Renewing The Left Politics Imagination And The New York Intellectuals

A. Runchman

Renewing The Left Politics Imagination And The New York Intellectuals:

The New York Public Intellectuals and Beyond Ethan Goffman, Daniel Morris, 2009 Here a variety of distinguished scholars revisit and rethink the legacy of the New York intellectuals showing how this small predominantly Jewish group moved from communist and socialist roots to become a primary voice of liberal humanism and in the case of a few to launch a new conservative movement

High and Low Moderns Maria DiBattista, Lucy McDiarmid, 1996-12-05 This collection of essays on modernist culture reassesses the convergence of low and high cultures of socialist and aesthete late Victorian and young Georgian the popular and the coterie Academic literary studies have until recently preferred to treat the opaque difficult writings of high moderns Conrad Yeats Woolf and Eliot and the more accessible work of the low moderns Kipling Shaw and Wells in separate categories In contributions by scholars David Bromwich Roy Foster Edna Longley Louis Menand Edward Mendelson and others High and Low Moderns brings these writers into critical proximity Essays on such topics as the public mourning of Queen Victoria Florence Farr and the New Woman the Edwardian Shaw Lady Gregory's attraction to Irish felons and the high artistic uses of low entertainments cinema detective fiction and journalism introduce a subtler model of modernism in which demotic and elite cultural forms criticize imitate and address one another

Siegfried Kracauer's American Writings Siegfried Kracauer, 2012-06 We know Siegfried Kracauer as a brilliant Weimar essayist a Frankfurt School fellow traveler and a pioneering postwar film theorist This collection of his American writings uncovers fascinating corners of his film and cultural criticism firmly placing him in the context of the New York Intellectuals as well Peter Decherney author of Hollywood's Copyright Wars From Edison to the Internet

Or Orwell Alex Woloch, 2016-01-04 There have been many studies of George Orwell but nothing quite like this book by Alex Woloch an exuberant revisionary account of Orwell's radical writing Bearing down on the propulsive irony and formal restlessness intertwined with his plain style Woloch offers a new understanding of Orwell and a new way of thinking about writing and politics

The Humanities and the Dynamics of Inclusion since World War II David A. Hollinger, 2006-04-14 The role played by the humanities in reconciling American diversity a diversity of both ideas and peoples is not always appreciated This volume of essays commissioned by the American Academy of Arts and Sciences examines that role in the half century after World War II when exceptional prosperity and population growth coupled with America's expanded political interaction with the world abroad presented American higher education with unprecedented challenges and opportunities The humanities proved to be the site for important efforts to incorporate groups and doctrines that had once been excluded from the American cultural conversation Edited and introduced by David Hollinger this volume explores the interaction between the humanities and demographic changes in the university including the link between external changes and the rise of new academic specializations in area and other interdisciplinary studies This volume analyzes the evolution of humanities disciplines and institutions examines the conditions and intellectual climate in which they operate and assesses the role and value of the

