anthropology archaeology sociology history gender studies and psychology into a concise history of religions introduction to the complex relationship between gender and religion She argues that socio economic factors that support specific gender roles in conjunction with religious norms and ideals have created a gendered division of labor that both directly and indirectly reinforces gender inequality Yet she also highlights how as the socio economic situation is changing religion is being utilized to support the transition toward women s equality noting the ways in which many religious representations of gender change over time

The Cambridge Companion to Judaism and Law Christine Hayes, 2017-02-17 The Cambridge Companion to Judaism and Law explores the Jewish conception of law as an essential component of the divine human relationship from biblical to modern times as well as resistance to this conceptualization It also traces the political social intellectual and cultural circumstances that spawned competing Jewish approaches to its own divine law and the non divine law of others including that of the modern secular state of Israel Part I focuses on the emergence and development of law as an essential element of religious expression in biblical Israel and classical Judaism through the medieval period Part II considers the ramifications for the law arising from political emancipation and the invention of Judaism as a religion in the modern period Finally Part III traces the historical and ideological processes leading to the current configuration of religion and state in modern Israel analysing specific conflicts between religious law and state law

Religious Fundamentalisms and the Human Rights of Women C. Howland, 1999-09-03 Dialogue on the conflict between religious fundamentalism and women s rights is often stymied by an all or nothing approach fundamentalists claim of absolute religious freedom while some feminists dismiss religion entirely as being so imbued with patriarchy as to be eternally opposed to women s rights This ignores though the experiences of religious women who suffer under fundamentalism and fight to resist it perceiving themselves to be at once religious and feminist In *Religious Fundamentalisms and the Human Rights of Women* Howland provides a forum for these different scholars both religious and nonreligious to meet and seek common ground in their fight

against fundamentalism Through an examination of international human rights national law grass roots activism and theology this volume explores the acute problems that contemporary fundamentalist movements pose for women s equality and liberty rights

Women in Israel Ruth Halperin-Kaddari,2004-01-12 This is a comprehensive overview of discrimination in a state dominated by a patriarchal religious order and brings fresh insights to the efficacy of the law in improving the status of women

The Link Between Religion and Health Harold George Koenig,Harvey Jay Cohen,2002 This book is the first to present new medical research establishing a connection between religion and health and to examine the implications for Eastern and Western religious traditions and for society and culture The distinguished list of contributors examine a series of psychoneuroimmunology PNI topics that relate to religious faith and behavior PNI studies the relationships between mental states and the nervous endocrine and immune systems Among the issues it focuses upon are how mental states in general and belief states in particular affect physical health The contributors argue that religious involvement and belief can affect certain neuroendocrine and immune mechanisms and that these mechanisms in turn susceptibility to cancer and recovery following surgery This volume is essential reading for those interested in the relationship between religion and health

Women's Rights and Religious Law Fareda Banda,Lisa Fishbayn Joffe,2016-02-12 The three Abrahamic faiths have dominated religious conversations for millennia but the relations between state and religion are in a constant state of flux This relationship may be configured in a number of ways Religious norms may be enforced by the state as part of a regime of personal law or conversely religious norms may be formally relegated to the private sphere but can be brought into the legal realm through the private acts of individuals Enhanced recognition of religious tribunals or religious doctrines by civil courts may create a hybrid of these two models One of the major issues in the reconciliation of changing civic ideals with religious tenets is gender equality and this is an ongoing challenge in both domestic and international affairs Examining this conflict within the context of a range of issues including marriage and divorce violence against women and children and women s political participation this collection brings together a discussion of the Abrahamic religions to examine the role of religion in the struggle for women s equality around the world The book encompasses both theory and practical examples of how law can be used to negotiate between claims for gender equality and the right to religion It engages with international and regional human rights norms and also national considerations within countries This book will be of great relevance to scholars and policy makers with an interest in law and religion gender studies and human rights law

