Walker, 2008-05 In the late 1890s a journalist wrote Spanish women would rather weep at a husband's or a son's gravesite than blush for lack of patriotic fervor Yet at a time when women were expected to sacrifice their sons and husbands willingly for the sake of the nation women organized and led three significant demonstrations against conscription in Spain SPANISH WOMEN AND THE COLONIAL WARS OF THE 1890S contextualizes these demonstrations and elucidates what they suggested to contemporaries about the role of women in public life in late nineteenth century Spain The appendix includes excerpts from primary sources that present often neglected ideas and programs of dissident women including Teresa Claramunt Soledad Gustavo and Angeles Lopez de Ayala

**The Blood of Government (Volume 3 of 3) (EasyRead Super Large 18pt Edition)**, *Empires and Colonies* Jonathan Hart, 2014-02-06 Empires and Colonies provides a thoroughgoing and lively exploration of the expansion of the seaborne empires of western Europe from the fifteenth century and how that process of expansion affected the world including its

successor the United States Whilst providing special attention to Europe the book is careful to highlight the ambivalence and contradiction of that expansion The book also illuminates connections between empires and colonies as a theme in history concentrating on culture while also discussing the rich social economic and political dimensions of the story Furthermore Empires and Colonies recognizes that whilst a study of the expansion of Europe is an important part of world history it is not a history of the world per se The focus on culture is used to assert that areas and peoples that lack great economic power at any given time also deserve attention These alternative voices of slaves indigenous peoples and critics of empire and colonization are an important and compelling element of the book Empires and Colonies will be essential reading not only for students of imperial history but also for anyone interested in the makings of our modern world **War!** Ricardo