humanities in society Contents John Guillory Who's Afraid of Marcel Proust The Failure of General Education in the American University Roger L Geiger Demography and Curriculum The Humanities in American Higher Education from the 1950s through the 1980s Joan Shelley Rubin The Scholar and the World Academic Humanists and General Readers Martin Jay The Ambivalent Virtues of Mendacity How Europeans Taught Some of Us to Learn to Love the Lies of Politics James T Kloppenberg The Place of Value in a Culture of Facts Truth and Historicism Bruce Kuklick Philosophy and Inclusion in the United States 1929 2001 John T McGreevy Catholics Catholicism and the Humanities 1945 1985 Jonathan Scott Holloway The Black Scholar the Humanities and the Politics of Racial Knowledge Since 1945 Rosalind Rosenberg Women in the Humanities Taking Their Place Leila Zenderland American Studies and the Expansion of the Humanities David C Engerman The Ironies of the Iron Curtain The Cold War and the Rise of Russian Studies Andrew E Barshay What is Japan to Us Rolena Adorno Havana and Macondo The Humanities Side of U S Latin American Studies 1940 2000 Fantasies of the New Class Stephen Schryer, 2011 Annotation Linking literary and historical trends the author underscores the exalted fantasies of postwar American writers as they arose from the new conception of their cultural mission Dig Phil Ford, 2013-07-16 Hipness has been an indelible part of America's intellectual and cultural landscape since the 1940s But the question What is hip remains a kind of cultural koan equally intriguing and elusive In Dig Phil Ford argues that while hipsters have always used clothing hairstyle gesture and slang to mark their distance from consensus culture music has consistently been the primary means of resistance the royal road to hip Hipness suggests a particular kind of alienation from society alienation due not to any specific political wrong but to something more radical a clash of perception and consciousness From the vantage of hipness the dominant culture constitutes a system bent on excluding creativity self awareness and self expression The hipster's project is thus to define himself against this system to resist being stamped in its uniform squarish mold Ford explores radio shows films novels poems essays jokes and political manifestos but argues that music more than any other form of expression has shaped the alienated hipster's identity Indeed for many avant garde subcultures music is their raison d'être Hip intellectuals conceived of sound itself as a way of challenging meaning that which is cognitive and abstract timeless and placeless with experience that which is embodied concrete and anchored in place and time Through Charlie Parker's Ornithology Ken Nordine's Sound Museum Bob Dylan's Ballad of a Thin Man and a range of other illuminating examples Ford shows why and how music came to be at the center of hipness Shedding new light on an enigmatic concept Dig is essential reading for students and scholars of popular music and culture as well as anyone fascinated by the counterculture movement of the mid twentieth century Publication of this book was supported by the AMS 75 PAYS Endowment of the American Musicological Society funded in part by the National Endowment for the Humanities and the Andrew W Mellon Foundation

The Curious Humanist Johannes von Moltke, 2016-06-21 Introduction Siegfried Kracauer and the politics of film theory Metropolitan contact zones Kracauer in New York Totalitarian propaganda Nazi cinema Freedom from fear From Hitler to

Caligari spaces of Weimar cinema Authoritarian totalitarian Reframing Caligari the politics of cinema Theory of film and the subject of experience The curious humanist History and humanist subjectivity Epilogue Siegfried Kracauer and the emergence of film studies **Renewing the Left** Harvey M. Teres, 1996 Teres English Syracuse U brings to life the world of New York intellectuals from the 1930s to the present drawing lessons for progressive politics today and arguing for a reassessment of the legacy of the New York intellectuals He examines issues such as race and gender relations literary quality and politics as a means to fulfill personal spiritual and ethical needs and profiles various figures of New York's left wing intellectual culture Annotation copyright by Book News Inc Portland OR **Writing the Republic** Anthony Hutchison, 2007-08-21 In this provocative book Anthony Hutchison challenges the belief that the American novel is antipolitical and condemns the relative absence of American literature in studies of the political novel In Hutchison's view our fiction is always informed by the complexities of the American political tradition and to acknowledge this is to introduce a new rewarding chapter of critical inquiry into the study of American literature Focusing on the works of Herman Melville Gore Vidal Russell Banks Lionel Trilling and Philip Roth Hutchison finds a critique of liberalism put forth by classical republicanism transcendentalism Marxism and neoconservatism at their respective moments of historical ascent He shows how these authors take very specific historical periods and episodes for their subject matter and interrogate critique and contextualize pivotal moments in the intellectual history of American liberalism In their work liberalism reconstitutes itself in the face of competing ideological pressures demonstrating that the novel is very much characterized by a republican concern with the health of the polity Considering such artists philosophers and theorists as Ralph Waldo Emerson Fyodor Dostoevsky Hannah Arendt and John Dewey alongside numerous contemporary commentators and historians Hutchison repositions American novelists as serious political thinkers He reveals Melville's *Moby Dick* to be the formal template for the American political novel and compares and contrasts its embodiment of republican fiction with the democratic mode Mikhail Bakhtin associates with Dostoevsky He especially draws attention to the meaning of republicanism in the early national period the place of abolitionism in the Civil War and the post 1930s liberal retreat from Left radicalism By concentrating on the tension between issues of liberalism and morality in the political thought of these American novelists Hutchison hopes to advance a more nuanced and textured understanding of the U S political tradition He scrutinizes a number of critical studies and makes a cogent case for a more interdisciplinary approach to the American political novel that focuses less on the politics of representation and more on the representation of politics *New York Women of Wit in the Twentieth Century* Sabrina Fuchs Abrams, 2023-12-05 Seen as too smart too sassy too sexy and too strident female humorists have been resisted and overlooked *New York Women of Wit in the Twentieth Century* corrects this tendency focusing on the foremothers of women's humor in modern America who used satire irony and wit as indirect forms of social protest This book focuses on the women who stood on the periphery of predominantly male New York intellectual circles in the twentieth century Sabrina Fuchs