Muslim Societies and the Challenge of Secularization: An Interdisciplinary Approach Gabriele Marranci,2010-09-08 Scholars from various disciplines worked together to present the first interdisciplinary book to address the issue of Islam secularism and globalization The book has a clear structure which represents its interdisciplinary approach the first section addresses the philosophical and historical discussion about Islam and secularism the second section discusses the topic from an ethnographical and social anthropological viewpoint and the final section addresses Islam secularism and globalization from

a political viewpoint This unique collection not only offers innovative research and new material it also provides empirical examples and theoretical debates and could therefore also be used as a textbook for courses on Islam globalization anthropology politics sociology and law *The Transformation of Religious Orders in Central and Eastern Europe* Stefania Palmisano, Isabelle Jonveaux, Marcin Jewdokimow, 2021-05-09 The first volume to explore various facets of contemporary change in consecrated religious life in selected Central and Eastern European countries this book presents a series of studies of Catholic and Orthodox monasticism With attention to changes in the economy everyday life organisation and social presence of monastic orders contributors shed light on the impact of 20th and 21st century social and cultural processes such as communism and its collapse or the growth of new communication technologies on life in the cloister Bringing together research from various locations in Central and Eastern Europe it will appeal to scholars and students of sociology religious studies and theology with interests in religious orders and transformations of religious life from a social perspective

Judicial Power and National Politics, Second Edition Patricia J. Woods, 2017-02-21 In *Judicial Power and National Politics Second Edition* Patricia J Woods returns to an issue that has only grown in relevance since the first edition s publication in 2008 the religious secular conflict in Israel The first edition focused on the role that courts and justices play in deeply charged political battles In the last quarter of the twentieth century social groups turned to the judicial arm of the state in an effort to force the state to change its laws and policies on religious personal status law or family law Through an extensive case study of the interactions of the women s movement with the High Court of Justice Woods argues that the most important determining factor explaining when why and how national courts enter into the world of divisive politics is found in the intellectual or judicial communities with whom justices live work and think about the law The interaction among members of this community over time culminates in new legal norms This second edition takes into account what has happened in the past decade with public debate over religion and the state moving away from the court and into the realm of popular politics on the Knesset floor in the media in shopping malls and on the streets Included for the first time is the dataset for the author s national survey of women s movement volunteers *Healthcare Ministry* Gerald A. Arbuckle, 2000 Healthcare Ministry

Spiritual Resiliency in Older Women Janet L. Ramsey, Rosemary Blieszner, 1999-03-19 Persons of all ages struggle to survive losses and rewrite their life stories Self help books abound yet seldom do we stop to consider living resources the wise old persons who are among us Gerontologists Janet L Ramsey and Rosemary Blieszner have recorded narratives of spiritually resilient German and American women and offer here a rare combination of listening personal story telling and professional reflection Avoiding simplistic answers and acknowledging the ambiguity of human experience the authors give voice to a remarkably unheard group strong old women In this unique book you will find unforgettable stories of courage and faith but also provocative suggestions on how to enrich your clinical and academic work through an increased emphasis on spiritual coping The authors also emphasize the importance of acknowledging emotions in spiritual experiences and

