Lesson 1: DEFINITION AND CHARACTERISTICS OF PROGRAM PLAN

All agencies, organizations, councils or local government units are organized and established because they have goals to achieved. These goals are achieved through development of realistic and doable plans and programs which answer the problems and needs of their constituents. These groups/ organizations or agencies are operating based on legal bases as mandated by law or their constitution and by-laws.

It is imperative that initiators, program planners and implementers must have a functional and practical knowledge on program development for them to become effective, efficient and productive catalysts of change.

Plan - A plan reflects what the individual/group/organization would like to do and achieve at a given period of time.

Technically, a plan is a written document covering specific period of time, that contains the organization's agency's vision, mission, goals, program thrusts, projects