Abrams argues that the advent of modernism the women s suffrage movement the emergence of the New Woman and the New Negro Woman and the growth of urban centers in the 1920s and 30s gave rise to a new voice of women s humor one that was at once defiant and conflicted in defining female identity and the underlying assumptions about gender roles in American society Her study gives special attention to the contributions of the satirists Edna St Vincent Millay pseudonym Nancy Boyd Tess Slesinger Dorothy Parker Jessie Redmon Fauset Dawn Powell and Mary McCarthy Grounded in theories of humor feminist and critical race theory and urban studies this book will find an audience among scholars and students interested in women writers feminist humor modern American literature and African American studies *Irving Howe*

Gerald Sorin,2005-04 An electronic book accessible through the World Wide Web click to view **Delmore Schwartz** A. Runchman,2014-05-07 Taking as its starting point Delmore Schwartz s self appointment as both a poet of the Hudson River and laureate of the Atlantic this book comprehensively reassesses the poetic achievement of a critically neglected writer Runchman reads Schwartz s poetry in relation to its national and international perspectives **The Political Plays of Langston Hughes** Langston Hughes,2000 Among the most influential poets of the Harlem Renaissance Langston Hughes is perhaps best remembered for the innovative use of jazz rhythms in his writing While his poetry and essays received much public acclaim and scholarly attention Hughes dramas are relatively unknown Only five of the sixty three plays Hughes scripted alone or collaboratively have been published in 1963 Published here for the first time are four of Hughes most poignant poetic and political dramas Scottsboro Limited Harvest also known as Blood on the Fields Angelo Herndon Jones and De Organizer Each play reflects Hughes remarkable professionalism as a playwright as well as his desire to dramatize the social history of the African American experience especially in the context of the labor movements of the 1930s and their attempts to attract African American workers Hughes himself counted prominent members of these leftist groups among his close friends and patrons he formed a theater group with Whittaker Chambers prompting an FBI investigation of Hughes and his writing in the 1930s These plays while easily read as idealistic propaganda pieces for the left are nonetheless reflective of Hughes other more influential and studied works The first scholar to offer a systematic study of Hughes plays Susan Duffy provides an informed introduction as well as a detailed analysis of each of the four plays Each chapter begins with locating the play at a moment in the social history of the 1930s Then Duffy analyzes the rhetorical strategies employed throughout the script focusing on the political ideologies attacked as well as the ideologies endorsed Duffy also establishes that De Organizer a collaboration with noted jazz pianist and composer James P Johnson who also wrote its score was indeed performed by the Labor Stage Throughout the analysis of Scottsboro Limited Harvest Angelo Herndon Jones and De Organizer Duffy returns to the questions of Hughes motives for writing these works Were they merely didactic plays attempting to please Hughes leftist patrons or heartfelt leftist political propaganda By making these forgotten texts available and by presenting them within a scholarly discussion of 1930s leftist political movements Duffy seeks to spark a renewed