integrating faith and close human relationships **Religious Human Rights in Global Perspective** John Witte, Johan D. van der Vyver, 2023-07-24 In this Dickensian century of human rights the world has cultivated the best of religious rights protections but witnessed the worst of religious rights abuses In this volume Jimmy Carter John T Noonan Jr and a score of leading jurists assess critically and comparatively the religious rights laws and practices of the international community and of selected states in the Atlantic continents This volume and its companion Religious Human Rights in Global Perspective Religious Perspectives are products of an ongoing project on religion human rights and democracy undertaken by the Law and Religion Program at Emory University **Law, Religion and Homosexuality** Paul Johnson, Robert Vanderbeck, 2014-05-09 Law Religion and Homosexuality is the first book length study of how religion has shaped and continues to shape legislation that regulates the lives of gay men and lesbians Through a systematic examination of how religious discourse influences the making of law in the form of official interventions made by faith communities and organizations as well as by expressions of faith by individual legislators the authors argue that religion continues to be central to both enabling and restricting the development of sexual orientation equality Whilst some claim that faith has been marginalized in the legislative processes of contemporary western societies Johnson and Vanderbeck show the significant impact of religion in a number of substantive legal areas relating to sexual orientation including same sex sexual relations family life civil partnership and same sex marriage equality in employment and the provision of goods and services hate speech regulation and education Law Religion and Homosexuality demonstrates the dynamic interplay between law and religion in respect of homosexuality and will be of considerable interest to a wide audience of academics policy makers and stakeholders *Jewish and Israeli Law - An Introduction* Shimon Shetreet, Walter Homolka, 2017-05-08 This book provides a concise introduction to the basics of Jewish law It gives a detailed analysis of contemporary public and private law in the State of Israel as well as Israel s legal culture its system of government and the roles of its democratic institutions the executive parliament and judiciary The book examines issues of Holocaust law and religion constitutionalization and equality It is the ultimate book for anyone interested in Israeli Law and its politics Authors Shimon Shetreet is the Greenblatt Professor of Public and International Law at the Hebrew University of Jerusalem Israel He is the President of the International Association of Judicial Independence and World Peace and heads the International Project of Judicial Independence In 2008 the Mt Scopus Standards of Judicial Independence were issued under his leadership Between 1988 and 1996 Professor Shetreet served as a member of the Israeli Parliament and was a cabinet minister under Yitzhak Rabin and Shimon Peres He was senior deputy mayor of Jerusalem between 1999 and 2003 He was a Judge of the Standard Contract Court and served as a member of the Chief Justice Landau Commission on the Israeli Court System The author and editor of many books on the judiciary Professor Shetreet is a member of the Royal Academy of Science and Arts of Belgium Rabbi Walter Homolka PhD King s College London 1992 PhD University of Wales Trinity St David 2015 DHL Hebrew Union

College New York 2009 is a full professor of Modern Jewish Thought and the executive director of the School of Jewish Theology at the University of Potsdam Germany The rector of the Abraham Geiger College since 2003 is Chairman of the Leo Baeck Foundation and of the Ernst Ludwig Ehrlich Scholarship Foundation in Potsdam In addition he has served as the executive director of the Masorti Zacharias Frankel College since 2013 The author of J disches Eherecht and other publications on Jewish Law holds several distinctions among them the Knight Commander s Cross of the Austrian Merit Order and the 1st Class Federal Merit Order of Germany In 2004 President Jacques Chirac admitted Rabbi Homolka to the French Legion of Honor

Religion and Women Arvind Sharma,1994-01-01 This book discusses the position of women in the Native American African Shinto Jaina Zoroastrian Sikh and Baha i faiths for the first time in a single volume and evolves a conceptual framework within which their positions could be comprehensively considered The contributing scholars provide an enlarged database for a more thorough discussion of the questions pertaining to women and religion in general and simultaneously advance the theoretical frontiers in women s studies Religion and Women belongs to a trilogy about women and world religions edited by Arvind Sharma the first and third volumes being respectively Women in World Religions and Today s Woman in World Religions

The Divided State of American Healthcare Kant Patel,Mark E Rushefsky,2025-05-23 Political polarization among red and blue states in the United States is reflected in major divides that exist along social economic educational geographic and demographic lines but nowhere is polarization and political divide more evident than in the field of American healthcare This book examines the healthcare divide between the red and blue states In this book authors Kant Patel and Mark Rushefsky analyze how political polarization at the state level has impacted state health policymaking policy outputs and policy outcomes and led red and blue states to create vastly different healthcare and health policies And as state governments enjoy a considerable amount of authority and discretionary power the authors further examine how polarization has influenced the implementation of national health policies by the red and blue states The book begins with an exploration of the origins and evolution of political polarization and the factors that have contributed to it at the national level This is followed by an analysis of how political polarization separates red and blue states and how they differ from each other in political economic demographic and racial dimensions It then considers how the health profiles of red and blue states differ in health indicators such as the uninsured or underinsured population healthcare spending and healthcare access The book analyzes how political polarization has produced vastly different sets of health policies on issues including the Affordable Care Act ACA Medicaid reproductive rights and the COVID 19 pandemic The book concludes with a critical examination of proposed solutions to political polarization and the dangers of our current deeply divided political climate Written in an accessible and jargon free style The Divided State of American Healthcare is vital reading for undergraduate and graduate courses on health policy public policy political science and public health It will also be of keen interest to healthcare professionals in the public and private sectors
