Kirk,2024-06-04 Faulkner's People is an essential reference for the student and general reader of Faulkner who seeks guidance in identifying and interrelating the more than 1 200 characters in Faulkner's novels short stories and sketches The

book will help even experienced readers make their way through the labyrinth of Faulkner's style and plots and distinguish the interconnections between all of Faulkner's writings. The guide is constructed as follows: The novels from *Soldiers Pay* (1926) to *The Reivers* (1962) are listed by title in the order of their publication. Under each title, all of the named characters who appear or are mentioned in the work are listed alphabetically, together with the number of every page on which the character's name occurs. A concise account of the actions of each character is given, together with a description of that character's salient personality features. The name under which a character is listed in the guide is often supplied in brackets when a nickname, maiden name, or other variant is used in the sketches. Major characters in each novel are indicated by boldface type. Immediately following the section devoted to the novels appear the named characters in all of Faulkner's short stories and sketches, which are also treated in the order of their publication. Carryover characters who are handled inconsistently by Faulkner are marked with an asterisk and treated further by the authors in the appendix. The authors have also included genealogical charts of the Sartoris, Burden, and McCaslin/Beauchamp/Edmonds families, as well as a map of Yoknapatawpha County. Finally, an alphabetically arranged master index of characters lists every work in which their names occur. Specific bibliographical information concerning editions is given, together with other editions, American and British, with the same pagination. This title is part of UC Press's Voices Revived program, which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice, reach, and impact. Drawing on a backlist dating to 1893, Voices Revived makes high-quality, peer-reviewed scholarship accessible once again using print-on-demand technology. This title was originally published in 1963.

Science Fiction Video Games Neal Roger Tringham, 2014-09-10. Understand Video Games as Works of Science Fiction and Interactive Stories. Science Fiction Video Games focuses on games that are part of the science fiction genre rather than set in magical milieus or exaggerated versions of our own world. Unlike many existing books and websites that cover some of the same material, this book emphasizes critical analysis.

What Makes This Book So Great Jo Walton, 2014-01-21. A remarkable guided tour through the field, a kind of nonfiction companion to *Among Others*. It's very good. It's great. Cory Doctorow. Boing Boing. As any reader of Jo Walton's *Among Others* might guess, Walton is both an inveterate reader of SF and fantasy and a chronic re-reader of books. In 2008, then-new science fiction mega-site Tor.com asked Walton to blog regularly about her re-reading about all kinds of older fantasy and SF, ranging from acknowledged classics to guilty pleasures to forgotten oddities and gems. These posts have consistently been among the most popular features of Tor.com. Now this volume presents a selection of the best of them, ranging from short essays to long reassessments of some of the field's most ambitious series. Among Walton's many subjects here are the Zones of Thought novels of Vernor Vinge, the question of what genre readers mean by mainstream, the underappreciated SF adventures of C. J. Cherryh, the field's many approaches to time travel, the masterful science fiction of Samuel R. Delany, Salman Rushdie's *Midnight's Children*, the early Heinlein novels of Ursula K. Le Guin, and a Robert A. Heinlein novel you have most certainly

The Top Books of the Year Midshipmans Hope The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the engaging narratives that have captivated audiences this year. Midshipmans Hope : Colleen Hoovers "It Ends with Us" This poignant tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Midshipmans Hope : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