interest in Langston Hughes as an American playwright and political figure The Columbia History of Post-World War II America Mark C Carnes,2007-07-06 Beginning with an analysis of cultural themes and ending with a discussion of evolving and expanding political and corporate institutions The Columbia History of Post World War II America addresses changes in America s response to the outside world the merging of psychological states and social patterns in memorial culture scandal culture and consumer culture the intersection of social practices and governmental policies the effect of technological change on society and politics and the intersection of changing belief systems and technological development among other issues Many had feared that Orwellian institutions would crush the individual in the postwar era but a major theme of this book is the persistence of individuality and diversity Trends toward institutional bigness and standardization have coexisted with and sometimes have given rise to a countervailing pattern of individualized expression and consumption Today Americans are exposed to more kinds of images and music choose from an infinite variety of products and have a wide range of options in terms of social and sexual arrangements In short they enjoy more ways to express their individuality despite the ascendancy of immense global corporations and this volume imaginatively explores every facet of this unique American experience Susan Sontag Leland Poague,Kathy A. Parsons,2021-12-12 Susan Sontag An Annotated Bibliography catalogues the works of one of America s most prolific and important 20th century authors Known for her philosophical writings on American culture topics left untouched by Sontag s writings are few and far between This volume is an exhaustive collection that includes her novels essays reviews films and interviews Each entry is accompanied by an annotated bibliography **Norman Podhoretz and Commentary Magazine** Nathan Abrams,2011-10-27 What does the term neoconservative mean Who are we talking about and where did they come from Abrams answers those very questions through a detailed and critical study of neoconservatism s leading thinker Norman Podhoretz and the magazine he edited for 35 years Commentary Podhoretz has been described as the conductor of the neocon orchestra and through Commentary Podhoretz powerfully shaped neoconservatism Rich in research the book is based upon a wide range of sources including archival and other material never before published in the context of Commentary magazine including Podhoretz s private papers It argues that much of what has been said about neoconservatism is the product of willful distortion and exaggeration both by the neoconservatives themselves and their many enemies From this unique perspective Abrams examines the origins rise and fall of neoconservatism In understanding Podhoretz a figure often overlooked this book sheds light on the origins ideas and intellectual pedigree of neoconservatism **American Literature in Transition, 1940-1950** Christopher Vials,2017-12-28 In the aftermath of World War II the United States emerged as the dominant imperial power and in US popular memory the Second World War is remembered more vividly than the American Revolution American Literature in Transition 1940 1950 provides crucial contexts for interpreting the literature of this period Essays from scholars in literature history art history ethnic studies and American studies show how writers intervened in the global struggles of the decade the

Second World War the Cold War and emerging movements over racial justice gender and sexuality labor and de colonization One recurrent motif is the centrality of the political impulse in art and culture Artists and writers participated widely in left and liberal social movements that fundamentally transformed the terms of social life in the twentieth century not by advocating specific legislation but by changing underlying cultural values This book addresses all the political impulses fueling art and literature at the time as well as the development of new forms and media from modernism and noir to radio and the paperback *Modernism Beyond the Avant-Garde* Jason M. Baskin, 2019 Uses the idea of embodiment to reconceptualize postwar literary history and recognize the political significance of literary modernism after 1945 **The Religious Left in Modern America** Leilah Danielson, Marian Mollin, Doug Rossinow, 2018-05-15 This edited collection of exciting new scholarship provides comprehensive coverage of the broad sweep of twentieth century religious activism on the American left The volume covers a diversity of perspectives including Protestant Catholic and Jewish history and important essays on African American Latino and women s spirituality Taken together these essays offer a comparative and long term perspective on religious groups and social movements often studied in isolation and fully integrate faith based action into the history of progressive social movements and politics in the modern United States It becomes clear that throughout the twentieth century religious faith has served as a powerful motivator and generator for activism not just as on the right where observers regularly link religion and politics but on the left This volume will appeal to historians of modern American politics religion and social movements religious studies scholars and contemporary activists

Renewing The Left Politics Imagination And The New York Intellectuals Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading *Renewing The Left Politics Imagination And The New York Intellectuals* free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading *Renewing The Left Politics Imagination And The New York Intellectuals* free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading *Renewing The Left Politics Imagination And The New York Intellectuals* free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and

verify the authenticity of the source before downloading *Renewing The Left Politics Imagination And The New York Intellectuals*. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading *Renewing The Left Politics Imagination And The New York Intellectuals* any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About *Renewing The Left Politics Imagination And The New York Intellectuals* Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. *Renewing The Left Politics Imagination And The New York Intellectuals* is one of the best book in our library for free trial. We provide copy of *Renewing The Left Politics Imagination And The New York Intellectuals* in digital format, so the resources that you find are reliable. There are also many Ebooks of related with *Renewing The Left Politics Imagination And The New York Intellectuals*. Where to download *Renewing The Left Politics Imagination And The New York Intellectuals* online for free? Are you looking for *Renewing The Left Politics Imagination And The New York Intellectuals* PDF? This is definitely going to save you time and cash in something you should think about.
