Midnight Tides:

Midnight Tides Steven Erikson, 2007-04-17 The five tribes of the Tiste Edur have finally been united under the implacable rule of the Warlock King of Hiroth but their peace has made at the cost of a pact made with a hidden power and ancient forces are awakening that may destroy them all

Midnight Tides Steven Erikson, 2009-05-27 After decades of warfare the tribes of the Tiste Edur have at last united under the rule of the Warlock King But peace has been exacted at a terrible price a pact made with a hidden power whose motives are at best suspect at worst deadly To the south the expansionist kingdom of Lether has devoured all of its less civilised neighbours with rapacious hunger All save one the Tiste Edur But Lether is approaching a long prophesied renaissance that it will take it from a kingdom and lost colony to an empire reborn and has fixed its gaze on the rich lands of the Tiste Edur It would seem inevitable that the tribes will surrender succumbing to the suffocating weight of gold or to slaughter at the edge of a sword Or so Destiny has decreed A pivotal treaty between the two sides nears but unknown ancient forces are awakening For the impending struggle between these two peoples is but a pale reflection of an altogether more profound primal battle a confrontation driven by a still raw betrayal and a craving for vengeance War and confrontation magic and myth collide in this the stunning fifth chapter in Steven Erikson's magnificent The Malazan Book of the Fallen a series hailed as an epic of the imagination and a classic work of high fantasy

Lost in the Midnight Tides Anniebella Marie, 2022-02-25 A collection of poetry both rich and sparse Lost in the Midnight Tides explores the truths of human attraction and the ways that love can lift us up or sink us to the deepest depths Highlighted with beautiful line drawings that echo the spare lines of its poetry Anniebella's writing follows the trajectory of a woman's journey through love reaching her lowest point after a breakup learning to move on forgive and heal and finding an unexpected dawn of new love and happiness It travels from loss to love from pain to harmony and from the midnight tides to finding the lighthouse through the storm

Midnight Tides Steven Erikson, 2007-08-28 After decades of internecine warfare the tribes of the Tiste Edur have at last united under the Warlock King of the Hiroth There is peace but it has been exacted at a terrible price a pact made with a hidden power whose motives are at best suspect at worst deadly To the south the expansionist kingdom of Lether eager to fulfill its long prophesied renaissance as an Empire reborn has enslaved all its less civilized neighbors with rapacious hunger All that is save one the Tiste Edur And it must be only a matter of time before they too fall either beneath the suffocating weight of gold or by slaughter at the edge of a sword Or so destiny has decreed Yet as the two sides gather for a pivotal treaty neither truly wants ancient forces are awakening For the impending struggle between these two peoples is but a pale reflection of a far more profound primal battle a confrontation with the still raw wound of an old betrayal and the craving for revenge at its seething heart At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied
