Vol. 3 R. J. Rushdoony, 2009-11-16 God's law is much more than a legal code; it is a covenantal law. It establishes a personal relationship between God and man. The first section summarizes the case laws. The author tenderly illustrates how the law is for our good and makes clear the difference between the sacrificial laws and those that apply today. The second section vividly shows the practical implications of the law. The examples catch the reader's attention; the author clearly has had much experience discussing God's law. The third section shows that would-be challengers to God's law produce only poison and death. Only God's law can claim to express God's covenant grace in helping us. **The Expository Times**, 1918
